

INTER-COLLEGIATE COMPETITIONS FOR INTERMEDIATE STUDENTS

The Telugu department conducted an essay writing competition as part of inter-college competitions for intermediate students on November 1, 2023. The event was successful, as an awe-inspiring number of students participated in the competition. Students from Little Flower Junior College and other colleges participated enthusiastically in the competition. The head of the department announced the winners of the competition during the prize distribution ceremony, while the Vice Principal, Ms. Jayanthi Reddy, awarded the winners with certificates and mementos in the Montfort Hall. Considering their talents, it was not surprising that most of the participants and winners were students of Little Flower Junior College. Nevertheless, it was still a moment of pride for the department heads and the Vice Principal.
