

**LITTLE FLOWER DEGREE AND PG COLLEGE
UPPAL, HYDERABAD-500039**

As a part of intra-collegiate literary competitions, the Department of Mathematics conducted Math Rangoli on 9 and 10 October, 2023. In this event, students from various streams participated with a lot of interest and enthusiasm and exhibited their creative skills to show that mathematics can be learned by drawing mathematical pictures using binary operations. The duration of the event was one hour. Moreover, judging was on the basis of creativity, presentation, theme, and neatness. First Prize was bagged by Vishnu Priya and Bhavana of MECS III, Second Prize by Vinuthana and Pranitha Reddy of MPCS II, Third Prize by Sathvika and Nandini of MECS II, Rajeev and Vanshika from MPCS-I

Sathvika and Nandini of II MECS representing operators

Rajeev and Vanshika of MPCS-I showcased trigonometric functions

Bhavana and Vishnu priya of MECS-III with beautiful rangoli by drawing triangles in a pattern

Varshitha and Uhitha of MPCS-III demonstrating Aryabhata

Vinuthana and Pranathi of MPCS-II showcasing Evolution of Maths

Tejeshwini and Anjum of MPCS-III drew algebraic expressions
