

**LITTLE FLOWER DEGREE AND PG COLLEGE  
UPPAL, HYDERABAD-500039**

Ms. T. Swapna, a faculty member of the Department of Mathematics, attended Five-Day International Faculty Development Programme on Vedic Mathematics and Basic Sciences from 14 October to 18 October 2023, organised by Woxsen University. Distinguished speakers from various institutions, such as IITs and NITs, provided insights into the historical context, advantages, techniques, and applications of Vedic mathematics. They demonstrated the application of sutras by solving examples, highlighting how Vedic mathematics contributes to solving mathematical arithmetic in an easy and simpler way to gain speed and accuracy. In addition, some of the speakers delivered lectures on mathematical modelling, fundamental theorems of real analysis, and Topology.

Ms. T. Swapna, a faculty member of the Department of Mathematics, attended Five-Day International FDP on Vedic Mathematics and Basic Sciences.
