UPPAL, HYDERABAD

STORY TELLING - SIGN LANGUAGE

The horizon club has organised an event on 23<sup>rd</sup> November 2023. It centred on a lively sign language activity, focusing on inclusivity and cultural empathy. Utilizing expressive narratives, the promotion of moral values and the celebration of diversity is emphasised. This gathering underscored how visual communication can bridge divides, bringing together the deaf and hearing communities for a shared experience. The event aimed to foster a more inclusive society, promoting understanding and unity among all participants by showcasing the power of sign language.

Student using the sign language and telling the story

The student understands the story which was said in sign language
