The Department of Modern Language conducted PowerPoint presentations on 18 August, 2023, on the topic 'English Studies in India', to acquaint students with how the introduction of English to India has transformed Indian sociopolitical hierarchies to the dynamics of intellectual development in the English language environment. Final-year BA students presented PPTs on various topics and authors such as Raja Ram Mohan Roy, Raja Rao, MulkRaj Anand, Kamala Markandeya, Omprakash, Henry Derozio, and many more. Some of the topics covered were various reforms, the impact of western education, the National Movement, feminist writings, and Dalit literature. This session helped students understand linguistic (English) phenomena in the context of Indian society, culture, history, literature, and governance.
