

LITTLE FLOWER DEGRE & PG COLEGE

UPPAL, HYDERABAD-500039

On 11 August 2023, the Department of Computer Science organized a seminar on interpersonal skills for "**career development**" for all BSC and BA final-year students in Montfort Hall at 11 a.m. The guest speaker, Mr. Rajshekhar from Jobsri8, enlightened the students on how to fulfil their career dreams. The speaker provided the path and assistance for the students to set up their dream jobs. He explained customized CRT programmes as per the company standards and also explained how to face an interview with confidence. Moreover, the speaker was more interactive. Some students asked questions related to opportunities in the present career market.

Speaker explaining about CRT programmes. Speaker explaining how to face interviews

Students interacting with speaker about career opportunities.
