SHRAMADHANAM

Name of the Programme: Shramadhanam

Date: 24-04-2023

Venue: Osmania University

No. of volunteers participated: 16

Program officer: Mr. Prashanth

LFDC NSS Unit volunteers participated in the Swachh Bharath Program at Osmania University. The objective of conducting this program was to create awareness of the cleanliness of the premises. The program was inaugurated by the Vice Chancellor Prof. D. Ravinder and NSS Coordinator, Dr Saveen Souda. NSS Volunteers from different colleges participated in this event and divided the volunteers into different teams. Our college volunteers cleaned the premises of the VC Residence and Administrative block. Osmania University NSS Cell provided refreshments to all NSS Volunteers and we made this program a grand success.

Prof.D. Ravinder, Vice Chancellor, Prof.Lakshminarayana, Register, Dr Saveen Souda Programme Coordinator along with programme officers, Prof.Ravinder flagged off the Shramadhanam program at NSS office, OU.

Education Film Festival

Name of the Program: Educational Film Festival

Dates: 27th to 29th April 2023

Venue: Tagore Auditorium

No. of Volunteers Participated: 09

LFDC NSS Unit volunteers actively participated in the CEC UGC Educational Film Festival 2023 from April 27 to 29 at Tagore Auditorium, Osmania University. The inaugural event was conducted in Tagore Auditorium, while film screening was done at the Centre for Distance Education.

The 24th edition of the film festival hosted by the Delhi-based Consortium for Education Communication (CEC) and the Educational and Multimedia Research Centre at Osmania University was opened by film producer and director Sekhar Kammula. Renowned Telugu Film Director Shekhar Kammula, an alumnus of OU, took part in the inaugural event.

Mr. Kammula said film creators committed to society to make pictures with wide and long-lasting appeal. Cinemas should mirror the lives of the present day. In this direction, he complimented the efforts of CEC-UGC in encouraging instructional filmmakers.

CEC director J.B. Nadda said the goal of the Central government was to enhance the national average Gross enrolment ratio of students from 27% to 50% by 2035. But it could not be achieved by the old school system. Only a digital education system will make it possible.

Coordinator of the film festival Sunil Mehru said a total of 193 entries were received for this edition of the film festival. Of them, 13 films were picked for awards and 14 for commendation for their remarkable effort. Osmania campus vice chancellor D. Ravinder praised CEC for authorizing the festival to the campus.

NATIONAL SEMINAR ON SOLUTIONS TO PLASTIC POLLUTION REPORT

Name of the Program: National Seminar

Topic: Solution to Plastic Pollution

Date: 05-06-2023

Venue: Prof. G. Ram Reddy Distance Education, Osmania University, Hyderabad

Organised: NSS Cell, Osmania University

Participants: 01 (Prashanth. M, NSS PO)

LFDC NSS Unit NSS programme officer Mr. Prashanth and three NSS Volunteers participated on a National Seminar on “Solutions to Plastic Pollution” organised by NSS Cell Osmania University in collaboration with Council for Green Revolution (CGR) on the occasion of “World Environment Day” on 05-06-2023 at Auditorium, Prof. G. Ram Reddy Distance Education, Osmania University, Hyderabad. The chief guest for the program was Prof. Lakshmi Narayana, Registrar, of Osmania University. The program was started by singing an NSS song.

The chief guest Prof. Lakshmi Narayana, Registrar spoke about the importance of the “World Environment Day”, everyone should plant a tree on the occasion of either Environment Day or their Birthday so that they can check the growth of that particular plant. He also advised to production of Millet which is very good for the health and also congratulated the organisers and participants.

Dr Leela Laxma Reddy, President of CGR spoke about the achievements of CGR and they started celebrating birthdays for trees and many other programs and also received awards & rewards.

The resource persons for the National Seminar

1. Prof. Thallada. Bhaskar, Chief Scientist, CSIR, Dehradun
2. Dr Siva Kumar, Central University of Kerala
3. Dr Donti Narasimha Reddy, Policy Expert
4. JSR Annamaya, Govt. Employee, Municipal Corporation Rajahmundry
5. Dr Vakdevi V, Scientist, NIN, Hyderabad
6. Anuradha Adikari,
7. Ramesh Ramanath Garu

Little Flower Degree College

Uppal, Hyderabad

Managed by Brothers of St. Gabriel Educational Society

The First Technical Session speaker was Dr D. Narasimha Reddy, Policy Expert, He was a former NSS volunteer from Osmania University. He spoke about public policies with a special focus on the National Fiber policy. He also said that the most plastic-producing country is the USA. We need to reduce plastic recycling and reuse.

Dr K. Shiva Kumar, Associate Professor, Dept. Of Chemistry, Central University Kerala, He spoke about Plastic has become one of the most used substances. It is seen everywhere these days, from supermarkets to common households. Why is that? Why is the use of plastic on the rise instead of diminishing? The main reason is that plastic is very cheap. It costs less than other alternatives like paper and cloth. This is why it is so common. Secondly, it is very easy to use. Plastic can be used for almost anything either liquid or solid. Moreover, it comes in different forms which we can easily Mold. we see that plastic is a non-biodegradable material. It does not leave the face of the Earth. We cannot dissolve plastic in land or water, it remains forever. Thus, more and more use of plastic means more plastic that won't get dissolved. Thus, the upraise of plastic pollution is happening at a very rapid rate.

Prof. Thallada Bhaskar addressed the gathering that plastic is produced because of the lack of non-plastic bags availability not up to the requirement. So how to decompose the plastic must be known to everyone.

JSR Annamayya, IEC Specialist at Rajamahendravaram Municipal Corporation, East Godavari, Andhra Pradesh, India spoke about the plans implemented to avoid plastic in Rajahmundry municipality and also explained what, the incentives given to shops that are not using plastic covers.

Dr Vakdevi V, Scientist, NIN, Hyderabad, spoke about the food habits and hot food packed in covers what the diseases people are getting nowadays.

Anuradha Adikari and Ramesh Ramanath Garu addressed the gathering Plastic waste and pollution are now threatening the health and well-being of humans and ecosystems the world over. Every year, out of an unimaginable 300 million tonnes of plastic produced, half is made into single-use items: takeaway cups, food wrappers, grocery bags, and more. And, every year, another eight million tonnes of this plastic end up drifting or sinking in the ocean, adding to what's already there and taking decades to break down. And the figure isn't going down, if we do not take action, by 2025 we can expect this number to increase to 17 million tonnes per year.

INTERNATIONAL YOGA DAY – 2023

Name of the program: International Yoga Day

Date: 21-06-2023

Place: P-01, LFDC, Uppal.

Number of volunteers participated: 15

Every year on June 21, the globe celebrates International Yoga Day to bring attention to this age-old discipline and to recognize the benefits yoga has had on people's physical and spiritual well-being. Yoga is a technique that is effective for calming the body and mind and enhancing one's immune system.

The LFDC NSS Unit observed the 9th World Yoga Day on June 21, 2023. Mr. Prashanth, NSS PO, gave a brief introduction to Yoga Day to kick off the event. Faculty and PG students attended. By observing that students were also practising yoga asanas, we were able to show Mr. Vivek's Fit Tuber Channel video on the fundamental poses.

Independence Day Celebrations

Name of the program	:	Online Quiz
Date	:	15-08-2023
Place/ Platform	:	online
Time	:	10:00 AM to 10:00 PM

NSS UNIT of LFDC conducted an online written Quiz on 15th Aug 2023, as a part of activities under Har Ghar Tirang Abhiyaan. This was a part of the Government of India's initiative on "Azadi ka Amrith Mahotsav".

The youth rarely have time to remember our rich history and culture in today's fast-paced, intensely competitive daily life. This is especially important while the country is celebrating Azadi ka Amrit Mahotsav.

The NSS programme officer Mr. M. Prashanth was the moderator for the quiz and was responsible for conducting the quiz starting with posting the Google Form link in the WhatsApp groups where the students could access the link and attempt the written quiz. 83 students participated in the quiz which was open for one day and many students were successful in attempting the quiz and came out with flying colours.

Independence Day Celebrations

Name of the program : Rally with National Flags

Date : 16-08-2023

Place/ Platform : LFDC to Uppal X Roads

Time : 11:00 AM to 12:00 PM

No. of Volunteers Participated: 50

On August 16, 2023, in celebration of Independence Day, a vibrant and patriotic "Rally with National Flags" was organized by the NSS Unit spanning from LFDC to Uppal X Roads. The rally aimed to honour the spirit of independence and instil a sense of national pride among the participants.

The rally was meticulously planned by the NSS club with attention to detail given to logistics and coordination. Necessary permits were obtained, and arrangements were made for flags, and banners.

The rally commenced with a stirring rendition of the national anthem, filling the air with patriotic fervour. Along the route, participants waved flags enthusiastically, chanting slogans of freedom and solidarity. Speeches were delivered, highlighting the significance of Independence Day and urging citizens to uphold the values of democracy and unity.

The rally left a profound impact on the participants, fostering a sense of pride and unity among them. Feedback from attendees highlighted the rally's success in rekindling patriotic sentiments and fostering a deeper appreciation for the nation's heritage and achievements.

In conclusion, the "Rally with National Flags" on Independence Day 2023 served as a poignant reminder of the significance of freedom and unity. It brought together people from all walks of life, reaffirming their commitment to the nation and its ideals. As we reflect on our journey as a nation, let us carry forward the spirit of independence and work tirelessly towards a brighter future for generations to come.

SVEEP (Systematic Voters' Education and Electoral Participation)

Name of the program	: SVEEP
Date	: 08-09-2023
Place/ Platform	: Monfort Hall
Time	: 10:30 AM to 01:30PM
Total No. of Volunteers	: 100

NSS unit of Little Flower Degree College organized a Voter Awareness Program in collaboration with Uppal Assembly Constituency, Medchal Malkajgiri (District), on 08 September 2023 to sensitize the masses about the importance of participating in the electoral process in a democratic nation and help them cast an 'enlightened vote' by electing the right candidate, knowing various parameters. Citizens must make use of the power and right to vote to choose a leader who will represent them and their ideas; and contribute their part in shaping the government. Volunteers enthusiastically spread awareness about the importance of the right to vote using Voter ID cards to eligible people in their locality. They made the people understand how even I vote can change the future of our country. While some genuinely cast their vote, many people sit back and relax on voting day, and others are cajoled into voting for particular candidates. The importance of voting is lost in the hustle and bustle of city life. While everyone sits and complains about this and that, and makes suggestions that the government should change this and that, the elections come and go without half the population paying attention. Who has completed 18 years can register as a voters and last date for registration is 19-9-2023. They also explained the how register as a voter through online.

Those are born after 1st October 2005 can also register as a new voter, finally distributed pamphlets to the students.

BLOOD DONATION CAMP REPORT

Name of The Program : Blood Donation Camp
 Date : 25-09-2023
 Venue : Montfort Hall, LFDC
 No. of Participants : 64
 Units Blood Donated : 64 Units
 Time : 10:00AM - 02:00PM

LFDC NSS Unit organized a Blood Donation Camp in collaboration with YOUTH RED CROSS SOCIETY on the occasion of NSS (National Service Scheme) Day. The Chief guest for the program was Mr. M. Bheem Reddy, Chairman of, the Indian Red Cross Society. The program commenced with invoking the blessing of Almighty God through a prayer. Rev. Bro. Arun Prakash, Correspondent Ms. P. Jayanthi Reddy, Principal, and Mr. M. Bheem Reddy, chairman inaugurated the program and addressed the gathering and explained the importance of blood donation and encouraged students to come forward and donate blood at least once in a year which could save 3 lives. Mr. M. Prashanth, NSS Programme Officer handed over 64 units of blood to Ms. Laxmi Reddy, President, of the Telangana State Blood Bank association and team of Janani Voluntary Blood Centre, Lakdikapul. The team gave appreciation certificates to students who volunteered to donate blood and to the college for their initiative and collaboration. The team promised that they would donate the collected blood to poor and needy cancer patients.

Total No. of Volunteers	:	06 + 02 Faculty
Objective	:	To contribute in Swachh Bharat Abhiyan activity & undertake cleanliness drive

“Cleanliness is next to Godliness”

It is the mantra of Mahatma Gandhiji, the Father of the Nation. He demonstrated, propagated, and insisted on individual and community cleanliness throughout his life. Following his footprints, the Swachh Bharat Mission campaign achieved encouraging results. It's the responsibility of the entire citizens to keep their surrounding clean. Community people were encouraged to maintain their surroundings clean. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases.

LFDC NSS Unit programme officer, faculty & volunteers participated in 'Swachhata Hi Seva' (Shramdaan) at Osmania University which was organized by NSS Cell, Osmania University. The 'Swachhata Hi Seva' campaign, a cleanliness drive initiated by Prime Minister Narendra Modi.

The chief guest for this program was Prof. Ravinder, Vice Chancellor, Osmania University and Guest of Honour Prof. Lakshmi Narayana, Registrar, O.U. The Program was started by taking Swachhata Pledge given by Prof. Saveen Souda, NSS Programme Co-ordinator, NSS Cell, Osmania University. Prof. Ravinder, spoke about the importance of the program and congratulated all college programme officers and NSS Volunteers to take part in this program. It has been carried out at various places of Osmania University. NSS Volunteers have encouraged community people to join in Swachhata activity. They have participated in Shramdaan activity and shown their willingness and interest to keep surrounding clean.

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India.

Mera Maati, Mera Desh

Name of the Program	: 'Mera Maati, Mera Desh'
Date	: 12-10-2023
Venue	: Little Flower Degree College, Uppal
Organised	: NSS Unit
Participants	: 20

Event Report 'Mera Maati, Mera Desh' "Meri Maati Mera Desh" envisions a unified celebration of India's soil and valour, commemorating the nation's journey of freedom and progress. By connecting with the land and honouring our culture, this program has instilled a sense of national pride and has inspired future generations to protect India's cherished heritage.

The said event conducted by the NSS unit of Little Flower Degree College on Thursday, 12th of October 2023, was attended by 20 volunteers and 3 faculty members including Mrs. Jayanthi P, Principal. The event was conducted by organizing a rally from LFDC to Uppal X roads making Importance of the event.

Mera Maati, Mera Desh

Name of the Program	: 'Mera Maati, Mera Desh'
Date	: 12-10-2023
Venue: NSS Office	: Osmania University
Organised	: NSS Cell, O.U
Participants	: 20

'Mera Maati, Mera Desh' or "Meri Maati Mera Desh" aims to unite and honour India's land and courage, symbolizing the country's path to independence and advancement. This program has fostered a deep connection with the land and a profound respect for our culture, thereby cultivating a strong feeling of national pride and serving as a source of inspiration for future generations to safeguard India's treasured legacy.

The said event conducted by the NSS Cell, Osmania University, on Thursday, 12th of October 2023, was attended by 10 volunteers. The ceremony was organized to highlight the significance of 'Maati' or soil, which is essential for our survival and nutrition. The event was commemorated by placing soil into the pot or 'Kalash' to demonstrate our dedication to sustainable development and our environment. It is commonly believed that it symbolizes the existence of life in our surroundings and serves as a reminder for us to show empathy towards our homeland and the earth, with the mindset of "Not me, but you." In this program Prof. Saveen Souda, NSS Coordinator, NSS Cell, Programme Officers from different colleges and NSS Volunteers were participated in above said program.

INDIAN CONSTITUTION DAY - REPORT

Name of The Program: Quiz competition

Topic: Indian Constitution

Date: 25-11-2023

Venue: I-21 Second Floor, LFDC

No. of Participants: 20

Time: 12 PM - 1 PM

LFDC NSS Unit organized a quiz competition on the topic "Indian Constitution" on the occasion of "Indian Constitution".

Constitution Day, also known as 'Samvidhan Divas', is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. On 26th November 1949, the Constituent Assembly of India enacted the Constitution of India, which came into effect on 26th January 1950. The Ministry of Social Justice and Empowerment on 19th November 2015 informed the decision of the Government of India to mark the 26th day of November every year as 'Constitution Day' to promote Constitution principles among citizens.

AIDS DAY RALLY REPORT

Name of the Program	: Rally on World AIDS Day
Date	: 01-12-2023
Venue	: LFDC to Habsiguda
No. of Volunteers	: 45
Program officer	: Mr. Prashanth

LFDC NSS UNIT organized a rally on World AIDS Day from Little Flower Degree College to Uppal X Roads on 1-12-2023. The main objective of this program is to create awareness about AIDS.

The goal of the 2023 World AIDS Day theme, "Let communities lead," is to protect the rights of those living with HIV, prevent new cases of the virus, and combat stigma and discrimination related to it. NSS Programme Officer Mr. M. Prashanth oversaw the program, while In Charge Principal Mrs. P. Jayanthi Reddy launched the rally. To raise awareness of AIDS, NSS volunteers made pluck cards and held up signs. The initiative was a huge success.

FREE HEALTH CAMP

Name of the Program	: Free Health Camp
Date	: 17-02-2024
Venue	: Little Flower Degree College
No. of Volunteers	: 15
Program officer	: Mr. M. Prashanth

NSS UNIT of LFDC organized a free medical health camp at the college premises on 17-2-2024, in association with YASHODA HOSPITALS, MALAKPET. The faculty members and students participated and greatly benefited from the free medical health camp, which involved regular tests & check-ups such as Random blood sugar, heart rate, ECG, 2D ECHO, Oxygen saturation levels, etc.

The objective of conducting the health camp was to create awareness of the present health problems arising out of the coronavirus prevalent in the country. This Camp was set up to provide **free** general health care services and to counsel students and staff on basic health care and hygiene. The camp was inaugurated by correspondent Rev. Bro. Arun Prakash along with in charge principal Mrs. Jayanthi Reddy. The NSS Unit Programme Officer Mr. M. Prashanth took care of the overall organization of the camp. The principal and vice principal congratulated the NSS unit for successfully conducting the camp with huge success and overwhelming response from the students and the faculty was much appreciated.

Aapada Mithra Training Program

Name of the Program: Aapada Mithra Training Program

No. of Volunteers Participated: 05

Date: 18-03-2024 to 24-4-2024

Venue: National Disaster Management Office, Nagole, Hyderabad.

Name of the NSS PO: M. Prashanth

The Aapada Mitra Scheme, initiated by the Indian government, aims to train volunteers in community preparedness and bolster their ability to respond adeptly during emergencies. In line with this endeavour, we, as NSS volunteers from the department of B.Sc. representing our college, actively participated in the training program held at the Disaster Response Force (DRF) Training Centre in Nagole.

Over the course of the 12-day program, spanning from March 18, 2024, to March 24, 2024, daily sessions were conducted from 10 am to 5 pm. The program comprised a combination of theoretical and practical sessions, covering diverse topics such as floods, fire accidents, earthquakes, and building collapses, among others. The initial seven days predominantly focused on theoretical instruction, followed by hands-on practical demonstrations in the afternoon, fostering active engagement from participants.

During the subsequent five days, our responsibility entails conducting ground-level surveys in nearby wards, encompassing approximately 60 households. Submission of the survey reports is expected within three days of receiving the survey questions. Furthermore, a hybrid meeting is slated for the fourth day to review and consolidate the training topics covered thus far.

On the concluding day, we will convene at the DRF Training Centre to submit the survey reports and receive our Emergency Responder Kit (ER Kit), certificates, and ID cards. Distribution arrangements will be communicated, taking into account ongoing election protocols. Overall, the training has equipped us with invaluable insights into safety protocols, discipline, and various measures to effectively respond to emergencies such as fire accidents or gas leakages, ensuring swift action to mitigate risks and prevent further escalation until formal rescue operations are initiated.

One Day Red Ribbon Club Peer Leaders Convention “HIV Prevention Through Life Skills Education”

Name of the Program: One Day Red Ribbon Club Peer Leaders Convention HIV Prevention through Life Skills Education”

No. of Volunteers Participated: 200

Date: 21-03-2024

Venue: Montfort Hall, LFDC Uppal, Hyderabad.

Name of the NSS PO: M. Prashanth

The Telangana State Aids Control Society (TSACS) and the NSS Cell at Osmania University have collaborated to organize a one-day Red Ribbon Club Peer Leaders Convention titled "HIV Prevention through Life Skills Education" on March 21, 2024, at Montfort Hall, Little Flower Degree College. NSS Volunteers from Little Flower Degree College, St. Pious Degree & PG College, Government Degree College, Uppal & Medchal Malkajgiri Approximately 200 NSS Volunteers took part in the initiative.

The program began with a short prayer, after which Mr. Ramesh, TSACS's State Youth Coordinator, introduced the resource person for the sessions. Dr Ravi Kumar, Joint Director, addressed the audience, followed by Mr Narasinha Swami, Retired Deputy Director, who described how HIV can be spread from one person to another, as well as prophylactic methods. Prof. Narasimha Rao of Kakatiya University spoke to the audience about HIV prevention through life skills, providing numerous examples and clarifying students' doubts. Mrs. Jayanthi, In Charge Principal, and Mr. Prashanth, NSS PO, both lectured on HIV prevention. The principal and program officers were also honoured with mementos and shawls.
