Recreation Committee - Staff Tour

REPORT

Travelling is one of the best means to gain new experiences, expand one's perspective and delve into wonders of the world. To facilitate these connections among lecturers, bridging the gap between the classroom and the broader world, thereby broadening their horizons, the recreation committee has planned a trip to Vizag, as this recreational trip for staff provides them with relaxation following the demanding interactions with students each day.

The recreational trip to Vizag, for college staff was planned a month in advance and occurred from January 24th to January 28th, 2024. The itinerary, meticulously prepared by coordinator Ms. Sheela, ensured a well-balanced mix of team-building activities and leisurely exploration. Staff had the opportunity to discover local attractions and enjoy the picturesque beaches.

On January 24th, the staff departed from Secunderabad station via Godavari Express at 5:30 pm.

Day One (January 25th, 2024): Upon arrival in Vizag in the early morning hours, the staff was promptly guided to Hotel Athidi Inn, where they refreshed, had breakfast, and then proceeded to Simhachalam Temple and Ross Hill Church for worship. Later, they visited Kailasagiri, Rishikonda Beach, and the submarine and aircraft museums at RK Beach. They returned to the hotel for dinner and retired for the day.

Day Two (January 26th, 2024): After an early morning breakfast, the staff checked out of the Inn and journeyed to Araku Valley. Along the way, they visited the renowned Borra Caves and Katiki Waterfalls, which required a challenging hike. In the evening, the staff arrived at Hotel Rajadhani, where a campfire and tribal dance performance called Dhimsa were organized, followed by dinner before retiring for the day.

Day Three (January 27th, 2024): Some staff members rose early to witness the sunrise and experience the fog at a viewpoint. Following breakfast, the staff departed for Vizag, stopping at Chaparai Waterfalls along the way. After enjoying the scenic spots, the staff had to return to the station by 7:00 pm to catch the VSKP NED SF train to Hyderabad.

The trip resulted in strengthened team bonds and provided much-needed relaxation from the usual academic routine for everyone involved.

At Simhachalam Temple

At Kailasagiri Ropeway

Enjoying Campfire with Araku Tribes

At Aircraft Museum

At Chaparai waterfalls
