

**LITTLE FLOWER DEGREE AND PG COLLEGE
UPPAL, HYDERABAD-500039**

The Department of Commerce, in collaboration with the Department of Library Science, conducted a one-day library book audit on 12 October, 2023. The participants of the library audit were students of III-B.com General and Honors. They were paired and assigned a specific department to verify the books. Students learned the basics of auditing as a part of their academic curriculum; hence, this programme served as an effective practical exposure to them. Students learned about vouching for library books by verifying their presence in the library access book. They recorded the accession number of each library book on a separate sheet to have better clarity about the presence of the books. Students learned the concept of auditing in a more interesting way.
