UPPAL, HYDERABAD.

REPORT:

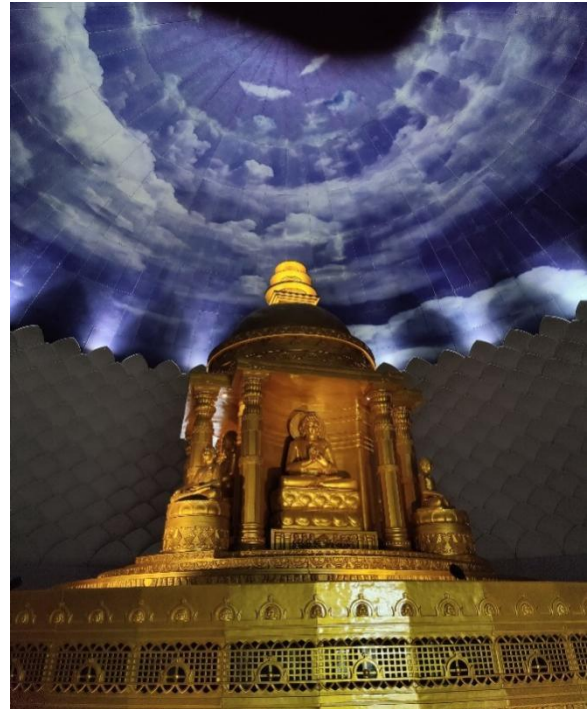

FIELD TRIP TO BUDDHAVANAM AND POWER HOUSE

Regnant Club organized a field trip to Nagarjuna Sagar on February 3rd, 2024, aiming to provide students with a multifaceted learning experience encompassing cultural, historical, and technological aspects. The objective was to deepen students' understanding of ancient civilizations and modern engineering while fostering peer bonding among participants. 53 students along with 3 faculty were a part of this engaging and enriching trip.

The trip included visits to key landmarks such as Buddhavanam and the Power House, where students gained insights into the rich cultural heritage of the region and witnessed the marvels of modern engineering. The lunch was organised at VIJAYA VIHAR – Amaravathi Family Restaurant, Nagarjuna Sagar. Additionally, the tour of the dam waters provided students with a unique and enjoyable experience, facilitating interpersonal connections.
