UPPAL, HYDERABAD-500039**

As part of the intra-collegiate competition for the student, the Department of Management organised "Perfect Square," a management game, on 9 October, 2023, from 12:30 p.m. to 2:00 p.m. During the activity, students were asked to turn a length of rope into a perfect square while blindfolded by using verbal communication. The aim of the game was to encourage students to work on directions, communication, and listening skills. In addition to enjoying the activity, students learned the importance of coordination and cooperation in achieving the task through proper communication.
