

Little Flower Degree College

Uppal, Hyderabad-500039

St. Louis De Montfort (31-01-1673 to 28-04-1716)

Founder of Montfort Brothers of St. Gabriel, The Company of Mary (Montfort Priests) and Daughters of Wisdom (Montfort Sisters).

Montfort - The Founder

Born on 31st January 1673, Louis Mary Grignon, popularly known as Montfort, grew to be a prophet of his times. He saw God in the poor and gave his life for their cause. In him welled up a constant spring of love, courage, self-surrendering service and commitment for the cause of the poor and the down trodden. The source of this unending spring was God always. He died on 28th April 1716, but his spirit lives on today in the Congregation of Montfort Brothers of St. Gabriel, Priests of the Company of Mary, Daughters of Wisdom and the numerous Montfortian Associates.

Montfort Brothers of St. Gabriel

Though the Montfortian society was founded in the 18 century, it is only in 1903 that the Brothers came to India. Today they work in over 200 educational, social and cultural establishments throughout the country.

The activities of the Brothers of St. Gabriel in India are as multifarious as the needs of the country. They can be found in schools, technical institutes and colleges of higher learning, in the special education and rehabilitation of the blind and the deaf, in care for the aged, disabled and orphaned, in youth organizations, in the urban slums and remote tribal villages and in movements for civil rights and communal amity.

You being a member of this institution are a part of this Montfortian family, a part of the growth process in which we all travel together inspired by St. Montfort - Our Founder.

Principal's Message

“GRACIAS” –the motto of 2022-23.

Dear Parents and students, let me begin this academic year's message with a simple 'THANK YOU'. The management of Little Flower Degree College would like show gratitude to all the stake holders of the institution for their efforts, thoughtfulness, intent action and above all putting your trust in us with your children's future

On this note I would like to welcome you all to a wonderful learning community, where everyone is dedicated to a high standard of excellence. This is possible only with the support of the parent community, dedicated faculty, excellent infrastructure and above all an active student community. I believe that excellence in education is aided by creating a learning environment which maximizes their talents, which is a part of the ethos of our college. I believe in leading the student community to embrace sound academic change. Our parent and teaching community are also equally important part of the success of our college.

Our vision and mission statement always provides directions for our college. We strive to create a just society where all are valued, respected and encouraged to be the best for the best of society and the world.

Once again, I would like to say 'GRACIAS' to our dedicated staff members, supportive parents and hardworking learners for their contribution in always striving to attain high academic standards. Education is not the final destination; it is a continuous journey. I welcome you to join us in this journey

Vice-Principal's Message

Little Flower Degree and PG College completed fifteen years of its academic journey. We thank the Almighty for His guidance and acknowledge all your support in our endeavours.

Keeping in mind the holistic development of our students, we have always been working towards giving our students ample opportunity to inculcate academic excellence and all the life skills needed to be successful in today's world. In this progression we are very glad to acquire the ISO 9001 : 2015 Certification this year. We believe in providing quality education and continue to strive towards maintaining and improving our standards.

It reflects in our infrastructure, faculty and teaching standards. Our classrooms are equipped with smartboards and our faculty have fully adapted to the LMS using technology and they continue to review the prescribed curriculum and introduce add-on and certificate courses to fill the gaps. We have added Data Science, a new course in Sciences this year to cater to the different aptitudes and interests of our students.

Intelligence along with character is the goal of our education. Students are taught to think, Imagine, analyse and create. various literary, cultural and sports activities help them towards their holistic development.

We aim at fostering a generation of young people who are self-motivated, who have creative thinking, good communication skills, a strong sense of commitment and a solid foundation for lifelong learning.

"Develop a passion for learning. If you do, you will never cease to grow." –
Anthony J. D'Angelo

All the Best.

Vice Principal
Mrs. Jayanthi Reddy. P

My Dearest Love

My dearest love, my heart pains for you still,
For you, my beloved, who would not be my own,
For in my soul, your memory lingers till,
And keep it locked, within my heart alone.

Oh, how I long to hold you in my arms,
To feel your touch, in your love to blend,
To hear your voice and lie in your charms,
And show you the love that knows no end.

I dreamed of years together by your side,
Oh, could you imagine how my heart does ache.
But fate had plans we couldn't override,
My love for you, in silence must I make?

Though never mine, my love for you,
for you, my love is eternal and forever new.

(Sonnet: A 14-line poem)

K. Ajay Bhushan
I BA (Psychology)

His Plans

Will they ever acknowledge His Plans?
His plans that prosper and never fail,
Young minds that reject his glance,
They ignore his words that always prevail,
For they do not walk by faith but walk by sight,
Soon will they realize, in Him alone their souls are content;
not in a trespassing world where comfort, they seek through
transgression.
Will they ever acknowledge His Plans...

The Periodic Labour Force Survey *Article*

The Periodic Labour Force Survey provides yearly and quarterly evaluations of key employment and unemployment indicators such as the labour participation rate, employee population ratio, proportion of jobless etc. Among the Indian states, Meghalaya has the lowest unemployment rate, while Haryana has the highest unemployment rate according to the Periodic Labour force survey.

Now the fifth Annual Report is being brought out by NSSO on the basis of Periodic Labour Force Survey conducted during July 2021-June 2022.

Data released by the National Statistical Office (NSO) in its annual report Periodic Labour Force Survey (PLFS) offers insights into the process of structural transformation in the Indian economy.

In the Annual Reports of PLFS, estimates of labour market indicators are presented on the basis of the data collected during the period July of a year to June of the next year, e.g., in the Annual Report, PLFS, 2021-22 estimates are presented based on data collected during July 2021 - June 2022.

The samples of First Stage Units (FSU) of Periodic Labour Force Survey (PLFS) canvassed during the period July of one year to June of the next year are independently drawn for each quarter before commencement of the survey. Since the quarterly samples are drawn independently, estimates of labour force indicators for a calendar year have been obtained by combining the data of four quarters of the calendar year. For example, the samples for the four quarters, namely, January – March 2022, April-June 2022, July – September 2022 and October – December 2022 of the calendar year 2022 have been combined to produce the estimates of key labour market indicators for the calendar year 2022. The estimates are derived on the basis of the data collected during first visit of the survey.

The labour force consists of persons who are of age 15 years or older, and belong to either of the following two categories: Employed and Unemployed and are willing to work and are actively looking for a job. There is a crucial commonality between the two categories — they both have people “demanding” jobs. This demand is what Labour Force Participation Rate (LFPR) refers to. While those in category 1 succeed in getting a job, those in category 2 fail to do so. Essentially, LFPR is the number of people ages 15 and older who are employed or actively seeking employment, divided by the total non-institutionalized, civilian working-age population. LFPR represents the demand for

jobs in an economy. On the other hand, Unemployment Rate (UER), which is routinely quoted in the news, is nothing but the number of unemployed (category 2) as a proportion of the labour force.

Since 2011-12, the structural transformation from agriculture to manufacturing has slowed, with the share of agriculture in employment not falling fast enough and, in fact, rising after 2018-19. The share of manufacturing has dropped behind even that of construction and trade, hotels & restaurants. In 2021-22, manufacturing's share, at 6%, was below that of construction (12.4%) as well as trade, hotels & restaurants (12.1%). In other words, structural transformation hasn't just slowed — it has stalled, if not reversed. There is not much labour transfer taking place from farms to factories. The jobs that are getting generated outside agriculture are mostly in construction and low-paid services, whose share has overtaken that of manufacturing. The construction sector has now become the second-largest employer after agriculture. Five years ago, it was at No. 4, after agriculture, manufacturing and trade, hotels & restaurants. Today, manufacturing has been relegated to the fourth spot.

Kumar

Lecturer, Dept of Statistics

The Highlights of PLFS are:

1. **Unemployment Rate:** It shows that the unemployment rate fell to 4.2% in 2020-21, compared with 4.8% in 2019-20. The rural areas recorded an unemployment rate of 3.3% and urban areas recorded an unemployment rate of 6.7%.
2. **Force Participation Rate (LFPR):** The percentage of persons in the labour force (that is, working or seeking work or available for work) in the population increased from 40.1% in the previous year to 41.6% during 2020-21.
3. **Worker Population Ratio (WPR):** It increased from 38.2% of the previous year to 39.8%.
4. **Migration Rate:** The migration rate is 28.9%. The migration rate among women was 48% and 47.8% in rural and urban areas, respectively.
5. **The farm sector produces less 'output', but 'adds more value' —** that is why it is able to support 45% of the country's employed labour force. But it is necessary for India to have fewer people in agriculture.
6. **The NSSO's latest annual Periodic Labour Force Survey (PLFS) report for 2021-22 (July-June) shows the farm sector's share in the country's employed labour force at 45.5%. That's down from 46.5% in 2020-21, but still higher than the 2018-19 low of 42.5%**

Strong Woman

Article

Strong Woman stands up for herself. A Strong Woman stands up for everybody else

How do I describe a strong woman ?

A strong woman comes in all shapes, sizes. She encompasses all the trials & tribulations she faces in her life.

Today she no longer takes on the traditional role of a daughter, wife and mother. Now they have achievement, professional success and are equal to men. Women are strong because, more than men, they suffer from female-specific pains: Period pains, Childbirth pain & she comes out more stronger by telling herself "You Can Do IT".

A woman's pain tolerance is more consistent in women than in men.

A woman will get true freedom only when she is given the freedom of choice, to live with respect & dignity on her own terms and without fear can roam on the road at 2:00am.

In Pursuit of True Greatness

"What you seek is seeking you." – Rumi

By

Mr. Mohammad Saber Wahedi,
Faculty, Dept. of English

Generally, many people believe that in order to reach true greatness in this world, they must become a great scientist, a famous film star, or the managing director of a big company. However, true greatness does not lie in gaining a large amount of knowledge, fame, wealth, or power. In fact, every person has the capacity to reach true greatness. To observe greatness among people, great people are always ready to help, are approachable, take responsibility for their actions, and never get disappointed when receiving criticism. They always aid the poor by providing 'enabling conditions'. Greatness cannot be gauged by having higher studies and an abundance of wealth. In rural regions, most men and women are not literate; however, they are still wonderful mentors and guides for the young because they have lived a hard life and they do not want the new generation to tackle difficulties. According to Albert Einstein, "Information is not knowledge. The only source of knowledge is experience. You need experience to gain wisdom." Thus, becoming a great person requires plenty of efforts, not only in getting a higher education but also in acquiring experience and the greatness of mingling both for the good of others. On the other hand, Hafez Shirazi, one of the notable Persian poets of the 14th century, believes that every person without hard work cannot claim greatness, as reaching the high pillars of greatness requires qualities such as decency, patience, kindness, love, and an understanding of people. To conclude, true greatness is inherent in every person, but it requires practise to develop. They have to look for it in themselves when treating others in society. True greatness is not bound to one's education, fortune, or reputation. It is the practise of good communication, kindness, patience, helping others, and treating others with respect.

Mr. Mohammad Saber Wahedi

Concept Of Effective Teaching

Article

From time Immemorial, East or West, North or South throughout the globe the teacher has been respected and worshipped by the society. In ancient India, a teacher is ranked next to God. In the west he has been called as the 'architect of a nation', 'harbinger of the program of culture'. In China and Malaysia teachers are accorded the most respect. This is reflected when they see a teacher on the same level as a physician.

It is not out of place here to mention some prominent views of thinkers about the teacher.

In India: The teacher is Brahma, he is Lord Vishnu, he is god Shiva, he is the entire universe, to such guru my pranam.

Kabir: If teacher and god , both stand before me whom should I worship?

I bow to my teacher who shows me god.

Thus, it is clear that throughout the world, the teacher is respected. A teacher is the pivot of educational system and essential trailblazer in the lives of learners. If the teachers are enabled and empowered to perform multiple tasks in the classroom as well as in the school and the community in a genuinely professional manner, then a chain reaction begins culminating into high quality learning among children in cognitive, affective and psychomotor areas of human development.

Teaching offers a bright and rewarding career for those who can meet the intellectual and social challenges of the job. In society, teachers are given special status. As experts and professionals, they are expected to use best practices to help students learn essential skills and attitudes. Contemporary teachers are held accountable for using teaching practices that have been shown to be effective. Every teacher should therefore, know what is effective teaching.

Effective teaching requires as its baseline, individuals who are academically able, who have command over the subjects, and who care about the wellbeing of the students.

Effective teaching has certain criteria:

1. Effective teaching must produce excellent results mainly academic achievement and social learning.
2. Effective teaching is utilization of best teaching practices-models, strategies, procedures, experiments-and uses them to instruct learners and to work with adults in the educational institution.
3. Effective teaching is nothing but demonstration of teaching skills to approach all aspects of learning in a reflective and problem solving manner, improving their own teaching skills as well as learning abilities of the students.
4. Effective teaching is understanding the student and his/her capacity, and planning for teaching keeping in view the students psychology.

The Power of a Degree: How Graduation Shapes One's Future

Achieving a degree marks the culmination of years of hard work and serves as proof of academic achievement. It provides individuals with essential knowledge, critical thinking abilities, and the ability to deal with challenging circumstances. The controlled learning environment of formal education instills discipline, time management, and a broad understanding of many disciplines, all of which are vital assets in any professional sector.

Moreover, graduating from reputed institutions confer recognized credentials, such as degrees or diplomas that carry substantial value in the job market. These qualifications act as indicators of competency, commitment, and perseverance, enhancing graduates' competitiveness and improving their prospects of securing desirable positions. Successful completion of an educational program opens doors to a wider array of career opportunities, as many professions require specific educational prerequisites.

Additionally, college and university experiences offer a unique social environment that fosters networking opportunities. Interactions with peers, professors, and industry professionals cultivate a valuable network that can facilitate future collaborations, mentorship, and career advancement. Graduation ceremonies provide a platform for graduates to connect with accomplished alumni, offering guidance and potential job prospects. These connections can prove instrumental in launching successful careers and accessing valuable resources throughout their professional journey.

Furthermore, the path to graduation includes personal growth and transformation. Managing coursework, projects, and tests develops resilience, self-confidence, adaptability, and problem-solving abilities. Graduation provides graduates with an opportunity to reflect on their successes, celebrate milestones, and create a sense of pride in their accomplishments. These encounters help to lay a solid foundation for future achievement and personal fulfillment.

While the completion of formal education signifies the conclusion of a specific academic program, learning continues beyond graduation. Graduates are equipped with the skills and mindset to engage in lifelong learning, adapt to evolving industries, and stay relevant in a rapidly changing world. Graduation sets individuals on a path towards personal fulfillment, professional accomplishments, and a lifelong pursuit of knowledge.

Know the fact: Curd, an effective fat burner

Curd tastes great! Because of its excellent nutritional value, it is a mainstay in every Indian household. It helps with digestion, decreases cholesterol, regulates blood pressure, gives the body the necessary calcium and protein, and improves the flavor of a variety of foods. But can it aid in losing weight? Yes, is the answer? Curd is an effective fat

burner. High calcium content in curd contributes to maintaining healthy BMI levels. The probiotics in curd maintain a healthy digestive system and boost metabolism, which helps with weight loss. Curd is high in protein, it will help you stay full for a long period and prevent unpredictable hunger. There are numerous great ways to consume curd. Do yourself a favor by eating Curd in daily diet. Add some honey and scoop some into a bowl. You can include some fresh and dry fruits to make it more upscale. Are you a fan of breakfast? Add your preferred cereal to a bowl of curd in place of the milk. With some rice or parathas, you can also consume plain curd. It is recommended to eat curd at least three times every day. What's the best thing, then? Any meal, at any hour of the day, can include curd. It is a flexible product that is solely beneficial to your body.

Dr. J. Usha Rani
HOD Microbiology

Orientation

An orientation program was organized to officially welcome the 1 year students to begin the 2022-23 academic year. Many students were accompanied by their parents. In his welcome address, principal of the college, Rev. Bro. Vincent Reddy explained the history of the college and encouraged students to work hard. The invited guests were the former Student Council Presidents for the last five years (2017-2022). They shared their experience of how their time in LFDC has transformed them into a better and a confident person. Vice principal of the college Ms. Jayanthi Reddy, familiarized the students about the college culture taking them through the handbook.

Cultural, Literary and Sports committees along with 11 languages presented PPT to explain all activities done for the holistic development of students. LENVIN (Little Flower Environmental Initiative), LIFE (Little Flower Extension Service) and NCC

explained college's Social responsibility. Students entertained gathering with their dance performances. Thereafter the students along with their parents were led to various classrooms according to the faculty of Arts, Commerce, Management and sciences to acquaint them with their programs and give them the overall picture of their 3-year UG program.

Orientation

Teachers Day Celebrations

Teachers' Day is celebrated annually on September 5th across the country to mark the birthday of India's second President Dr. Sarvepalli Radhakrishnan, a Scholar, and philosopher-author to recognize the contribution of teachers to the society. On this occasion, the students of Little Flower Degree College organized a program to celebrate Teachers' Day and to appreciate the hard work done by their teachers. Students entertained the teachers with their dazzling dance performances and a beautiful rendition to the song "Aashayein" as a tribute to the teachers. Students showed a small video, a compilation and talked about their favorite teachers. This was followed by prize distribution to all the teachers who had won various competitions students had conducted in the previous week. After the program, a sumptuous meal was laid out for all the lecturers. Students also presented a gift for each lecturer.

Teachers's Day

Investiture Ceremony

The management of Little Flower Degree & PG College, Uppal, Hyderabad organised the Investiture Ceremony for the academic year 2022- 23. The Chief Guest of the event was Rev. Bro. Jaico Gervasis, Provincial Superior, Province of Pune and Former Principal of Little Flower Degree College.

The Program commenced with welcoming the Honourable Chief Guest of the day Rev. Bro. Jaico Gervasis, Principal, Rev. Bro. Vincent Reddy, Vice-Principal, MS. Jayanthi Reddy, members of the staff, students and parents with a welcome dance by students of LFDC followed by Lighting of the lamp.

The Principal of the College, Rev. Bro. Vincent Reddy addressed the gathering. He presented the chief guest's achievements and efforts during his service in different institutions and congratulated the elected office bearers.

The elected student representatives were honoured by the dignitaries. Vice-Principal, Ms. Jayanthi Reddy adorned council members with Sashes, Principal, Bro. Vincent Reddy honoured the students with badges and the honourable chief guest, Rev. Bro. Jaico Gervasis administered the oath and handed over the flags to all student council members.

The chief guest Rev. Bro. Jaico Gervasis began his speech and expressed strong belief in students who would be leaders, leading from the front and making a tremendous difference in society. He emphasised serving humanity through the excellence of education irrespective of nationality, statehood, language, caste and religion.

The program concluded with the national anthem.

Investiture

Fresher's Day Celebrations

The first year UG students were given a welcome by the second and third-year students on November 12, 2022. The new faces were greeted with excitement and enthusiasm. The principal addressed the gathering saying what it takes to step

into a new level in life, he spoke to the new students about the college discipline and briefed them about the college culture. The students conducted Mr. and Miss Fresher 2022-23 contest in which the students participated enthusiastically and the winners were presented with mementos, certificates and gifts. The senior students entertained everyone with their dazzling performances and distributed refreshments to all.

Fresher's Party (PG)

The Department of Psychology and Statistics organised a Freshers party on 10-1-23 to welcome the batch of 2022-2024. The day was filled with excitement, joy, music, dance and laughter.

The program started with the kindling of the lamp by the Principal and the Vice Principal along with a few students. The event was structured with prayer, dances, games, and three rounds of Mr. and Miss Freshers. After completion of the third round Rev. Bro. Vincent Reddy, principle of the college and Mrs Jayanthi Reddy, Vice Principal announced the names of Mr. and Miss Freshers and awarded them. The event ended with dances, DJ music where juniors and seniors danced together. Mr. Fresher – Siddhanth Siddharth ,Miss Fresher – Richie Suzanna

ISO Certification

ISO : 9001 : 2015 is a worldwide standard that sets requirements for a strong Quality Management System. It details specific processes, procedures and activities that organizations must create, implement, maintain and improve in order to successfully manage making products or delivering services. In the academic year 2022-23, the college completed the quality assessment in its pursuit of providing excellent education as per the ISO norms.

Silver Jubilee Felicitation

It was a proud moment for the students and the faculty to witness the 25 years of religious profession of the principal Rev. Bro. Vincent Reddy. A felicitation ceremony was organized on December 10, 2022 by the management for Rev. Bro. Vincent Reddy and Rev. Bro. Lourdu Marreddy from the province of Hyderabad. Videos of their last 25 years' journey were presented to the gathering. Rev. Bro. Vincent Reddy explained the dedicated commitment to the brotherhood mentioning the three vows taken, that is poverty, obedience and chastity and thanked God almighty for his continued grace in his life. Students showered blessings with their prayers and worship choreography, and the brothers were felicitated with shawls and a Memento each.

On the Same day the faculty of Degree College had organized a felicitation ceremony with dinner fellowship in Karunya court where Rev. Bro. Vincent Reddy's family were invited. Each department felicitated brother with shawls and Bouquets and collectively a presented a gift from the management. Rev. Bro. Vincent thanked the faculty for their dedication and hard work in carrying forward the vision of the institution. A sumptuous meal was arranged for the dinner fellowship.

Felicitations

350 th Montfort Birthday

The BA Humanities Department organized a weeklong series of events from 25th to 31st January to commemorate St. Montfort's 350th Birthday. Students from various disciplines, including Arts, Commerce, Management, and Science, actively participated in all the activities, contributing to an increased awareness and understanding of St. Montfort's life, legacy, teachings, and his significant contributions to society.

The activities/ events conducted during the week are as follows:

24th January – Video presentation to students about St. Montfort's Life history

25th January – Memory Grit – St. Montfort's Institutions and their service to humanity

27th January – Charts and poster presentation – Life and Legacy

28th January – Quiz – St. Montfort's Life, themes, famous quotes,

30th January – PPT presentation on Life of St. Montfort and his work around the world

31st January - Skit

The series of events fostered a sense of admiration for St. Montfort's inspiring journey inspired students to embody his values of service, compassion, and dedication to the betterment of society.

LF FEST- 2023

Little Flower Degree and PG College, Uppal, Hyderabad organised their annual College Fest 'LF Fest 2k23' on April 1, 2023 in a grand manner. It was inaugurated by the Principal Rev. Bro. Vincent Reddy, Vice Principal Mrs. Jayanthi Reddy along with Ramilla Ramesh, Tollywood comedian, Divija and Malayaja Prabhakar, prominent Youtubers.

Jabardast fame Auto Ram Prasad and Jimpak Chipak fame MC Mike entertained the audience with their performances. Students showed active participation in various events-Feet on Fire (Dance), Singing, Fashion Show, Rap, DJ and several other events. Stunt show by Imran Rider and Vehant was the showstopper of the day. Squad 4, Street Culture, Raadhu Boy and other bands and musicians kept the audience hooked throughout and were also engaged in games. Everyone savoured the assorted delectable food cuisines at the Food Carnival.

The Fest witnessed a footfall of approximately 2000 students from various colleges in the twin cities. Sponsorship from reputed firms added to the success of the Fest. This platform enabled students to showcase diverse, vibrant and exuberant treasure of talents and nurtured their managerial skills.

LF Fest

Graduation Day Celebrations

Little Flower Degree and PG College, Uppal, Hyderabad celebrated its 8th Graduation Day on February 15, 2023 in a resplendent manner. Prof. P. Laxminarayana, Registrar, Osmania University and Prof. M. Ramulu, Controller of Examinations, Osmania University graced the occasion as Chief guest and the guest of honor respectively.

Graduation Ceremony commenced with a welcome dance followed by lighting of the lamp and invocation to the Almighty. The Principal of the college, Rev. Bro. Vincent Reddy, in his welcome address encouraged the graduates to rise to every occasion and find their true calling in life. Reminding the graduates about the Motto of the college “Lead to Illuminate”, he encouraged them to grasp the torch, go forth and take their place.

The Chief Guest, Prof. Laxminarayana, in his address brought out the unity in each and every student by mentioning “Once an Osmanian, always an Osmanian”. He also mentioned how creativity skills, team spirit, patience, punctuality, discipline and self-confidence help in overall development of a student and encouraged the students to be good citizens involved in career as well in nation-building. Prof. Ramulu, the guest of honor of the day, in his speech reminded the students to be grateful to their parents and teachers, and motivated them to change the whole world that they are in. He urged the students to realize their potential of what they can do in life.

College Event

Ethnic Day

In the era of modernization and westernisation most of the people are moving away from their own culture and history, events like Ethnic day enable the young generation to revive love and respect for their own culture and history. Students are provided with an opportunity to celebrate the diversity of vibrant and colourful India. The whole campus will be charged with ethnic atmosphere when a mini-India is created with students in their dazzling, colourful, exquisite traditional apparels. With this idea cultural committee had organized Ethnic Day on 15th April 2023. All the students have come in colourful attires representing different states and also performed dances.

College has another memorable event in its curriculum vitae.

College Event

Induction programme 2nd and Final Years

Programme for second and final year students on 4 August 2022 on the topic Well Being and Professionalism: Your Choice defines you/Career opportunities in Healthcare industry.

Dr. Gita Sharma was the guest speaker. She spoke on professional skills and more about communication skills. She highlighted ten important skills for career success. She said that “Learning

never stops and the day you stop learning, you will die.” So she asked everyone to upgrade their Communication skill and Professional skills. She also advised the students to plan their career, think about how they can spend their waking hours and to design a picture of their life now and start thinking for the future and warned them about poor career choices with examples. She spoke on ca

Educational Tour

The Educational Tour Committee of Little Flower Degree & PG College, every year organises an educational tour for the students as a part of inculcating a sense of history to students. This year the Committee planned and executed this tour for the students to Coorg, a beautiful place away from the city life and to the historical city of Mysore. The tour commenced on October 3, 2022 with 53 students and 5 faculty members. The journey in the train was filled with expectation and joy.

First day was quite fruitful, after reaching Bangalore, the students and faculty reached a hotel and after freshening up, started for Mysore in an AC bus. Enroute to Coorg, we stopped at De Paul College, as LFD PG College has a MOU with De Paul College. Father Principal Baijju Anthony's hospitality was very much appreciated. The student also visited the Montfort school for deaf and dumb. Reached late in the night, in a beautiful resort in Coorg, called Ananya Resort, had dinner and waited for the second day with anticipation.

Second day was dedicated to Coorg. All important places in Coorg like "Golden Temple, Omkareshwara Temple, Raja Seat and

Abhay Falls". The students and staff enjoyed river rafting as well. Reached the resort tired but happy with the second day of outing. After sightseeing in Coorg, shopping for spices took place, which Coorg is famous for.

Third day started in Mysore and on the way stopped over at Seringapatam, Tipu Sultan summer palace and his tomb. Also visited Mysore Palace which was decorated for Dassehera. The whole Mysore palace was looking like a diamond in the sky.

Fourth day, visited local sightseeing after breakfast in Mysore. Did some more shopping in Mysore.

Fifth day the staff and students left for Bangalore in the bus, reached Bangalore in the evening and all the students left for Hyderabad, in AC Buses and reached Hyderabad early morning. All the students and staff reached home safely much satisfied with the tour, as shown in the feedback and photos.

Farewell

On 6th May, LFDCs first and second year students organised a grand farewell for their seniors on 6-may-2023. The event was a celebration of the bond that the seniors and juniors had during their academic, co-curricular and extra-curricular. The farewell began with the lighting of the lamp and a welcome dance, followed by an oath administered by the Principal, Rev. Brother Vincent Reddy. In his message, Brother Principal told the outgoing graduates to represent the college name wherever they go and encouraged them to pursue their dreams and wished them all the best for their future endeavours.

The management honoured the students for their academic excellence and their contributions in various Inter and Inter collegiate, cultural and sports with cash prizes, certificates and mementoes. The Juniors showcased a variety of cultural performances, including dance, music, singing and so on were thoroughly enjoyed by the seniors.. As a practice for years, Mr. and Ms. LFDC, Mr. and Ms. Confident, Mr. and Ms. Costume contest is organised.

The highlight of the event was the heartfelt speeches given by the seniors, reminiscing about their college days and thanking their juniors for making their time memorable in college.

Finally, Ms. Shraddha, College President from 3 BBA proposed Vote of thanks was proposed on behalf of the outgoing graduates. Overall, it was a joyous and emotional event, filled with love and gratitude, which brought the senior and junior students closer.

College Event

Azadi Ka Amrit Mahotsav

To celebrate and commemorate the historic event 'Azadi Ka Amrit Mahotsav', seventy-five years of India's independence the college management organized a flag hoisting on August 16, 2022. All students proudly saluted the flag as the Principal of the College Rev. Bro. Vincent Reddy hoisted the flag and joined the Choir in singing national anthem. Three speeches were given by the faculty in Telugu, Hindi and English on the topics of 'The Significance of Seventy-Five years of India's Independence', 'Importance of independence in 75 years' and 'India at 75 years of its independence' respectively. The college premises reverberated with fervor and patriotism as all students waved the Indian tricolor.

Flag hoisting by the Principal Flag fluttering in the wind showcasing National pride

Students attentively listening to patriotic speeches Students waving the tricolor with ardent Patriotism

Intra collegiate

Intra collegiate Cultural competitions for the year 2022-23 was organized by Cultural Committee and inaugurated the program on 31st October, 22 in Karunya Court at 8:30AM. After that Brother has inaugurated the event t by ribbon cutting and declared it open. He told the students to participate in the events to develop their skills along with the academics.

Intercollegiate Literary Competitions

Little Flower Degree College conducted Festa Lettararia - Intercollegiate Literary Competitions for Undergraduate students on 5th December 2022. Degree students from various colleges like Little Flower, St. Ann's, St. Francis had participated in the competition. We had both online and offline registration.

There were fifteen competitions organized by all the faculties. Students participated in these competitions with enthusiasm and with a vigor to win prizes in all of them. The on-spot registrations for the competitions started at 9 and went on till 10. The competitions started from 10 in the morning and continued till 2 in the afternoon.

The competitions concluded with the Valedictory Ceremony which was held at 3:30 pm where all the students were awarded mementos and certificates by Principal Rev. Bro.Vincent Reddy for their awe-stunning performances during the competition. Students from St. Ann's and St. Francis shared a few words about how fun it had been to compete with students from various colleges and challenge themselves. With coordination from all ends,the event was a grand success.

Intercollege Literary Competitions – Junior College Students

Little Flower Degree College conducted Festa Lettararia - Intercollegiate Literary Competitions for Junior College students on 6th December 2022. Students from various colleges/schools like Little Flower, Hyderabad Public School (Begumpet) had participated in the competition. Registrations were taken both online and offline.

There were seventeen competitions organized by all the faculties. Students participated in these competitions with lot of enthusiasm. The on-spot registrations for the competitions started at 9 and went on till 10. The competitions started from 10 in the morning and continued till 1 PM in the afternoon. The competitions concluded with the Valedictory Ceremony which was held at 3:30 pm where all the students were awarded mementos and certificates by Principal Rev. Bro. Vincent Reddy for their awe-stunning performances during the competition. Students from Little Flower Junior college, Uppal shared a few words about how great it has been to compete with students from various Schools/colleges and challenge themselves.

Professional Development Programme on Intellectual Property Rights (IPR)

A Five Day PDP on 'Upcoming and Contemporary issues in Intellectual Property Rights' was organised by IPR Cell in collaboration with Little Flower Quality Assurance Cell (LFQAC) from 5th July,2022 to 9th July,2022. IPR is essential for better understanding, identifying, planning, commercialization, rendering and thus helps in preserving the inventions or creativity. To help the faculty understand what IPR actually is and how it can be integrated into their research work was the main objective in organising this programme.

As a part of the PDP, each day a topic related to IPR is delivered by eminent faculty across the industry. The topics discussed were

1. Awareness on IPR and related law
2. Role of IPR in Biodiversity
3. Role of IPR and entrepreneurship
4. IPR and Economic Development
5. AI and IPR

All the faculty members participated enthusiastically and gained basic knowledge of Intellectual Property Rights and

Report on National Workshop on Outcome Based Education

A two day National workshop on Outcome Based Education was organised by Little Flower Degree College in collaboration with St. Anns College for women, Mehdiapatnam, Hyderabad On 30th September and October 1st 2022

This seminar started by the lightning of the lamp and Dr. Amrutha, Principal, St. Anns College for Women declared the workshop to be opened and gave a welcome address.

Dr. Smitha Asthana, IAQAC co-coordinator presented the preamble for the seminar. Mrs. P. Jayanthi Reddy, Vice Principal of Little Flower Degree college, Uppal, Hyderabad, gave an overview of the workshop.

The topic for Day 1 was(OBE – A transformation perspective and Mapping CO's and PO's) On day one, the first session was taken by Professor Lakshmipathi Rao, Director, Methodist college of engineering and Technology, Abids shared his experience on OBE and the seminars of HEI of India and also pooled his knowledge on regular bodies of Quality Education. Day1, Session2 was headed by Dr. Bruce Matthew principal, MES College of advanced studies Ernakulam, Kerala. He focused on the overview of the OBE and OBE framework. He explained in detail about graph analysis and curriculum.

On day 2, Dr.Bruce Mathew elaborated on Attainment of CO's and PO's, Key elements of OBE approach, Bloom's taxonomy and various learning modes. In session2, he threw light on the importance of QP setting.

Induction program

Induction program for new faculty was conducted on 22-08-2022 by Mrs.T.Naga Lakshmi, Head, Department of Electronics. This program was conducted to bring awareness about the college rules and regulations.

Principal Bro.Vincent Reddy welcomed all the new faculty members and spoke about the importance of teachers in a student's life.

The program started by showing the faculty the history of the college and explaining the Vision and Mission of the college. Then Mrs.Naga Lakshmi explained rules and regulations of the college like timings of the college, dress code for faculty, leave policy. Then she also explained briefly about classroom management and maintaining student discipline.

Faculty Recreation Committee

The Faculty Recreation Committee arranged a tour for the faculty of Little Flower Degree & PG College, Uppal to Bhadrachalam and Papikondalu from 2nd to 4th March, 2023. The tour was arranged, as per the academic schedule which provides recreational trips to the faculty every year. Trips to these two

places was arranged as per the wishes of the faculty who wanted a religious cum entertainment tour.

The tour was undertaken in bus on 2nd morning at 7:30 am with a short prayer before the journey commenced. In the bus, the faculty enjoyed games and in between a stopover at Suryapet, home for the physically and mentally challenged, Brother Joseph was kind enough to provide place for us to have breakfast with tea/coffee being provided. Later the journey resumed and the faculty had lunch at kothakudam in St Joseph High School, followed by an amazing experience at the coal mine at Gouthamkhani, open cast mine, where the supervisor gave an experience of life time by making us witness blast in the coal mine in the mountain.

The faculty reached late afternoon and left for the Bhadracham Ram temple, where the faculty had a good darshan of the Lord. Came back late at night, had dinner, graciously provided by the brothers in the quarters. We retired for bed and started by 6:30am in the morning to Papikundalu for a 5 hour boating. The trip was filled with dance and music enjoyed by the faculty which also included Bro. Principal and vice principal. After the trip went, back quarters to freshen and set for home. On the way there was a brief stopover at a dhaba for dinner and later set for home, tired but a trip well enjoyed. Reached the college, at 4:00 am well satisfied and thanked the principal and vice principal for an enjoyable trip

Farewell Ceremony

Farewell Ceremony to the principal of LFDC, Rev. Bro. Vincent Reddy was organized in Montfort Hall at 12:30, 30 May, 2023. The ceremony started with the lighting of Lamp and prayers.

Ms. Thane, HOD, BA Department started the ceremony with her brief introduction. A video was played, featuring brother's achievements. Principal was then felicitated by the dignitaries as well as the staff. Next, Ms. Jayanti Reddy, Vice principal of LFDC & PG, Ms. Sadhana Srivastava, Vice Principal of LFJC, Rev. Bro. M. A. George, Financial Administrator and faculty from various departments thanked and admired Bro. Principal for being a great leader and wished him success in his onward journey.

Then Bro. Vincent Reddy in his speech thanked all staff members for their help and support during his tenure. The program concluded by a hearty lunch that included the dishes prepared by the faculty.

Staff Christmas

The Interfaith committee celebrated pre- Christmas for staff on 19/12/2022 at 1:30pm at Quadrangle. As the tradition of the college, the staff celebrated pre- Christmas by carol singing, exchange of gifts, followed by lunch and tambola. Invitation was extended to Brother Principal Vincent Reddy and Mrs. Jayanti Reddy. The program as mentioned above started with carol singing, exchange of gifts, a tradition which has roots in explaud, lunch was followed with separate counter for veg and non-veg which was enjoyed by the staff. The icing on the pre- Christmas was tambola and Santa Clause played by Mr. Nobin distributing chocolates.

Student Christmas

The interfaith committee had a pre- Christmas celebrations for the students on 21-12-2022 at 11:00 am at Montfort hall. The students put up a beautiful presentation of Nativity which was appreciated by one and all. Carol singing by the students gave an added attraction to their celebrations. A theme-based skit led by Juliana of BBA-3 was thought provoking as it showed a conflict between good and evil. Bro. Vincent Reddy's traditional pre- Christmas message made the celebration is more joyful. The climax of the celebration was Santa Clause who regaled the audience with his dance and antics, beautifully done by Tahir of BA-2. The celebration concluded with a group photo of the participants with Principal, Vice-Principal and staff.

Welcome Program

Little Flower Degree & PG College organised a welcome ceremony on 31 May, 2023, at Montfort Hall, to introduce the new correspondent, Rev. Bro. Arun Prakash. The event began with the lighting of the Lamp followed by prayer song and prayer.

Vice Principal, Ms. Jayanthi Reddy read the profile of Rev. Bro. Arun Prakash to the gathering. Later he was felicitated by Rev. Bro. Vincent Reddy and Ms. Jayanthi Ma'am with a shawl and bouquet respectively.

Next, Rev. Bro. Vincent Reddy addressing the faculty acknowledged administration of Rev. Bro. Arun Prakash as a Provincial administrator, councillor and principal of various schools in different parts of country and warmly welcomed the new correspondent.

Rev. Bro. Arun Prakash then addressed the staff members, expressing gratitude and sharing his vision for the institution. The program concluded with refreshments, fostering informal interactions among attendees.

Welcome Program

Xavier Board

National Academic Collaboration Meet 2022, Xavier Board of Higher Education in India

Xavier Board of Higher Education in India (XBHEI) is the association of all the Catholic Institutions of Higher Education in India with 420 colleges, 60 autonomous colleges and universities as member institutions. The board had organized the first National Academic Collaboration meeting India on 14 & 15 May 2022 at St. Albert's College, Ernakulam, Kochi. The main aim was to bring together the heads of the Xavier Board Member Institutions from all over India for academic collaborations. Mrs. Jayanthi Reddy, Vice Principal and Ms. Suvarna from the Department of English attended the meeting. LFDC signed 23 MoUs with member institutions all over India.

Quindecennial Celebration – 2008-2023

On 21st January 2023, Little Flower Degree and PG College celebrated its Annual Day and Quindecennial Celebration to commemorate its fifteenth year in its journey towards excellence in imparting education. The event was graced by the Chief Guest Prof. R.Limbadri, Prof. of Public Administration, Osmania University and Chairman of Council of Higher Education (TSCHE) and Guests of Honour Prof. S. Ramachandram, Vice-Chancellor, Anurag University, and former Vice-Chancellor of Osmania University and Shri. Laxminarayana Jannu, Retd. Additional Commissioner of Commercial Taxes Department. The Principal Rev. Bro. Vincent Reddy in his welcome speech lauded the sincere efforts made by the students during their journey with the college and called upon them to utilize their full potential. Chief Guest Prof. R. Limbadri, delivered an inspiring speech by highlighting the importance of education and the role of students in shaping the future. He applauded the student's performances for their creativities and also congratulated the faculties for their achievements.

Guest of Honour Prof. S. Ramachandram in his address, appreciated the College from every aspects starting from academics, literary, sports and co-curricular activities. He spoke about the new education policy and urged everyone to embrace the change and not oppose it. He encouraged the students to turn ideas into solutions which nowadays people term it as Innovation. Shri. Laxminarayana Jannu, the guest of honour, motivated the students to be hungry for success and competition. He mentioned about Hyderabad being one of the best places for employment opportunities and urged each

and every student to take up the challenges.

The annual awards were announced by Vice-Principal Mrs. Jayanthi Reddy, prizes were distributed to students who excelled in academics, sports and co-curricular activities encouraging the hard work of students and their efforts towards their holistic development. The faculty were also awarded recognising their efforts in achieving hundred percent results in their respective subjects.

Students showcased their talents in dance, music and drama with scintillating cultural performances. The program ended with a Vote of Thanks which was followed by the National Anthem. The Annual Day celebration brought together students, faculty and staff, to celebrate the achievements and hard work of the previous years. It showcased diverse talents of students and provided a platform for them to exhibit their skills and creativity in an innovative way. It was a proud moment for Little Flower Degree & PG College and its community, and a testament to the hard work and dedication of its students, faculty, and staff.

Seminar on Cyber Security

Management of Little Flower Degree and PG College organised a seminar on CYBER SECURITY by the Central Detective Training Institute (CDTI), Ramanthapur on 04-05-2023 , Hyd. The Guest Speaker Mr. SANDEEP MUDALKAR Cyber Crime Forensic Expert, Investigator and Consultant to Hyderabad Cyber Cell.

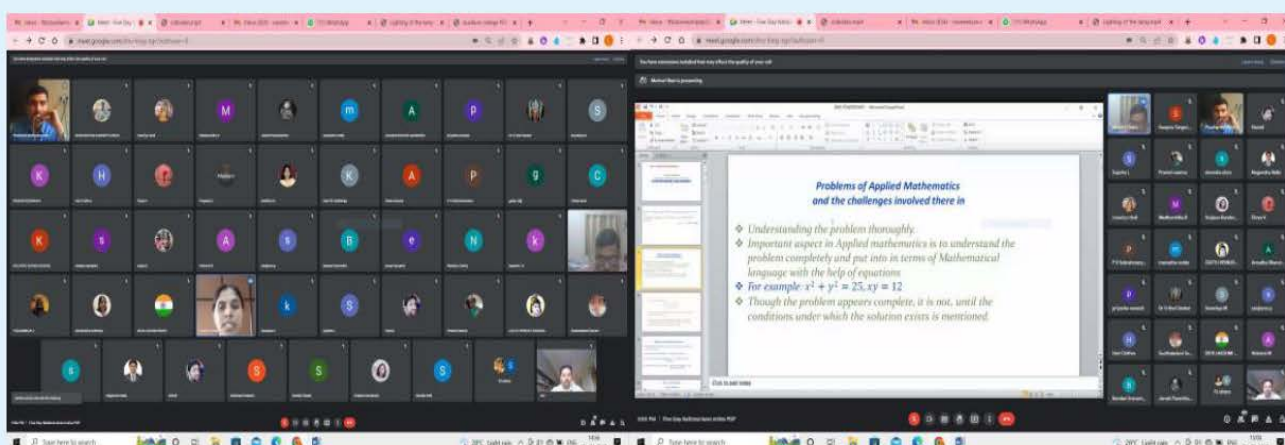

The speaker Mr. Sandeep Mudalkar explained advantages and disadvantages of social media,

Don't use the social media unnecessarily for posting videos and photos, hackers will miss use that data especially girls. If you have got any messages from

A Five-Day National Level Online PDP on "Writing Research Articles"

A Five-Day National Level Online PDP on "Writing Research Articles in Mathematics & Statistics" was jointly organised by the Department of Mathematics, Little Flower Degree College, Uppal, Hyderabad, Telangana & PG, and Research Department of Mathematics, Auxilium College (Autonomous), Gandhi Nagar, Vellore, Tamil Nadu, from 26.09.2022 to 30.09.2022.

Field Trip to Birla Planetarium

The Department of Mathematics organised field trip to Birla planetarium on 16-11-2022 with second and final year BSC students. It was an enlightening experience for the students. In the first session students watched the video regarding the Solar System, Galaxy of stars in space, Kalpurush of the stars which was recognized by our ancient scientists and also Magentta a group of stars dizzling and forming the shapes in the space. They also showed about the planet Mars and thechance of existing life on the planet Mars. The videos were outstanding and very informative for the students to improve theiknowledge.

Two-Day Faculty Development Program

Mathematical and Computational Fluid Dynamics using Matlab Mr. M. Prashanth, Mrs. T. Swapna participated in two-day Faculty Development Program on Mathematical & Computational Fluid Dynamics using MATLAB. The speaker for the first day was Prof.N.Kishan ,Head, Department of Mathematics ,Osmania University, Hyderabad. He explained the basics of Fluid Dynamics & Boundary Layer Equations then he also explained how to convert the partial differential equations to ordinary differential equations by using similarity transformations.

MATLAB

The Department of Mathematics organized a certificate course on “MATLAB” from 4-8-22 to 6-8-22 at LFDC Computer Lab. The resource person for this certificate course is Prof. K. Srinivasa Rao, HoD, Department of Mathematics, SCSVMV University, Kanchipuram, TamilNadu. First Day was started with blessing of almighty god followed by brief introduction of resource person

Prof. K Srinivasa Rao.He started a session with Definition of MATLAB and basic operations in MATLAB. He explained in detail about all the windows in MATLAB, he gave an assignment to solve problems to understand the basic concepts in the MATLAB course.

Math Tambola

The Department of Mathematics conducted "MATH TAMBOLA" as a part of Intra Collegiate competitions on 3rd & 4th November, 2022. The students from different groups participated and showcased their skills by solving the questions in given time. In this event organizers gave house tickets to the participants and questions were given in the form of expressions with some logic behind it. Students have to crack the questions by converting the expressions into numerical and solve them to get the answers and those who complete the full house will be awarded as winner and runner.

Computer Science

The Department of Computer Science has Organised a 2-Day Workshop on "Effective Interviewing Skills" on 13th and 14th september 2022 for B.sc & B.com Final Year Students in the Monfort hall The session of the two days' workshop was addressed by Mr.Rajasekhar Bandi who is the currently SAP BCM trainer with 14 years of Experience in software industry He began his session by focussing on the basic concepts All effort was made by the Speaker to coordinate the Instruction so that all participants would be feel free during the workshop sharing of ideas and issues during informal or non-workshop related things

**Mr.Rajasekhar Communicating with students
A Group Photograph with Mr.Rajasekhar & team**

"Pro's and Con's of Data Privacy"

This Report is About Debate on "Pro's and Con's of Data Privacy" for all B.sc Ist years on 25th November 2022 at 10:40AM. This Debate is Organised Excellent. All B.Sc First year students attended this on 25th November. This program is conducted as an interactive session, students raised so many points about Data Privacy and they gave more ideas about how to secure the data.

Students Actively Participating in Debate

Elocution on Father of Computer Day

This Report is About "Elocution on Father of Computer Day & Computer Literacy Day" is Organised by Dept of Computer Science On Date:02-12-2022 at Time:10:40 am to 11:30am in Little Flower Degree College.This Elocution is Organised Excellent. All B.Sc First year students attended this on 2nd December 2022. This is conducted on the Occasion of " Father of Computer Day" and "Computer Literacy Day". Students are showing more interest in this type of program.

Student Participation in Elocution

Poster Presentation

Department of Computer Science has organised an Poster Presentation Competition in karunya Court at 10:30am for secondhand final year students on the theme Robotics or Machine Learning A total of 8 teams participated in the competition. The whole event was conducted with great zeal and enthusiasm. Every team came out with new creativity and ideas. It was a proper blend of technologies and its Consequences.

**Rev. Bro. Vincent Reddy, Principal
Listening to the Presentation**

**Mrs. Jayanthi Reddy, Vice Principal
Viewing the Posters**

**Lectures of Lfde sharing their ideas related to poster
Students Explaining to their friends**

Seminar

The Little Flower Degree College has organised a Seminar in Room No. D03 at 2pm for all the Faculties on "Smart Board". The Guest speaker, Mr. Pradip G Kalshetty from Senses, Team Lead Product Training. A total of 36 participated in the Seminar. The Seminar was conducted with great zeal and also Speaker is more Interactive.

National Science Day

On the Account of National Science Day, The Department of Computer Science in collaboration with the LIFE Club, Organised a Social Outreach program on 27-02-2023 & 28-02-2023.

Day1:

Our Students visited The Govt school, MPPS Ambedkar Nagar and enhanced the students with Basics of Computers and made them understand about importance of computers. 3 Faculty along with 7 volunteers visited the school and made them learn about Functionalities of computers. The Session is more Interactive and Informative to the students.

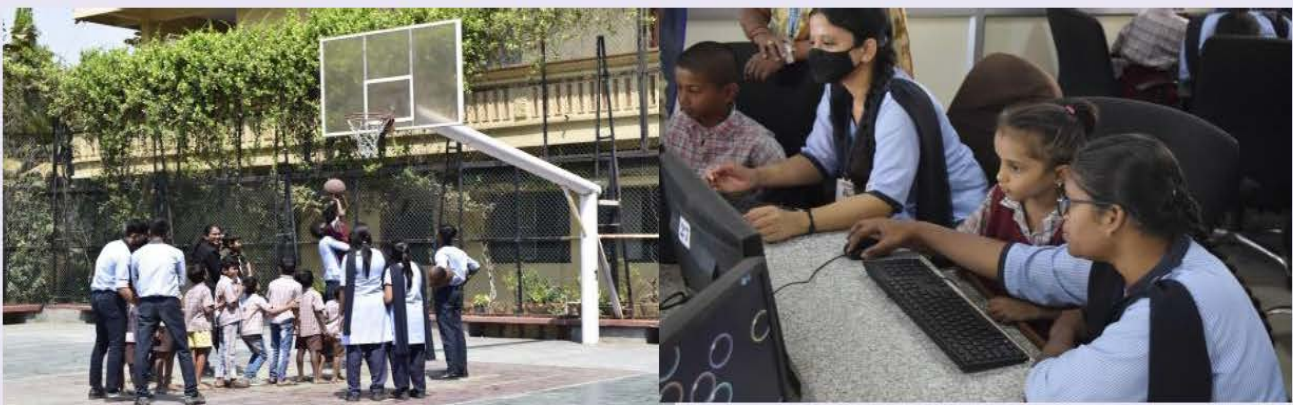

Students From Little Flower, Visited Government school to make the learn about basic of Computers

Day2:

The government school, MPPS Ambedkar Nagar school students visited our College Campus and got hands-on experience in the computer lab. The students enjoyed the snacks provided and played for a while in the playground.

It was a wonderful program .

**Government School Students visited Little Flower Campus
& participated in fun filled Activities**

The Department of Computer Science has organised a Field trip as a part of Educational Tour to De Paul College, Mysore on 29-09-2022

Dr. Bajju Antony, Principal, De Paul College, Mysore received the students of LFDC and had an interactive session with staff and students who visited their college on Invitation. The Session was Conducted by the Principal who spoke about the College, right from its Inception, Infrastructure, Committees, Programs, Groups and Achievements. Principal interacted with the students and the Faculties. Little Flower Degree & PG Thanked De. Paul College for the Cooperation and Hospitality with a promise to take the Collaboration between the two Colleges

The Department of Computer Science has organised Cpu Assembling Competition as a part of Intra collegiate competitions on 03-November-2022 held at computer lab in Little Flower Degree & PG College.

The Competition started at 1:40pm with registered students

The rules for the competition were very simple in which the registered students had to Re-assemble the CPU in a stipulated time.

Techno Quiz Competition

Department of Computer Science has organised Techno Quiz Competition on 28th July 2022 at 2pm in Online Mode, students of Little Flower Degree College and De Paul College Mysore were participants in this Competition .It was a time bound Competition and Registered Candidates attended the Quiz through the link shared to their Email, There were 3 Rounds in which Quiz1, has 10 questions of MCQ about Famous Personalities followed by Quiz 2 has 10 Questions of MCQ(Abbreviations) and Quiz 3 has 30 MCQ (Identification of Logos). The Competition aimed to promote the Winner. There were 69 Participants.

2-Day Workshop

Department of Computer Science, Little Flower Degree College, Uppal in collaboration with St. Ann's College, Mallapur organised a workshop on 24th & 25th March 2023 on the topic Next Generation Computing.

Day 1: Timings: 10 to 2 pm Venue: St. Ann's College for Women, Mallapur

Speaker : KTSN Vaishnavi, AI, Data Scientist, Turing Minds. guided students with confidence. Students of Little Flower visited St. Ann's College campus effectively participated in one-one communication. The speaker gave guidance in Artificial Intelligence and Machine Learning.

Day 2 : Timings 8:30-12:30pm Venue: Little Flower Degree College, Uppal

Speakers: Mr. Sai Vamsidhar Maddali, Network engineer, OSI Digital, Hitech City

Mr. Vijaya prakash Putta, SOC Analyst, OSI Digital, Hitech City. guided students in networking and cyber security. Students of St. Ann's college, Mallapur visited our campus and had an opportunity to interact with fellow students.

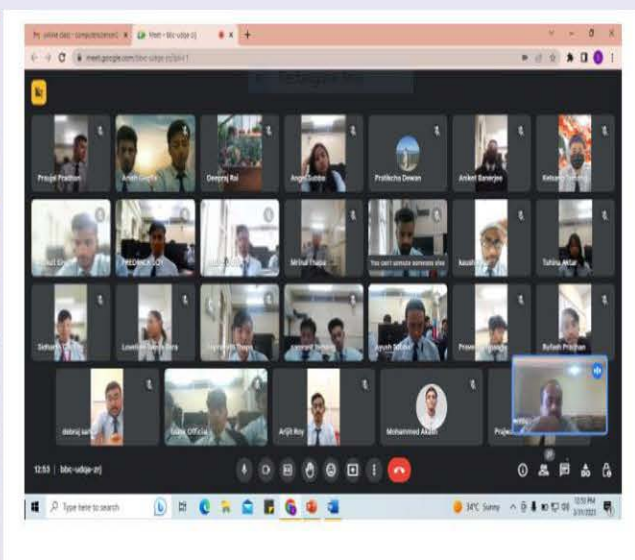

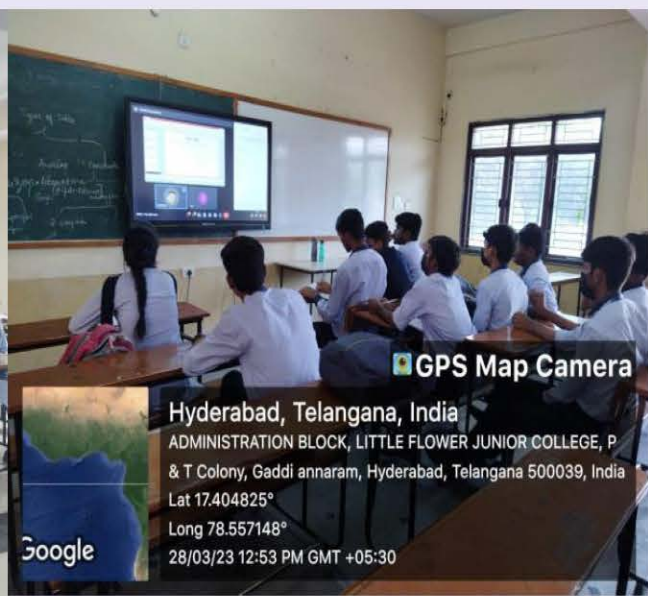

Computer Science

The Department of Computer Science in collaboration with Salesian college, West Bengal, organised a Faculty Exchange program from 25/03/2023 to 03/04/2023.

Mr.Vijay Bhasker, Lecturer, Dept of Cs Little Flower Degree college, Explained about Database Management Systems to Selstian College students

Mr.Abhijit Dey, Lecturer, Dept of CS, Selestian college Explained about Core Python Programming to our student

The Department of Physics and Electronics has organised a field trip to "Tibrewala Electronics LTD, BHEL Ancillary Industrial Estate, Hyderabad "on 3/8/2022. Students of III MPCS, MPC, MECS accompanied by Ms. Nagalakshmi, Dept of Electronics and Ms. Shajahan Begum, Dept of Physics attended the field trip.

INTRA COLLEGIATE COMPETITIONS

The Department of Physics conducted Intra Collegiate Literary competitions on the topic "QUIZ-INVENTIONS AND DISCOVERIES IN SCIENCE" on 3/11/22. 25 groups from different classes participated.

Inter Collegiate Literary competitions

Alan Turing club has conducted Inter Collegiate Literary competitions for Junior colleges on 6/12/22. As a part of the competition two events were conducted

1.. Quiz 2. Tambola

Students from various colleges have participated in the event.

Inter Collegiate Literary competitions

Alan Turing club has conducted Inter Collegiate Literary competitions on 5/12/22. As a part of the competition two events were conducted

1.. Quiz trivia 2. Treasure trove

Students from various colleges have participated in the event.

Field trip

The Department of Physics and Electronics has organised a field trip to “Tibrewala Electronics LTD, BHEL Ancillary Industrial Estate, Hyderabad” on 3/8/2022. Students of III MPCS, MPC, MECS accompanied by Ms. Nagalakshmi, Dept of Electronics and Ms. Shajahan Begum, Dept of Physics attended the field trip.

PowerPoint Presentation

The Department of Electronics has organised a PowerPoint Presentation on the topic ‘Any Block of TV or Computer. On 03.11.2022 at 10.40AM in D22. Students have presented on various topics related to computers and TV. This event was organised to let the students understand the various hardware parts of computers as well as TV and their working. Students enthusiastically participated in the event.

The Department of Electronics has organised a technical session on ‘INSIDE TV & CPU’ ON 18.08.2022. The session was delivered by Mr. Harish Kumar, General Manager, Novotta Technologies Pvt. Limited. The session provided an insight into the function and importance of various building blocks that constitute CPU and TV.

Field Trip to Survey of India

On 28 February 2022, the students of M.Sc.(Statistics) went for a field trip to Survey of India on the occasion of National Science Day. The theme was “Integrated Approach in Science and Technology for a Sustainable Future”. Students went to the field trip to witness the exposure held by the Survey of India on the occasion of national science day. The objective of the trip was to get to know about the various dimensions that we have in the Survey of India in terms of their research and to get exposure on various subjects projected by them.

National Statistics Day

On the occasion of national statistics day, on 29th of June 2022, a guest lecture was held for the students of M.Sc. (Statistics). Dr.ChandraSekhar Reddy, associate professor, CMR institutions, Hyderabad was the guest lecturer. The presentation started around 10.30 am and continued till 12 noon. The topic was “Multiple Linear Regression” and the concept was explained in detail. Post the lecture, the concept on how statistics can open doors to many opportunities was discussed. The guest lecturer was kind enough to encourage doubts not only regarding the topic but also on the general topics of the subject.

Intra Collegiate Competitions

The Department of Statistics conducted Intra Collegiate Competition "Essay Writing" on 03rd November 2022. 26 students from different departments were participated.

Workshop on python

An online three day workshop on python programming for the students of M.Sc. (Statistics) was conducted from the 19th of July to the 21st of July 2022 within the college premises. The department of statistics hosted it and the guest lecturer Ms. Shushma, a currently working data analyst. The workshop was conducted through Google meet and all the students actively participated.

Below the code, the text "Importing a dataset" is visible. At the bottom, a Windows taskbar shows the date as 29-07-2022 and the time as 09:10. A watermark "Sushma is presenting" is visible in the bottom left corner.

Breast Cancer Awareness

The Department of Zoology organised an awareness program on Breast Cancer to commemorate the Breast Cancer Awareness month 2022 on 27th October 2022 in Montfort Hall. Dr Ashish Chauhan Senior Consultant, General Medicine and Dr. Vijay Karan Reddy, Oncologist, Apollo Hospitals Jubilee Hills, Hyderabad were invited to create awareness to students and the faculty members about Breast Cancer. The guest speakers gave a description on cancer, its incidence,

risk factors, the population at risk, symptoms, precautions to be taken and also stressed on

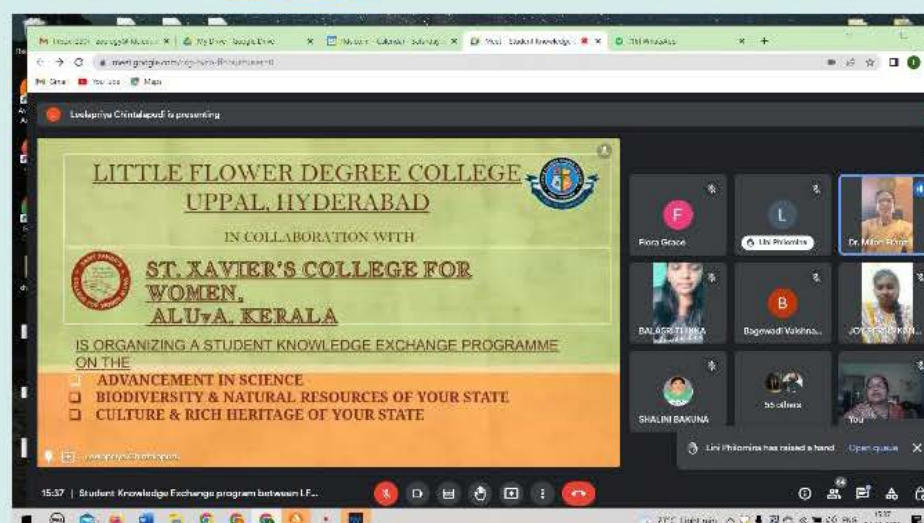

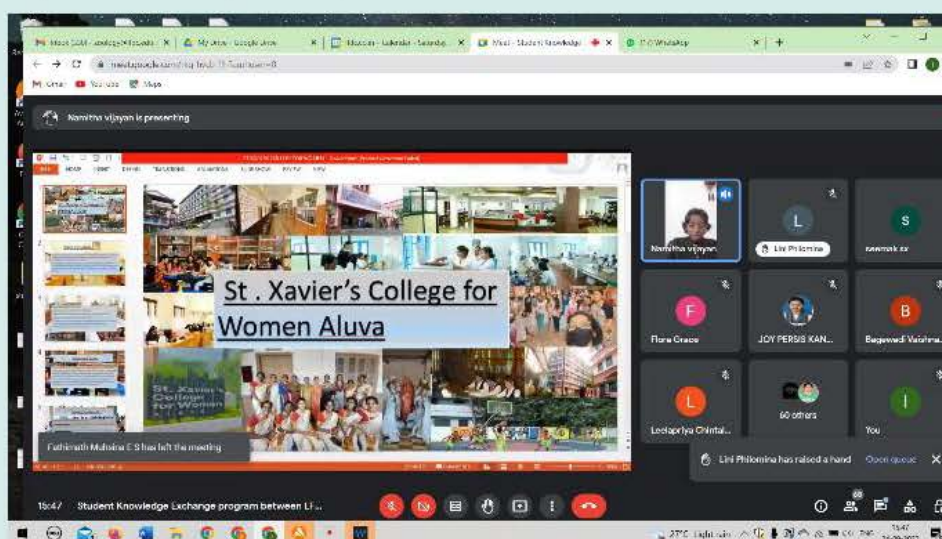

daily routine self-examination to avoid the risk of malignant tumour growth in breast. The role of diet, exercise, stress free mental health, avoiding smoking and alcohol was also discussed with the audience. The speakers elucidated on the diagnosis, treatment, advances in mammography and self-examination for breast cancer. The students and faculty had an interactive session with the Doctors

and had a fruitful knowledge gain on the debilitating disease. The overall outcome of the session was to provide information and create awareness about breast cancer which is quite neglected by everyone due to shyness. Early detection, a new personalised approach to treatment and a better understanding of the disease can reduce the severity of the disease and a steady decline in mortality rate finally to live a healthy and disease free life.

Online Webinar on Student Knowledge Exchange program

An online Webinar on Student Knowledge Exchange program – Science and Biodiversity in the two states of Telangana and Kerala was organised in collaboration with MOU college, St. Xavier's College for Women, Aluva, Kerala on 24th September 2022, 3.00- 5.00 pm. The students of both the colleges had an excellent opportunity to interact and present information on Heritage, culture, Biodiversity and science in the two states. Little Flower Degree & PG College students Sravya Reddy and Balasri of BSc BZC III presented on Science development with the title- **Stem cell as regenerative medicine, Darahasa of BSc BZC III on Biodiversity of Telangana state, Vaishnavi of BSc BZC II on Culture and Heritage of Telangana**. St Xavier's College for Women, Kerala students Namitha Vijayan and Alna Katherin spoke on Kerala culture, Anju Mohan and Nadhiya Hussain on Biodiversity of Kerala. The students of both the colleges interacted, shared their knowledge on culture, heritage, Biodiversity of the two states and also on the scientific developments that help humanity. The overall outcome of the session was very interesting, informative and they had an opportunity to know about the states that are rich in diversity but still unity is their prime motto.

One-day training program on Environmental monitoring

On behalf of Zoology department, BZC students attended a “One-day training program on Environmental monitoring” at CSIR-NEERI, IICT campus, Uppal, Hyderabad on 22 September 2022 to commemorate CSIR Foundation day. CSIR foundation day is celebrated by all CSIR labs to bring the importance of Research oriented programs. P.Chanakya, K. Darahasa & Balasri of BSc BZC IIIrd year and Vaishnavi BZC II yr students attended the one day training program at NEERI. The overall outcome of the session was very informative, interesting and the students had an excellent opportunity to have first-hand experience in research work carried out in NEERI and also gained knowledge on various research activities going on in assessing the pollution check of water and air.

World Ozone day celebration

Faculty of Dept. of Zoology and BZC students attended “World Ozone day celebration” that was organised by Botanical Survey of India (BSI), Ministry of Environment, Forest & Climate Change, Govt. of India on 16th September 2022, 10.00 am. The theme of the year 2022 is “Montreal Protocol@35: Global cooperation protecting life on Earth”. The United Nations General Assembly adopted resolution in 1995 and proclaimed 16th September of every year to be observed as World Ozone day to create awareness on the depleted Ozone layer and the remedial measures that has to be followed. Botanical Survey of India conducted seminar and power point presentation competition for students in which various colleges in Hyderabad participated. Darahassa, Chanakya and Flora Grace of BSc BZC III and Prerona of BZC II presented power point presentation on the Montreal protocol, the substances that deplete the Ozone layer and the remedial measures that has to be taken to reduce the damage. LFDC bagged the first prize for PPT presentation. The overall outcome of the session was very interesting, informative and the students had an opportunity to interact with the Scientist and

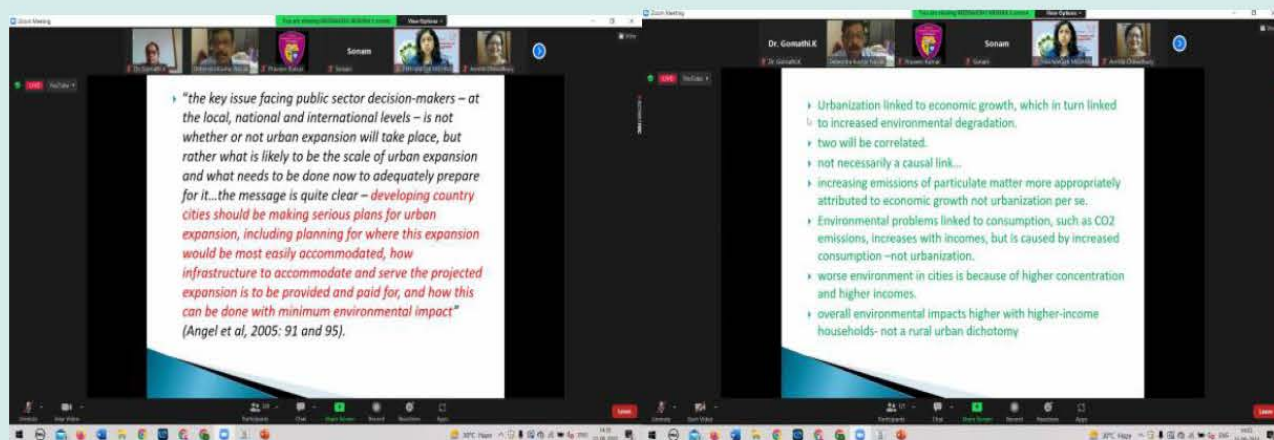

International Web Conference

Dr. Gomathi.K Assistant Professor from Department of Zoology attended and presented a paper titled “A survey on public awareness on urban environmental factors on the incidence of Dengue infection” in International Web Conference- “Understanding Urban Ecosystem and moving towards sustainability” organised by Dept. of Geography, Patna Women’s college, Patna University, Patna, Bihar in collaboration with Loreto College, Kolkata, University of Calcutta, Kolkata, West Bengal on 22nd August 2022. The authors are Dr. Gomathi.K*1, P. Jayanthi Reddy1, P.Chanakya2, K. Darahasa2 & Flora.

An online Google survey was carried among Science and non- science background students about the incidence of the disease Dengue. It was observed that the non-Science students had basic knowledge about the disease and their counterpart Science students were ahead in their knowledge about the management and incidence of Dengue. A power point presentation was presented by Dr. Gomathi in the International Web Conference on 22nd and she emphasized on incidence related to the environmental changes.

The overall outcome of the session was very informative and the students had an opportunity to gain knowledge on various research activities going on in different parts of the Country.

Department of Botany celebrated Van mahotsav 2022 to create awareness about the ancient Forest festival which was started in 1950 by K.M.Munshi the then Union minister for Agriculture and Food to create enthusiasm among masses for conservation and planting trees. As a part of creating awareness students from II BSc BZC have presented a Review video on "Impact of forest fires on environment" and also displayed different recycled products. Students from III BSc BZC performed a talk show on various themes of Environment conservation. Plantation drive was organized in karunya court of the campus.

Certificate Course

The Department of chemistry conducted a certificate course for first years of all group of life science students on the topic "Chromatography and basic Techniques in molecular biology". in collaboration with 'Make Intern E-Cell(IIT Kharagpur)'. The program was conducted from 24th to 28 th FEBRUARY 2023. Dr.AKASH was the Resource person of the programme. Mrs.M. Rama devi coordinated the entire programme. In this certificate course students learned about chromatography and basic techniques in molecular biology. Chromatography is a technique which is used for separation, identification and purification of mixture. They also learned about different types of chromatographic techniques like TLC, paper ,column,HPLC and gas chromatography and their working principle. And also hands on training in TLC AND PAPER chromatography, and demonstration of column chromatography. they also learned about polymer chain reaction which is a technique to amplify and visualise the DNA. Students have been taken to toM2 labs where they are shown various instruments used in the lab.

Dr,Akash Resource person interacting with the students.

Mrs.Ramadevi introducing the contents of certificate course programme.

Faculty exchange programme

Little flower degree & P.G. college, Uppal in collaboration with Carmel college(AUTONOMOUS)Mala,Kerala.conducted a two day Faculty exchange program by the Department of Chemistry on the topic: 'medicinal chemistry. from 28th- 29th april, 2023.It is on line programme.

The faculty exchange program is a mutual, inter-institutional agreement with the exchange of expertise and services for each other.

Two faculty members from the Department of Chemistry conducted classes for the students.

Mrs. Ramadevi from the chemistry department at LFDC gave a lecture on the "ADME PROCESS" on the first day, and Dr. Princy K.G, an associate professor from the chemistry department at Carmel College(AUTONOMOUS) in Mala, Kerala, gave a lecture on the "Route of administration" on the second day.The presentation was intended for all chemistry undergraduate students.it is conducted with the goal of exchanging and learning from one another's systems on curriculum and pedagogy in the field of education.

The faculty of both colleges responded favourably to both sessions, which were a great success.

Field Trip

Venue: CHAITANYA DEEMED TO BE UNIVERSITY, WARANGAL

The Department of chemistry organized a field trip to undergraduates of II and III years of BtMiC, BZC and MPC . The Field Trip was conducted on 26th August 2022. Working of various instruments like fuming hood, shaker, cooling centrifuge, HPLC, UV-Spectroscopy were demonstrated.

Tablet Making machine and tablet color coating machinery were also shown. They have practically gained the knowledge in working of the instruments. It was a great experience for them.

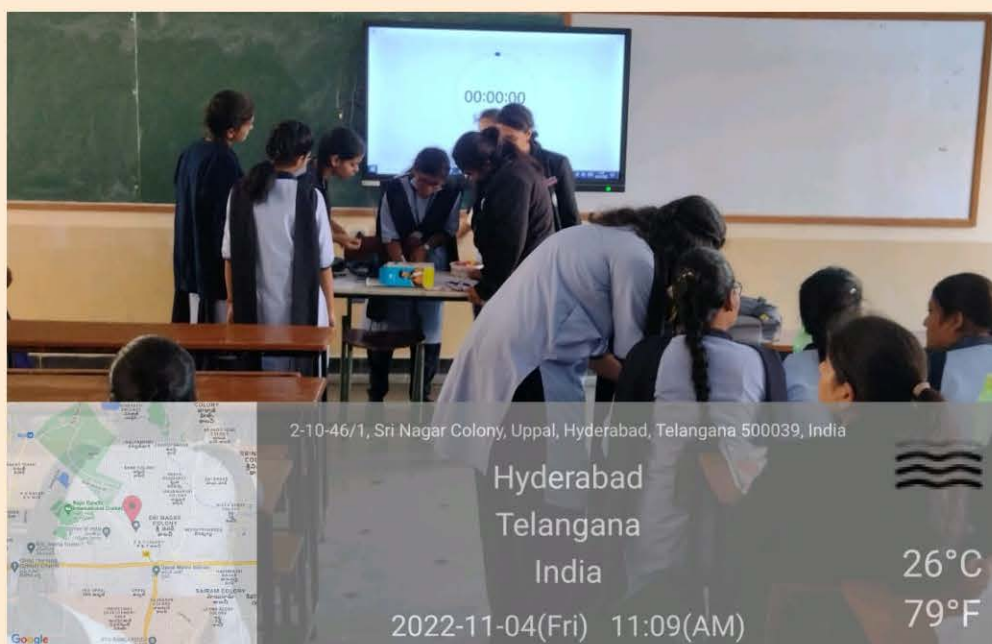

students keenly observing tablet maker

Students at UV-spectroscopy

Intra College Competition "Chem-O-Whisper"

On 4th of November the department of chemistry conducted an intra collegiate competition on Chem-O-Whisper.. In which students in a team of two were asked to play, One member of the team will be given headphones with high volume and other members should be given a list of names of chemistry molecules and named reactions to enact. .it was memory,Playing encourages imagination and creativity.enhances non-verbal communication skills. 80 students participated and there were winners too. It was judged by a few volunteer organisers and faculty of the chemistry department. Over all it was a successful event

Students are enhancing their non-verbal communication skills at chem-o-whisper.

Students are very busy with their creativity

Ozone Day

Students Exchange Programme

St. Ann's College for Women (Autonomous)
Affiliated To Osmania University, Accredited 'A+' Grade by NAAC (3rd Cycle)

Department of Chemistry

Jointly Organizes

Five- Day Student Exchange Program

From 14th to 18th November 2022

- 14/ 11- Nobel Prize 2022
- 15/ 11- Chemistry of mmm.. & ymm ..
- 16/ 11- Recent Trends in Development of Chemistry
- 17/ 11- Green Chemistry - Sustainable Development

18/ 11 Title: Chemistry- Resolving Mystery

Guest Speaker

Dr. T. Sowmya

M.Sc. PhD

Assistant Professor, Osmania University

Venue- A.V. Room

The Department of Biotechnology, Little Flower Degree & PG College organized a fieldtrip for the Biotechnology students of Bsc Life Sciences to Atlantis Phytotech, Hyderabad on 17 April 2023. It was an informative and valuable experience for the students as they had the opportunity to observe and learn about cutting-edge research and technology in plant biology and biotechnology. They saw the firsthand different techniques used in plant breeding, genetic modification, and tissue culture, as well as gained insights into the commercial application of these technologies. Overall, the field trip provided students with a practical and hands-on experience, reinforcing their classroom learning and inspiring their curiosity for the subject matter.

Intra-collegiate Cultural & Literary Events

As part of the LFDC Intra-collegiate Cultural & Literary Events, a Biotechnology event was conducted on 03 November 2022 [picture (1) showing the schedule attached]. This event included an Essay Writing Competition on the topic "What in your opinion is Biotechnology all about". It was planned to have one First prize, one Second Prize and two Third prizes. For this event registration was not a mandatory requirement, as it was planned to have a walk-in Essay Writing Competition to encourage maximum participation. The venue was fixed as room P-22 on the second floor in the LFDC building.

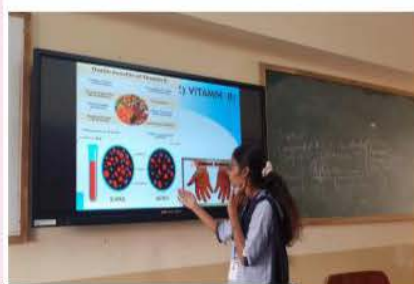

Open day visit to Osmania University

The Department of Biotechnology at Little Flower Degree & PG College recently organized an open day visit to Osmania University on 25 April 2023, for their BSc students. The purpose of the visit was to expose the students to the world-class facilities and resources available at Osmania University, which is renowned for its excellence in science and technology. During the visit, the students were given a tour of the university campus, including the laboratories and research facilities in the Department of Biotechnology. They were able to interact with faculty members and research scholars who provided them with insights into the latest advancements in the field of biotechnology. The visit was also an opportunity for the students to learn about the various postgraduate programs available at Osmania University and to explore the possibility of pursuing higher education in biotechnology. The faculty members at the university also shared information about the various scholarships and funding opportunities available for research and higher education in the field.

PowerPoint presentation competition

The Department of Biotechnology at Little Flower Degree & PG College organized a PowerPoint presentation competition for their BSc Life Sciences students. The competition aimed to provide a platform for students to showcase their research and presentation skills, and to encourage them to explore new ideas and concepts in the field of biotechnology. The competition was open to all BSc Life Sciences

students, and participants were required to create a PowerPoint presentation from given topics. The presentations were judged on a number of criteria, including content, clarity, organization, creativity, and overall impact. The competition was a great success, with many talented students participating and presenting their research on a wide range of topics, such as genetic engineering, stem cell research, and bioinformatics. The judges were impressed by the high level of quality and creativity displayed in the presentations, and the winners were awarded prizes and certificates for their outstanding performance.

The Serb Symposium

The Serb Symposium is an event organized by SRM University, Hyderabad which was taken part by the Bsc Life sciences under the Department of Biotechnology, Little Flower Degree & PG College. The symposium aims to provide a platform for students to present their research work and interact with experts in the field of biotechnology. The symposium is supported by the Science and Engineering Research Board (SERB), which is a statutory body under the Department of Science and Technology, Government of India. The SERB provides financial support to promote and facilitate research in various fields of science and engineering. The Serb Symposium is a great opportunity for students to showcase their research work, gain valuable insights from experts in the field, and network with peers and industry professionals. The symposium typically features keynote speeches, research paper presentations, and panel discussions on various topics related to bioechnology.

Biotechnology event

As part of the LFDC tradition, a Biotechnology event was conducted on 24 August 2022. Originally, a series of lab events were planned wherein the students would, by the end of the academic year, have generated a product or a report. However, owing to a paucity of time, the event was modified to a technical session on Scientific writing. Also, since the time was less, note that the author of this report joined duties only in the month of July 2022, many of the distinguished Biotechnologists expressed inability to come/conduct an event/activity at such a short notice.

The Department of Microbiology organised a field trip for undergraduate students of II and III years of B. Sc., BTMC. Students and Staff attended a session on Intellectual property rights given by Prof. Christopher, Dean of Research and Development. Students visited various labs including Microbiology, Biotechnology, and pharmacy on 26th August 2022. In the Department of Microbiology ,maintaining mushroom cultivation units were shown, and various instruments and microorganisms' cultures maintenance were also shown. Instruments like shaker incubator, cooling centrifuge, HPLC, and UV-Spectroscopy were demonstrated. Tablet Making machines, and tablet colour coating machinery were shown in the pharmacy. Students gained knowledge of various instruments. It was a great experience for them.

Article Writing and Paper Presentation

The LENVIN CLUB organized awareness sessions on “Article Writing” and “Paper Presentation” for undergraduates of II and III years from all streams. The program was conducted on 20th JULY 2022. Students demonstrated their understanding of allied themes of Green Building Technology for Environment Sustainable Development. The interactive sessions indicated that the student gained exposure and understanding of various emerging topics such as the role of Green Building concepts in making smart, green, and vibrant cities in the era of urbanization. Students highlighted the importance of best practices for avoiding adverse impacts of urbanization on the environment. Overall, the sessions sensitized students about the

Microbial Omics

The Department of Microbiology organized an online webinar workshop on “Microbial Omics” in collaboration with the Department of Microbiology, Silver Jubilee Government Degree College, Kurnool, for undergraduate Life Science students on 17th August 2022. Dr. Raga Sudha from Government City College was the resource person for the webinar. The webinar workshop on MICROBIAL OMICS gave a broad introduction to some of the key concepts of ecology, evolution, and the functioning of naturally occurring microbial populations. The advances in molecular and computational approaches to naturally occurring microbial communities through new ‘omics strategies. The webinar workshop developed an overall understanding of strategies in computational solutions, appropriate tools, and their practical applications. The interactive sessions indicated that the student gained exposure and understanding of various tools and advanced software used for Bioinformatics and Microbial Omics. Overall, the sessions sensitized students about the significant developments in Bioinformatics and Microbial Omics. The students were asked to write up a small paragraph about the tools and techniques learned in the session. The session was concluded with a vote of thanks.

Oral paper presentation

The Department of Geography, Patna Women's College, Autonomous, Patna University In collaboration with Loreto College, Kolkata University of Calcutta, Kolkata (West Bengal) Organized Three Day International Web Conference on Understanding Urban Ecosystem and Moving towards Sustainability August 22nd and 24th 2022. Mrs. J. Usha Rani, Head and Assistant Prof from the Department of Microbiology participated, submitted abstract & full length paper and presented Oral paper presentation on 23rd August 2022 on topic A Perspective on Sustainable Development and Environmental Education .

Applications of Research-based pedagogy in water microbiology and Waste Management

Mrs. J. Usha Rani from the department of microbiology was invited as a resource person for Water and Waste Management International Conference & Expo 2022, Thailand, under Water Treatment and Quality track 2. The topic presented was Applications of Research-based pedagogy in water microbiology and Waste Management from 2:30 to 3:20 pm on 16th JUNE 2022. In the presentation how a project done by B.Sc. final year students of Little Flower Degree College, Uppal Hyderabad were trained in Bio enzyme produce and check various parameters to treat polluted water was explained. Conversion of wastewater into effluents that are suitable to be returned to the water cycle with minimum impact on the environment is a key aspect of water management. The water quality index determines the survival of aquatic systems. To provide current trends and developments in Water Treatment Technologies, the session is designed to integrate emerging concepts on augmenting water quality for sustainable management, and water conservation with reuse and recycling strategies. The other sub-themes of the conference are Water Resources Management, Education and public awareness for water management, Innovation, and Business Opportunities, and The Royal Initiative and Chonlakhorn.

National Seminar on "Ascent of Microbiome Research for Nutrition and Health"

On the Occasion of World Microbiome Day June 27th, 2022, the Department of Microbiology, Osmania University, Hyderabad organized a Day National Seminar on "Ascent of Microbiome Research for Nutrition and Health" and the venue is Auditorium, PGRRCDE, Osmania University, Hyderabad. Mrs. J. Usha Rani, Head and Assistant Prof from the department of Microbiology participated and presented a video presentation on the topic of Microbiome – Fermented Food along with my colleague Ms. Rama Devi, Head and Assistant Prof from the department of chemistry.

World Commerce Day in India is celebrated on 1st August, 2022. To Commemorate this event the Department of Commerce, LFDC inaugurated its commerce Lab which was inaugurated by the Correspondent and Principal of the college Rev. Bro. Vincent Reddy and vice principal Ms. Jayanthi Reddy.

The event commenced by Ribbon cutting by the principal followed by invocation of the blessings of the almighty. Aaron Benson and Manoj from III B.Com(GEN) led the gathering into prayer. Catherine from III B.Com CA was the master of ceremony who welcomed the Principal, Vice principal, members of the faculty and students for the event.

Higher education counselling

The Department of Commerce has organised a seminar in the Montfort hall for higher education counselling on “WHY MBA?How does MBA add value to the career? “ for B.com Final Year and second year students on 17th of August 2022. The resource person for the session was Mr. V. Srinath, Associate Director-Academic Operations, Indian School of Business, Gachibowli. Students were enlightened on the subject and also were given tips regarding the important aspects to be taken care while choosing MBA colleges . He also talked about the qualities which are important in professional life. He clarified the doubts and also made it more interactive by involving students during the seminar

Students enjoyed the seminar and gave positive feedback on the lecture addressed.

LEARN TO EARN

On 4th of November 2022 students of LFDC came together to rekindle their talent as entrepreneurs. There were 12 stalls with different kinds of food and games. The students have experienced a new learning as they have implemented their strategies to earn profits. The students seemed to have a healthy competition as all of them seemed to

pick up the tab. The food stalls indicate the mixture of tastes made available in one place. In the game stalls the students took a keen interest to participate and encouraged one another to do so. The idea of stalls was a one-stop destination for practical learning and entertainment. The flow of both fun and learning had gone together. The students dispersed with a sincere hope that such events should be organized time and again as their talent never goes unseen.

Project work

This Project work was assigned to the students of B.com. The students from First, Second and Final Year of B.com have participated in this project work. This was a group activity. The Duration of the Project work was for 15 days. There were 16 teams as participants. The students along with their group members went to various stores and spoke to management regarding the working procedures, turn over, employee details, and Sales of the store. The chosen stores were, Reliance Smart, D-Mart, Unlimited, Choudhary Plywoods, KFC, PistaHouse, Auberry, Decathlon, Pet store etc.,

Sudha Car Museum

Students of Luca Pacioli Commerce Club Visited Sudha cars museum situated at Bahadurpura Hyderabad on 5th of August 2022 at 10:00 am. There were cars shaped in various forms such as sports equipments, cage, caterpillar, Chess board, coffee mug, Hand purse, Stationary and books, Make-up, Bride and jewellery shaped car, Coronavirirus shaped car was also there. Miniature models of other famous vintage cars

and the cars used during the 2nd World War were placed on display. The students experienced the manufacturing of model cars in a small workshop. It was a unique type of museum which gave motivation to students to think innovatively and create something new.

We started the event with a prayer by Shriya from BBA - 2B and then Speaker profile reading was done by Akhil from BBA - 3, then the Speaker has started the session with giving information regarding IPOs, NFOs, Types of Mutual Funds, SEBI categorisation of mutual fund schemes and so on. It was an informative session on the Mutual Fund Backend operations.

Then our respected Vice – Principal Madam, Jayanthi Reddy has felicitated the speaker with a memento and later we all have closed the session with a Vote of Thanks speech by Gayatri of BBA – 2B.

visited IMT Hyderabad

Students of Department of Management along with students of Commerce Department visited IMT Hyderabad on their invitation for the campus visit. We reached the campus at 10.30 am and we were offered refreshments, and later the session started at around 11 am. During the session the speakers gave the details about the various courses

offered by the institute, their placements opportunities and fee structure. After the session they have arranged for campus tour, followed by lunch. We left the campus at 3 pm and we were back to college at 4.15 pm.

Intracollegiate Literary Competition

As part of LFDC Intracollegiate Literary Competition 2022-23, Department of Management has conducted Turncoat Debate competition – Topic – “Monday is the worst day of the week” as declared by Guinness World Record.

All the participants actively participated in the debate competition with lot of zeal and enthusiasm. The competition has helped the students to improve rigorous high order and critical thinking skills. It develops effective speech composition and delivery and also encourages team work.

MOU – Significance of WTO - MOU

Little Flower Degree and PG College, Uppal, Hyderabad with collaboration, Selesian College, Silliguda, West Bengal, have participated an Virtual Event – MOU an Webinar on the topic Significance of WTO. Both the college students participated enthusiastically and presented the topics. Both the college students learnt and gained knowledge about WTO. This collaboration has helped us to grow closer as a group and nature the bonds of Community.

Standup Advertisement

Department of Management has organised Standup Advertisement as one of the intercollegiate competition at junior college level. It was a group competition with 3 students in each group. Students have actively participated and have come up with lot of advertising concepts like travelling bag, hair dryer, etc. Later there were 3 groups who entered final round and robot promotion in restaurants was the topic of advertisement. Later the judges have announced top 3 teams who have won the competitions.

Educational field trip to Divyavani TV

The Department of Mass Communication organised an educational field trip to Divyavani TV, Ramanthpur, Hyderabad. The purpose of this field trip was to understand the working of the TV news channel and broadcasting. The CEO of Divyavani TV Fr. Udumula Bala Showri invited the students and explained the working of a broadcasting firm. Students got exposure to hands-on working of a channel. Students got to know about the working of PCR, Studio floor, MCR and Edit rooms. They were given exposure to sound mixing and lighting. Students left the campus at 9am and returned at 12 pm. A vote of thanks was proposed by Mr. Nobin Charly HoD, Mass Communication. Ms Thane, BA Department Coordinator also accompanied the students and enlightened them with her valuable insights.

Educational field trip to Iskabaigudum village

The Department of Political Science, Psychology and Mass Communication organised an educational field trip to Iskabaigudum village, Nalgonda District. The purpose of this field trip was to understand the working of the Grama Sabha, survey the people and collect data on several aspects like problems demanded by the government and the economic benefits provided to them through the Panchayat. Later the students indulged in Swachh Bharat Programme like sweeping the roads, planting saplings and interacting with the primary school children. Later lunch was provided by the Sarpanch by Smt. Govind Amma and her son Mr. Naveen Reddy.

National Educational Film Festival

BA 3 students of The Department of Mass Communication attended a 'National Educational Film Festival' organised by Consortium for Educational Communication in Tagore Auditorium at Osmania University. Eminent Film Director Sekhar Kammula was the Chief Guest of the programme. Prof. Jaggat Bhushan Nadda, Director, CEC, New Delhi presided over the function and Prof. D Ravinder Vice Chancellor of Osmania University was the Guest of Honour. Awards were given to the Best Documentary film and the Best Short Film. Nineteen Students of Ba 3 attended the programme. Students learnt about the importance of educational communication and had a first - hand experience with the experience of eminent personalities. Students dispersed after the lunch.

Mobile Photography competition

The Department of Mass Communication and Journalism conducted a Mobile Photography competition as part of the Intra collegiate Literary competitions on 3rd of November at 1:40 pm in Room No. P12. The theme of the activity was "Shadow Photography". This event was conducted to determine how well the students can think creatively within a particular deadline. Creative thinking and use of new digital technologies are a very essential skill that every student have attain.

25 students participated in the event and 3 students were selected as winners

Workshop on Misinformation and Content Verification

The Department of Mass Communication organised a one-day workshop on the topic "Misinformation and How to Verify It", at the Montfort Hall on 09/03/23. The program started at 9 am and Senior journalist from Times of India Mr. Sudhakar Reddy was in charge of the workshop. The purpose of the workshop was to enhance the knowledge about content verification and face the challenges it poses to the society. The speaker delineated the techniques and tools used to verify the content that we consume. The danger of fake news and disinformation, the challenges it poses to public health and infrastructure, democracy etc were discussed in the session. The students of BA 3 Srividhya, Diya, Vennela and Nishitha was in charge of MC, Welcome Address, profile reading and Vote of Thanks respectively. Vice Principal of the college Ms Jayanthi Reddy felicitated the guest. The program ended at 1 pm.

PowerPoint Presentation

The Department of Political Science conducted a PowerPoint Presentation on “Agneepath Recruitment Scheme” by the govt. of India. The students from BA 2 and 3 spoke about the advantages and disadvantages of Agneepath Scheme through a ppt and presenting an exhaustive report on it. The presentation by the students was excellent due to the research done by them with regard to the scheme. The session ended with HOD complimenting their effort for their understanding of the current events at a national level.

Spell-a-thon

Miss Hema Mehta, BA – 2 studying Political Science in Little Flower Degree College, had successfully organised and hosted a session for Helen Keller Literary Club. She conducted Spell-a-thon and Spoken Word event for the students of Helen Keller Literary Club. Miss Hema Mehta's proficiency with English and confidence on stage was commendable. The participants showed their enthusiasm and proficiency in the English language.

Educational Filed Trip

The Department of Political Science, Psychology and Mass Communication organised an educational filed trip to Iskabaigudum village, Nalgonda District. The purpose of this filed trip was to understand the working of the Grama Sambha and make a survey of the people and collect data on several aspects like problems demands to the government and the economic benefit provided to them through the Panchayat. Later the students indulge in Swachh Bharat Programme like sweeping the roads, planting saplings and interacting with the primary school children. Later lunch was organized by the Sarpanch by Smt. Govind Amma and her son Mr. Naveen Reddy.

Field Trip

The department of Psychology organised a field trip for BA – 2 and BA – 3 Psychology Students on September 8th, 2022, from 10:00 am to 1:30 pm to “National Institute for Empowerment of Persons with Intellectual Disabilities” (NIEPID). This educational trip was organised by the department for the students to have a better understanding of symptoms and treatment of Mental Retardation (MR). Dr. Lokesh, in charge of the Bio – Chemistry lab took the students on a tour of the Institute while explaining the use of instruments in therapy for children with developmental delay.

Cartoon Making competition

The Department of Psychology conducted a Cartoon Making competition as part of the Intra collegiate Literary competitions on 4th of November at 11:35 am in Psychology Lab. The theme of the activity was “Mental Health in India”. This event was conducted to determine how well the students understood the current scenario of mental health in India . Mental health is important at every stage of life from childhood, adolescence, and adulthood.

Blindfold Doodle competition

The Department of Political Science conducted Blindfold Doodle competition as a part of intra collegiate Literary competitions. This event was to enhance concentration of the students, blockout distractions. It helps the brain focus on using and developing other senses like touch, smell and hearing. As the event was conducted by the department of political science, political symbols were the theme of the activity.

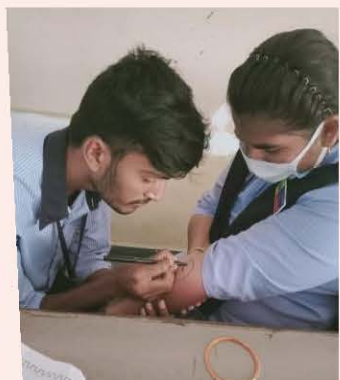

3 –day workshop

The Department of Psychology in collaboration with “The Bright Side Foundation” conducted a 3 –day workshop on 6th ,7th ,8th September 2022 on the topic “Psychological First Aid”. Psychological First Aid refers to the immediate response given to the person in emotional distress. The first day of the workshop dealt with Introduction to PFA and a model was explained. On the second day, the students completed the UMEED model of PFA along with Simulations of real life. The concluding day was assessment through worksheet and role play for the Certificates and Badges as PFA providers.

Intra collegiate Literary competitions

The Department of Psychology(PG) conducted a “Draw A Tattoo” competition as part of the Intra collegiate Literary competitions on 3rd of November at 10:40 am in Psychology Lab. The theme of the activity was “Ancient Symbols”. This event was conducted to enhance their creativity and their knowledge on history.

Student Presentations "Azadi Ka Amrit Mahotsav"

On the occasion of 'Azadi Ka Amrit Mahotsav' Students of II and III BA, prepared and displayed charts on the theme of 'Indian National Movement', covering various topics to revisit freedom movements in historical Journey of our Independence. Some of the events covered were European Colonization; Fight against the Colonial rule that included Sepoy Mutiny, which catapulted into a full-blown freedom struggle and Gandhian Campaigns. The charts also displayed the Historic birth of Democratic and Republic India with the adoption of the Constitution and National symbols that are intrinsic to the Indian Identity and Heritage. To kindle the spirit of India, on 16th August students distributed flags to faculty and students following which they all participated in flag hoisting and for a rally around the neighborhood organized by NSS. Students enthusiastically participated in the event to create a sense of national pride in everyone's heart and spread the cheer of patriotism.

International Peace Day – “End Racism. Build Peace”.

Each year the International Day of Peace is observed around the world on 21st September. The UN General Assembly has declared this day devoted to strengthening the ideals of peace, through observing 24 hours of non-violence and cease fire. The theme for the International Day of Peace for the year 2022 was “End Racism. Build Peace.” A world where compassion and empathy overcome suspicion and hatred. A world that we can truly be proud of.

The Department of Modern Language and English jointly conducted a seminar to observe this special day to create awareness. The guest speaker was the Professor P. V. Rao who excels in Political Science and International Relations of South and South East Asia. The speaker enlightened the students on the reason behind the establishment of UN peacekeeping force and said that it was to maintain the security system and order between countries. He further explained that though the United Nations main objective was to make sure there are no more wars, many times it has failed to maintain peace as we can see in India-Pakistan War, the famous Vietnam War and in the present-day Russia-Ukraine War. Prof. Rao also made it clear about how the UN runs and encouraged everyone to be responsible in promoting peace. Student performed a skit showcasing the problems the general public faces during the time of a war.

Intracollegiate Competitions

Department of Modern Language conducted two competitions for the artful and ingenious students across disciplines of Arts, Commerce, Management and science. The competitions held by the department were DART THE WORD and CREATIVE WRITING, both of which brought out the imagination and knowledge stored inside the students.

Dart the Word competition had students throwing a dart on to a board, each number on the board was assigned a sub topic and the students had to speak on the topic for a minute. The topics included, Solutions for Unemployment, books/movies, Sports, Generation Gap, social media, Electronic Devices and Education and many more. The topics were based on facts, opinions, critical analysis and experience.

The second competition was a creative writing, Creative Writing-IMAGInE – A Picture is worth a thousand words (Weaving a story based on the image shown) where a still photograph was displayed and the students had to imagine a situation around it and write a story of their own. The image sparked ideas within the participants because the next 45 minutes, the room was filled with. Students were judged on various parameters like creativity, plot structure, characterization and quality in terms of the language used.

Collaboration Event: "Research in English Literature: The Basics"

On 15th of November 2022, the Department of Modern Language & English jointly conducted a collaboration activity with Mercy College, Palakad, Kerala. The students from both the colleges were connected online through Google meet. There was an introduction followed by prayer by the college choir. Sandra, a 2nd year BA student from Mercy College presented a speech speaking about important topics such as English Research and how one can enjoy literature by approaching a text critically. Dr. Praseedha G. Assistant Professor, Dept. of English from Mercy College, Palakad who was the guest speaker of the event discussed about the topic "Research in English Literature: The Basics" in detail.

With the help of a PowerPoint presentation Dr. Praseedha dealt with various aspects on Research Methodology talking about how to proceed a research on English Literature. She covered every possible aspect of a research with detailed explanation on different topics like dissertation, thesis, project writing, requirements of a good research and how to narrow down a topic in order to continue with a research study. After the discussion, there was an interactive session between the students and the guest speaker clearly signifying active participation from the students. The program was ended with a vote of thanks. It was a successful event with an active participation of about 150 students from our college which really signifies the interest and curiosity in them.

Alumni Engagement Session: Varsha Dheeravath, 2016-19 batch

On April 17th 2023, a session was organized for second and final year BA students with Varsha Dheeravath, an alumna of LFDC who is perusing her PhD from EFLU Hyderabad. The topic for the session was "To think Critically or, not to think Critically: An introduction to research methodology." Varsha explained the basic methodology gave tips on how to write a research paper, importance of a specific topic, citations including facts that are considered as common knowledge. She also specified that Novelists are also researchers as they must research a lot to write in a book. She explained the process of writing a research paper in three parts. The first part is to pick a couple of arguments that have already been made and to summarize those arguments. The second is to put these arguments in context of the topic chosen. The third is to put forward our own arguments. And how important it is to ask fundamental questions to reasons and solutions for these fundamental questions. She interacted with students sharing from her own experiences and recommended universities in India and abroad for post-Graduation.

English Language Week

On the occasion of English Language Day on 23rd April, the Department of English & Modern Language held weeklong celebrations from April 24th to 29th to celebrate the importance and significance of English Language and Literature. Students across the disciplines of Arts, Commerce, Management, and Science actively participated in all the events.

On the first day, students presented charts and posters to visually communicate the facts of Shakespeare's life and his contribution to the English language.

On the second day, a PowerPoint presentation was organized on the life and works of William Shakespeare, one of the most renowned playwrights in the English language.

On the third day, a range of engaging language activities was conducted, including riddles, puzzles, and literary games.

On the fourth day, Retro Rhythm was organized. Students enjoyed musical performances, both vocal and instrumental, including solo and group performances, related to retro music and culture.

On the fifth day, students participate in the game 'Chambers of Secret.' The students were divided into groups and played an escape room game where they had to hunt for clues in a room where they were locked.

The six-day, conclusion day of English Language Week was an exciting and memorable day for everyone involved. The highlight of the day was the staging of William Shakespeare's tragedy, "Macbeth," by the students. The play showcased the talents of the students and their hard work, dedication, and commitment to delivering outstanding performances. After the play, there was a valedictory ceremony to mark the end of the successful week, with speeches, certificates and prize distribution, and recognition of the student's achievements.

Seminar on Wonders of Reading

The Department of English and the Department of Modern Language organized a session on the topic 'Unveiling the Magic: Wonders of Reading' on 4th May 2023. Ms. Shanti Nanisetti, Deputy Editor, Telangana Today, an avid reader and a literary enthusiast, was invited as the guest speaker for the session. The focus of the session was to enlighten students about the numerous benefits of reading and how one can develop the habit of reading.

Ms. Nanisetti emphasized that reading is an excellent tool for learning and a great source of entertainment and relaxation. She discussed how reading can enhance vocabulary, comprehension, and critical thinking skills. Ms. Nanisetti also shared her reading habits and recommended books across various genres. The students were encouraged to share their favorite books and reading experiences. Ms. Nanisetti suggested creating reading goals and keeping track of progress as an effective way to cultivate the habit of reading. She also provided tips on selecting books based on personal interests and recommended exploring different authors and genres.

एलएफडीसी में प्रेमचंद जयंती आयोजित

प्रेमचंद जयंती के उपलक्ष्य में लिटिल फ्लावर डिग्री एंड पीजी कॉलेज, उप्पल, हैदराबाद (एलएफडीसी) के हिंदी विभाग द्वारा हिंदी के महान साहित्यकार मुंशी प्रेमचंद के सम्मान में एक नाटक का आयोजन किया गया। प्रेमचंद की हृदयस्पर्शी कहानी 'सद्गति' पर आधारित नाटक कॉलेज के दूसरे व तीसरे वर्ष के छात्रों ने प्रस्तुत किया। नाटक मंचन से छात्रों की अभिनय प्रतिभा और हिंदी भाषा के प्रति उनका प्रेम उजागर होता है।

समारोह के मुख्य अतिथि डॉ. डी. विद्याधर, प्राचार्य, विवेक वर्धनी कॉलेज, हैदराबाद ने छात्रों की प्रस्तुतियों पर अपनी टिप्पणी दी। साथ ही उन्होंने मुंशी प्रेमचंद के साहित्य संबंधी छात्रों के ज्ञान और हिंदी भाषा प्रेम के प्रति प्रसन्नता व्यक्त की। अपने संबोधन में उन्होंने मुंशी प्रेमचंद के लेखन कौशल और भाषा शैली पर विचार व्यक्त किए। उन्होंने यह भी कहा कि प्रेमचंद की भाषा शैली ने हिंदी साहित्यिक को काफी प्रभावित किया। इस अवसर पर छात्रों को

प्रेमचंद के जीवन संघर्ष और प्रेमचंद साहित्य से अंकित तत्कालीन भारतीय समाज की वास्तविकता के बारे में जानने का अवसर मिला। प्रेमचंद का जीवन और लेखन छात्रों के लिए प्रेरणा का स्रोत है।

कार्यक्रम की शुरुआत कौशिक द्वारा प्रार्थना गीत से हुई। कार्यक्रम का परिचय श्रीमती शीला बालाजी ने प्रस्तुत किया। तत्पश्चात, रोहन और ठाठ और नरेश (दुखी चमार), काजल

(झुरिया), मौसमी (पंडिताइन), जेडन (पंडित जी) और ऐश्वर्य (दुखी चमार-झुरिया की बेटी) द्वारा नाटक प्रस्तुत किया गया। जेडन, एरन और मनोज ने प्रसिद्ध हिंदी फिल्मी गीत गाए।

अभिज्ञा द्वारा अतिथि का परिचय दिया गया। कार्यक्रम के समापन में कॉलेज के प्रधानाचार्य रेवरन ब्रदर विन्सेंट रेड्डी द्वारा मुख्य अतिथि को शाल व स्मृति चिन्ह भेंट किए गए। रोहन द्वारा धन्यवाद ज्ञान व राष्ट्रगान से समारोह का समापन किया गया। कार्यक्रम का संचालन ऋषिकेश ने किया। समारोह के सफल आयोजन में छात्र-नितीश, जीवांश अग्रवाल, मनोज, मार्शल आर्मस्ट्रॉंग, अफशिया, उत्कर्ष और डिंपल का सक्रिय योगदान रहा।

लिटिल फ्लावर डिग्री एंड पीजी कॉलेज में हिंदी में रोजगार पर व्याख्यान का आयोजन

27.08.2022 को लिटिल फ्लावर डिग्री एंड पीजी कॉलेज, उप्पल में हिंदी विभाग द्वारा “हिंदी में रोजगार” विषय पर अतिथि व्याख्यान का आयोजन किया गया। उस्मानिया विश्वविद्यालय की एसोसिएट प्रोफेसर डॉ. संगीता कोटिया अतिथि व्याख्यान की मुख्य वक्ता रहीं। कॉलेज के हिंदी विभाग को हिंदी में रोजगार विषय पर व्याख्यान आयोजित करने के लिए शुभकामनाएँ देते हुए मनुष्य जीवन में मातृभाषा के महत्व को रेखांकित किया। उन्होंने कहा कि मनुष्य के व्यक्तित्व की पहचान उसकी भाषा से ही होती है। हिंदी एक ऐसी भाषा है जिसका अस्तित्व न कभी खतरे में था और न रहेगा। हमें अपनी मातृभाषा तथा राष्ट्रीय भाषा पर गर्व होना चाहिए। हिंदी एक वैज्ञानिक भाषा है, जैसी बोली जाती है वैसी ही लिखी भी जाती है। हिंदी भाषा को बोलने और जानने वालों की संख्या में दिन-प्रति-दिन वृद्धि हो रही है। विदेशों में भी हिंदी की मांग बढ़ रही है। हिंदी भाषा में रोजगार के अवसर बहुत बढ़ रहे हैं। हिंदी का अध्ययन करने वालों के बीच अध्यापन क्षेत्र एक पारंपरिक करियर के रूप में लोकप्रिय है। दुनियाभर में जैसे-जैसे हिंदी का प्रयोग बढ़ रहा है वैसे-वैसे अनुवादकों और द्विभाषाविदों की माँग बढ़ती जा रही है। कई देशी-विदेशी मीडिया संस्थान, राजनीतिक संस्थान, पर्यटन से जुड़े संस्थान और बड़े-बड़े होटलों में अनुवादकों और दुभाषियों की अच्छी खासी माँग है। डॉ. संगीता ने कहा कि यदि छात्र हिंदी विषय में स्नातक हैं और उसने एक विषय के रूप में अंग्रेजी भी पढ़ी है तो राजभाषा अधिकारी व हिंदी अनुवादक के रूप में अपना करियर बना सकते हैं। प्रिंट मीडिया, इलेक्ट्रॉनिक मीडिया, इंटरनेट, राष्ट्रीय और अंतरराष्ट्रीय संस्थाओं में हिंदी के इस्तेमाल में इजाफा हुआ है। उन्होंने छात्रों को बताया कि फेसबुक, ट्विटर, यूट्यूब और व्हाट्सएप जैसे प्लेटफॉर्म पर अब हिंदी का प्रयोग बहुत बढ़ गया है। गूगल और माइक्रोसॉफ्ट जैसी दिग्गज कंपनियों ने भी हिंदी में बहुत बड़े पैमाने पर काम करना शुरू कर दिया है। अतः इस क्षेत्र में भी रोजगार की बहुत संभावना है।

कार्यक्रम के अंत में कॉलेज के प्रधानाचार्य रेवरन ब्रदर विन्सेंट रेड्डी ने अतिथि वक्ता डॉ. संगीता कोटिया को स्मृति चिह्न व शॉल भेंट कर सम्मानित किया। उनके प्रति धन्यवाद प्रेषित किया।

कार्यक्रम का संचालन कॉलेज की हिंदी विभागाध्यक्ष श्रीमती शीला बालाजी ने किया। अतिथि वक्ता का परिचय कॉलेज की संस्कृत प्राध्यापक श्रीमती डी. गायत्री ने प्रस्तुत किया। अतिथि व्याख्यान का आरंभ कॉलेज के द्वितीय वर्ष बी.कॉम. जनरल के छात्र कौशिक द्वारा प्रार्थना गीत से हुआ और धन्यवाद ज्ञापन द्वितीय वर्ष बी.कॉम. जनरल के छात्र हरि ने दिया। कार्यक्रम का समापन राष्ट्रगान से हुआ।

हिंदी दिवस का सफल आयोजन

हिंदी दिवस के अवसर पर, हिंदी विभाग द्वारा 7 से 14 सितंबर, 2022 हिंदी सप्ताह का आयोजन किया गया। इस अवसर पर निबंध लेखन, आशुभाषण जैसी प्रतियोगिताएँ और 'रंग दे बसंती' फिल्म की स्क्रीनिंग की गई। हिंदी के छात्रों ने गैर-हिंदी छात्रों को हिंदी शब्दों के दैनिक उपयोग का सरल अनुवाद और हिंदी में बुनियादी बातचीत करने का तरीका सिखाया। अंतिम कार्यक्रम प्रतिष्ठित गोलकुंडा किले की एक फील्ड ट्रिप रही जिसका छात्रों ने पूरा आनंद उठाया। हिंदी दिवस के समापन समारोह में मुख्य अतिथि के रूप में गवर्नमेंट डिग्री कॉलेज फॉर वूमेन, बेगमपेट की एसोसिएट प्रोफेसर, हिंदी डॉ. अफसर उन्नीसा बेगम ने अपनी उपस्थिति दर्ज की। हिंदी दिवस समारोह एवं समापन कार्यक्रम का आयोजन ने छात्रों द्वारा अतिथि का स्वागत, प्रार्थना, नृत्य, कविता पाठ, हिंदी फिल्मों के गीत और हिंदी भाषा के महत्व पर आधारित गीत गाकर किया गया। मुख्य अतिथि के करकमलों से प्रतियोगिता के विजयी छात्रों को पुरस्कार प्रदान किए गए। मुख्य अतिथि डॉ. अफसर उन्नीसा बेगम ने हिंदी दिवस और हिंदी भाषा के महत्व पर अपने विचार व्यक्त किए।

हरिवंशराय बच्चन की जयंती का आयोजित

हिंदी विभाग द्वारा दि. 28.11.2022 को हिंदी के प्रसिद्ध साहित्यकार, हालावाद के प्रवर्तक हरिवंशराय बच्चन की जयंती का आयोजन किया गया। अवसर पर कॉलेज की हिंदी प्राध्यापिका शीला बालाजी ने छात्रों को हरिवंशराय बच्चन का परिचय देते हुए कहा कि हरिवंशराय बच्चन ने अपने जीवन में बहुत संघर्ष किया। उनकी रचनाओं में उनके जीवन का अनुभव प्रकट होता है। वे मधुशाला काव्य रचना के माध्यम से बहुत चर्चित और लोकप्रिय हुए। प्राध्यापिका ने छात्रों को हिंदी की गतिविधियों में सक्रिय रूप से भाग लेने के लिए प्रेरित किया और कहा कि इससे उनकी प्रतिभा में निखार आएगा। साहित्य हमें जीवन जीने की कला सिखाता है। इसे अपने जीवन से जोड़ने से जीवन सहज और सरल हो सकता है।

इस अवसर पर छात्रों ने सांस्कृतिक कार्यक्रम भी प्रस्तुत किया जिसमें हरिवंशराय बच्चन की कविताओं को सस्वर वाचन तथा उनके सुपुत्र अमिताभ बच्चन के फिल्मों के हिट गीतों पर नृत्य शामिल है। छात्र सौम्या (बीए 1), रश्मी (बीकॉम 1), रोहन (बीएससी 2), जिवांश (बीबीए 2), कौशिक (बीकॉम जनरल 2) आदि छात्रों ने हरिवंशराय बच्चन की रचनाओं का सस्वर पाठ किया। हरिवंशराय बच्चन की जीवनी पर बीबीए 2 की छात्राएँ नंदिनी और अफशिया ने पीपीटी प्रस्तुत की।

बीएससी के अंतिम वर्ष का छात्र ऋषिकेश ने कार्यक्रम का संचालन किया। राष्ट्रगान से कार्यक्रम का समापन हुआ। प्रस्तुत है कुछ झलकियाँ -

Winners of Model presentation competition along with chief guest and B.Sc faculty

Written quiz on Historical, Political and Social Events

Aristotle Club conducted a written quiz on Historical, Political and Social Events from 1857 – 2022 about India. The quiz was conducted to coincide with India's 75th Independence Day as well as to support the government of India's "Azadi ka Amrit Mahotsav" scheme. The number of students who participated in the written quiz was 60 and the students' knowledge of India was commendable. The club also announced certificates for the first second and third prize winners.

The names of the winners are as follows – First Prize: Y. Mahesh and B. Yamini, B.A III Second Prize: L. Mounika, B.A. III

Third Prize: A. Prashanth Kumar and Sravya, MSCS II, M. Venkat Lohith, B.A III

Vintage photo- shoot Competition

On 22nd August 2022. Horizon club has organized a competition. It was a vintage photo shoot, taking the photos of antique objects. The objective of this competition was to enhance creativity to appreciate the antique objects and present their significance. The outcome of this competition was to connect the past as they remind us of the people, places, feelings and stories.

National Conservation Day - Guest lecture

The Department of zoology organised a Guest lecture for Johann Mendel Club to create awareness about Nature, Biodiversity and conservation on the occasion of World Nature Conservation Day on 28th July 2022 in Montfort hall. Dr. Ravi Kiran, Scientist, Botanical Survey of India, Ministry of Environment, Forest and climate change, Govt of India was invited as the guest speaker for this occasion. The speaker elucidated the Hot Spot Biodiversity areas, Eastern and western Ghats fauna and flora and the diverse Biodiversity in our ecosystem. He also stressed on the importance of conservation and the surveys conducted to identify the indigenous flora and fauna. Students actively participated and had an interactive session with the Scientist. The students discussed about the remedial measures that can safeguard the ecosystem and also the ill effects of introduction of exotic species in the area. The overall outcome of the session was to provide information about the rich biodiversity mother Earth is bestowed upon and how important it is to conserve and protect them to live a harmonious life with nature.

Consolidated Report - Promotion Program

Little Flower Degree & PG College organized promotion of LIFE CLUB on 13 & 12 December to Little Flower Junior College students. The Coordinator Mr. Vijay along with Ms. Thane, HoD – Dept. of Political Science and Mrs. Sudha Reddy, HoD – Dept. of Library Sciences were present on both days to detail about the adoption of village in Konampet.

Ms. Thane gave a brief introduction about the LIFE (SOCIAL OUTREACH) Club objective which is to encourage the students reach out to the needy and serve by giving, visiting, donating and involving in the best of their ability and the motto is “to share”. She also highlighted that the club had organized community and sanitary programs, donation of stationery to children and so on for the underprivileged.

She also presented that recently the club had adopted a small village called Konampet in Medak District of Telangana and how the students made efforts to conduct survey to list out the necessary facilities that required to be provided. The first which was at the top of the list was “Drinking Water”, School Premises to be made more feasible for the movements of the children then follows medical assistance and so on. She also took pride in mentioning that Club was successful in accomplishing its first three projects with thunderous contributions from the students, faculty and well-wishers of the LFDC CLUB. The same was presented through a Video. The visual of video highlighted some of the activities conducted in order to raise funds for the projects.

Later, the students were encouraged to take part in all social, cultural and extra-curricular activities and projects which are going to be organized by enrolling their names as the members of the Club.

Medical Camp

The LIFE Club of Little Flower Degree & PG College in collaboration with Lion's Club, Samaritans, Secunderabad planned to organize a free medical camp at Konampet Village in the month of July, 2022

On 12th September, Student volunteers and committee members took part in organizing the medical camp to meet the quick health care needs of all the people in Konampet who could not afford to go to medical centers in nearby towns which was planned after students' survey in the village. Malla Reddy Medical College provided Medical assistance with 8 doctors and 12 Staff Nurses of 4 departments i.e., General, Dental, Ortho and Eyes for smooth functioning of the camp and also distributed medicines to the required.

The faculty and students started at 7:30am from the college premises and reached the venue at 10:00am. The camp commenced from 11:00 am to 2:00pm in the presence of Mr. Devender Reddy, President, Lion's Club, Secunderabad, Dr. Col. Shaji Panikkar, Chief Coordinator, Lion's Club, Secunderabad and Mr. Vijay, Co-coordinator LIFE. With all kind help and support of the village representatives and members, the medical camp attracted many people from nearby villages. 125 OP registrations were received. Bro. Vincent Reddy, Principal congratulated the representatives of the Lions Club and the LFDC faculty, students for their efforts, involvement and success of the camp.

As a result of medical Camp 16 patients form Konampet and nearby villagers are brought to MRIMS (Mallareddy Institute of Medical Sciences) and admitted for immediate treatment with Free of Cost on 16 September, 2022.

Commemoration of Peter Drucker

All the members of the club were gathered at Montfort Hall at 12:40 and the program commenced at 12:50 with a prayer song by BBA 1st years, followed by a power point presentation. Presentation was on the importance of Management studies, the biography of Peter Drucker and his most famous theories. BBA students performed A Mime Act on pillars of Peter Drucker and explained the major theories given by Peter Drucker such as: Management by objectives, Smart goals, Decentralization, Creativity, Innovation, Teamwork. Then the program went further with a competition called "Guess who"? The top CEOs of the companies were projected and the students had to guess the companies. After the Quiz, the program was concluded by vote of thanks.

Mother language Day

Vernacular Voices Club organised International Mother Language Day Celebrations from 15-02-2023 to 21-02-2023. All students actively participated in the events that were held during the 5 day celebrations. The following are the events that were organised regarding the celebration of International Mother Language Day.

During the 5 days of celebration, the morning prayer was conducted in second languages allocated for each day. The significance of International Mother Language Day was explained to the students during the prayer in the same language as of the prayer on each day.

Poster / Chart Presentation : Interested students from all the departments were allowed to present charts and posters that share the significance of International Mother Language Day. Synonyms and usage of words that we use in daily life in different languages were explained.

Food Festival : The food festival was conducted on 16th February 2023, the second day of the 5 day event. Interested students were allowed to participate and present their national and international cuisines. Students from all the departments were invited to buy the food and share their insights about the various cuisines.

Ethnic wear competition : The Ethnic wear competition was conducted on 20th February 2023, the 4th day of the 5 day event. Interested students were allowed to participate and present themselves in national and international costumes representing the culture and traditions of different states and nations all over the world.

The Ethnic wear competition was celebrated along with other cultural programs conducted on 20-02-2023 in Montfort Hall. The other cultural programs include singing of songs in various mother languages of participants, traditional dance performances were done in which participants represented dances of various traditions and cultures across the globe. The winners of the Ethnic wear competition were awarded with a cash prize by Principal Rev. Bro. Vincent Reddy and Vice Principal Mrs. Jayanthi Reddy.

The program was managed by Vernacular Voices Club Secretary, Rushikesh B, MPCs 3 along with the volunteers who actively participated to manage the event and make it a success.

The role of MC was taken by Afshiya, BBA 2.

The program was successfully completed by all the students, faculty members together singing the National Anthem.

International Women's Day Celebrations

Women Protection Cell, LFDC as part of the International Women's Day Celebrations has organised a session on the outstanding performances of the women in day to day life on 6th March 2023 in Montfort Hall. Dr Gita Sharma, Retired Professor, Osmania University has addressed the girl students of final and second year. Mrs Gita has enlightened the students on how women face different people, different consequences and how they stand strong in tough and difficult situations. She also shared her real life experiences which had overcome. Rev. Bro Vincent Reddy, Principal, LFDC has also addressed the students how they should become independent and self learning in life and facilitated the guest speaker. The students also asked her some questions related to her life experiences she shared and also about the advancements in science and technology for which Mrs Gita Sharma has answered very patiently.

Women's Protection Cell, LFDC has organised the Lady Boss Program on 6th March, 2023 on the account of International Women's Day Celebrations. As part of every year's celebration celebrations, the women protection cell gives women entrepreneurs an opportunity to set up their products in the stalls and make their business publicity. Many business women bring their products and sell them to the students and the faculty of the organisation. Stalls like fast food stalls, sarees, dresses, jewellery stalls and many other items were set up.

An Awareness Program on Emergency Conditions

First Aid Cell of LFDC organized an awareness program on emergency conditions in collaboration with Yashoda Hospitals, Malakpet on 23-8-2022 in college premises. The program was started by prayer then Ms. Thane, Faculty Dept. of Political Science Introduced the resource person The resource person Dr.Kiran Kumar Varma, Consultant emergency Physician, HOD of Dept.of Emergency. He began Basic Life Support session with Chain of Survival, verify scene of safety next emergency call then checking of pulse If required CPR. He also explained in detail the process of CPR or Cardiopulmonary Resuscitation is an emergency lifesaving procedure performed when the heart stops beating. Immediate CPR can double or triple chances of survival after cardiac arrest. The doctor explained the Importance of CPR which keeps the blood flow active even partially extends the opportunity for a successful resuscitation once trained medical staff arrives on site. He also stressed on Universal choking sign and how to overcome it he showed practically ,finally these things can be do in pedestrians and children's. Yashoda team of doctors explained and gave specimens to practice the students utilized the opportunity to learn with practical demonstration to make this program very Informative to the students.

Zero-Shadow Day

The Department of Humanities took the students from all streams to show a celestial spectacle on 9/05/2023 called 'Zero Shadow Event'. A phenomenon that occurs twice a year, where the sun's position is directly overhead, casting no shadows on the Earth's surface. This astronomical spectacle was for 2 minutes i.e., from 12:12pm to 12:14pm. The students were told to form a circle with their respective class students to witness this celestial event, which they did with wonder and awe.

Article Writing & Paper Presentation:

The LENVIN CLUB organized awareness sessions on "Article Writing" and "Paper Presentation" for undergraduates of II and III years from all streams. The program was conducted on 20th JULY 2022. Students demonstrated their understanding of allied themes of Green Building Technology for Environment Sustainable Development. The interactive sessions indicated that the student gained exposure and understanding of various emerging topics such as the role of Green Building concepts in making smart, green, and vibrant cities in the era of urbanization. Students highlighted the importance of best practices for avoiding adverse impacts of urbanization on the environment. Overall, the sessions sensitized students about the significant developments in Green Building Concepts and their role in sustainable development.

Identification of waterlogging areas through documentary screening

ON 8th August 2022 at 10:40am for LENVIN Members and B.Sc. Life science students in MONTFORT HALL The event started with an Introduction of the topic and continued with discussion of it. The students were asked a few questions before the event started to know the understanding of the topic. The document screening included a few videos which spoke about waterlogging and its problems in the recent times. We had a sound discussion about it.

The event was concluded with the students receiving a task to assess their nearest waterlogged areas and to raise awareness around it. They were also instructed to come up with a solution to overcome the problem of urban waterlogging. The response received by the club was positive and motivating. The feedback received was positive. The session concluded with Vote of thanks.

Army Attachment Camp

Our student 'Sri Shakthi Regiment' of LFDC has attended Army Attachment_ Camp held in GOLCONDA, Hyderabad, He learned a lot of life lessons there. Discipline was their utmost priority and they didn't tolerate a Slight indiscipline or mischief. They will also teach about the weapons and equipment which are used by the Indian Army and volleyball Competitions have been organised in the days in the Camp, JANUARY 2 2022

All India Kerala Trekking Camp, 5-OCTOBER-2022

Our student K.PRANEETH REDDY have went to trekking camp through the unit (1T RT BTY NCC) NCC unit guided by (COL.ANIL KUMAR) Programme Officer went on a ten-day trekking camp to Forests of (EDDUKI). The cadets set out from the unit office through canter. The cadets went up to (EDDUKI) in the train. Everyone started walking from there with the essential things packed in hold-all. Everyone reached the wild areas of the forest of (Edduki) by evening. The cadets raised their tent in convenient places near to (Edduki dam). After that, preparation of dinner was done, dined in the moonlight and had a comfortable sleep. For the next 8 days the students trekked around the nearby hills. It was a wonderful outdoor experience for the students. Everybody returned to the unit office safely on (16-october-2022).

Annual Training Camp 3

As a part of NCC training our cadets took part in the ATC Camp(Annual Training Camp) held at golconda on,18 July 2022 in which our cadets make their presence felt and won prizes in the various competitions held during the session.They lifted trophies in Group Dance and Group Song competition and settled for runner-up trophies in Drill competition and ball throw, and we learnt gun firing and we did yoga.

Free Dental Checkup Camp:

One Week Free Dental Checkup Camp was organised by NSS Unit, Little Flower Degree & PG College, Uppal in association with Dr. Care Dental Hospitals from 18 April 2022 to 22 April 2022. A team was lead by Senior Surgeon, Dr. N. Vinod Gandhi and 2 intern doctors carried out a comprehensive dental checkup on all students from Degree and PG. The main aim of the camp was to provide basic dental health education to the degree students and motivate dental hygiene maintenance. To identify the method to motivate dental health in the young generation and activate dental hygiene for the future society. The motive of the dental camp was achieved to its maximum with the efforts of all the people involved.

Free Dental Checkup Camp:

LFDC NSS Unit has organised "Blood Donation Camp" in collaboration with NGO- "The Ray of Hope". Rev. Bro. G Vincent Reddy, Principal inaugurated the program, he explained about the importance of blood donation especially the youth can come forward and donate blood. The donated blood will be very useful to poor and needy people. Mr. M. Prashanth, NSS Programme Officer handed over collected 71 units of blood to Thalamesiya Rakshitha Voluntary Blood Bank. Ms B Sowmya, President of Thalamesiya Rakshitha Voluntary Blood Bank gave appreciation certificate, Blood donor card and also Rs.100000/- health insurance card. Program was grand success and students felt very happy.

International yoga day

On May 14, 2022, the NSS cell at Osmania University organised International Yoga Day. The registrar of Osmania University, Prof. Lakshminaryana, served as the program's special guest. The programme began at 7:00 AM. Students who took part in the programme were inspired by Prof. Lakshminaryana, who also gave instructions on how to control breath and taught several asanas that can help with concentration, focus, and stress management. By 9:00AM, the programme was successfully finished. At our college, every NSS volunteer took an active part in the programme. Mr. Ramakrishna, Regional Director NSS and NSS Programme officer's different colleges also take part in this event. The initiative was a huge success.

International Yoga Day

Every year on June 21, the globe celebrates International Yoga Day to bring attention to this age-old discipline and to recognize the benefits yoga has had on people's physical and spiritual well-being. Yoga is a technique that is effective for calming the body and mind and enhancing one's immune system.

The LFDC NSS Unit observed the 8th World Yoga Day on June 20, 2022. Mr. Prashanth, NSS PO, gave a brief introduction to Yoga Day to kick off the event. Faculty and PG students attended. By observing that students were also practicing yoga asanas, we were able to show the Mr.Vivek's, Fit Tuber Channel video on the fundamental poses.

World Population Day

LFDC NSS UNIT conducted online written Quiz on 11th July 2022, to observe World Population Day. The theme for World Population Day 2022 was "A World of 8 Billion: Towards resilient future for all". The programme started at 1.45PM with the members of NSS being the participants.

This online quiz was conducted to bring about the problems of over population and raise awareness about the effects of it on Environment and Economic Development.

The programme officer was the moderator for the quiz and he was responsible for conducting the quiz starting with posting the Google Form link in the chat box, where the students could access the link and attempt the written quiz. Around 20 students participated in the quiz which was for an hour and many of the students were successful in attempting the quiz and came out with flying colors.

Seminar on Love India Serve India

The NSS Unit of LFD & PG College, Uppal was invited by Ramakrishna Math Domalaguda to attend a seminar on the occasion of India celebrating 75 years of Glorious Independence. This was a part of Government of India initiative on "Azadi ka Amrith Mahotsav".

The Ramakrishna Math conducted a special seminar to electrify the youth of India and their love for Motherland through the topic "Love India Serve India".

The NSS Unit sent two students Tahir Baig of II BA and Nithin from II BBA (B) to attend this special seminar. The seminar commenced by a welcome address by Swami Bodhamayanandagi, Adhyaksha Ramakrishna Math who spoke about glorious history of India. The Guest of honour Col. Praveen, Training officer ,NCC Secunderabad highlighted the sacrifice of freedom fighters in India Struggle for Freedom.

After the session participation certificate was issued and books were presented to the participants.

Swachhata and Tree Plantation

NSS UNIT of LFDC conducted Swachhata and Tree Plantation program on 8th Aug 2022, as a part of conducting activities under Har Ghar Tiranga Abhiyaan. This was a part of Government of India initiative on "Azadi ka Amrith Mahotsav". The NSS programme officer Mr.M.Prashanth with Mr.V.Naveen Kumar, Faculty Dept. of Mathematics and NSS Volunteers participated in the program to clean and green the college garden. Later the NSS unit planted saplings in the garden. Around 20 NSS volunteers participated in the program and made the program grand success.

Online Quiz on Freedom Fighters

NSS UNIT of LFDC conducted an online written Quiz on 9th Aug 2022, as a part of activities under Har Ghar Tirang Abhiyaan. This was a part of Government of India Initiative on "Azadi Ka Amrith Mahotsav".

In today's fast-moving world and tough competitive day-to-day life, the youth hardly find time for remembering our rich heritage and culture. This becomes most crucial when the nation is celebrating Azadi Ka Amrit Mahotsav (commemoration of 75 years of Indian Independence).

The quiz was on Unsung Heroes which was an attempt to recall and remember our forgotten heroes of freedom struggle. The aim of online quiz was to recreate and bring forth stories of our forgotten Heroes, who will always remain a source of inspiration and encouragement for the coming generations.

The NSS programme officer Mr. M. Prashanth was the moderator for the quiz and was responsible for conducting the quiz starting with posting the Google Form link in the WhatsApp groups where the students could access the link and attempt the written quiz. Around 50 students participated in the quiz which was open for one day and many students were successful in attempting the quiz and came out with flying colours.

Free health camp

NSS UNIT of LFDC organized a free medical health camp at the college premises on 10-8-2022, in association with YASHODA HOSPITALS, MALAKPET. The faculty members and students participated and greatly benefited from the free medical health camp, which involved regular tests & checkups such as Random blood sugar, heart rate, ECG, 2D ECHO, Oxygen saturation levels etc.

The objective of conducting the health camp was to create awareness on the present health problems arising out of the corona virus prevalent in the country. This Camp was setup to provide free general health care services and to counsel students and staff on basic health care and hygiene. The camp was inaugurated by correspondent & Principal Rev. Bro. Vincent Reddy along with vice principal Mrs. Jayanthi Reddy. The NSS Unit Programme Officer Mr. M. Prashanth took care of overall organization of the camp. The principal and vice principal congratulated the NSS unit for successfully conducting the camp with huge success and over whelming response from the students and the faculty was much appreciated.

Freedom Run

Little Flower Degree College, Uppal organized a "Freedom Run" in collaboration with Uppal Police Station, Malkajgiri Division, Rachakonda Commissionerate. On the occasion 75 years of India's Glorious Independence. This is keeping in view the Govt. of India's call to the citizens of India to celebrate "Azadi Ka Amrith Mahotsav"

The chief guest for this program was Mrs. Rakshitha K Murthy, IPS, DCP, Malkangiri. She commended LFD&PG College for creating awareness and patriotic feeling among the students to participate in the "Freedom Run".

This program was graced by many dignitaries like Mr. Naresh Reddy, ACP, Mr. Govinda Reddy, C.I., Mrs. Jayanthi Reddy, Vice principal, Faculty members and students.

Elocution and Essay writing Competition

NSS Unit of LFDC organized an Elocution and Essay writing competition on 12-8-2022 as a part of conducting activities under Har Ghar Tirang Abhiyaan. This was a part of Government of India initiative on "Azadi ka Amrith Mahotsav".

The NSS programme officer Mr.M.Prashanth along with Mr.V.Naveen Kumar, Faculty Dept.of Mathematics organized an essay writing competition. Dr.Gomathi, Faculty from the department of Zoology and Mr.Nobin, Faculty from the department of Mass Com.were the judges. Around 20 students participated and showed their knowledge and talent to make this event a success.

Tiranga Rally

NSS Unit of LFDC organized a Tiranga Rally in collaboration with Salute Tiranga on 13-8-2022 at Montfort Hall. The dignitaries program was Mr.D.SatyaVeer, State President Salute Tiranga, Ch.Rajesh Babu, Secretary, Dr.Ramachandar.Alumini Little Flower, Mr.Devendar City President, Subedhar Syed Rahamthullah, and Mr. Mahesh Gopal, Residential P.A to his excellence Haryana Governor, Ch.Vishwanath Shastry and others. The program was started by lighting of the lamp followed by welcome dance. Then Mrs. Thane introduced Salute Tiranga Team. The main objective of the program was promote nationalistic and patriotic feelings towards countrymen, provide financial help to the martyred soldier's home, family and for the education of their children. To protect the environment and participate in Plantation campaign.

Dr.Staya Veer, State President Salute Tiranga, spoke about importance of 75 years of India's Independence. Subedhar Syed Rahamthullah shared his experience in Cargill war. Then Salute Tiranga team distributed Indian Flags and Saplings to all Faculties. Then followed by rally up to Uppal ring road.

As part of this NSS unit organizes "Azadi Ka Amrit Mahotsav" through Tiranga Rally. Har Ghar Tiranga Abhiyan is a campaign under Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and fly it to mark India's 75th year of independence. Our relationship with the flag has always been official and institutional rather than personal. Bringing the flag home collectively as a nation on the 75th year of independence will not only symbolize our personal connection with Thiranga but also our commitment to nation building. The idea behind this initiative is to instill a sense of patriotism in the hearts of people and to develop awareness about the Indian National Flag.

Sing Your Patriotism

NSS Unit of LFDC organized a 'Sing your patriotism' program on 16/8/2022 as a part of as a part of conducting activities under Har Ghar Tirang Abhiyaan. This was a part of Government of India initiative on "Azadi ka Amrith Mahotsav". At 11.30 am on August 16, Indian's National Anthem was sung throughout Telangana. As per the chief minister Shri K. Chandrashekhar Rao's call to sing the national anthem across the state, the call was taken up by the citizens of Telangana which included our students who sang the National Anthem the national anthem at 11.30 am on Tuesday morning. As a part of this, students, employees, workers and common people stood everywhere and sang the National Anthem. The Hyderabad Metro train also stopped for a minute to show respect for Chief Minister'all as well to show solidarity with people of Telangana.

NSS Day –Blood Donation Camp

LFDC NSS Unit organized a Blood Donation Camp in collaboration with YOUTH RED CROSS SOCIETY on occasion of NSS (National Service Scheme) Day. The Chief guest for the program was Mr. M. Bheem Reddy, Chairman, Indian Red Cross Society. The program commenced with Invoking the blessing of Almighty God through a prayer. Rev. Bro. G Vincent Reddy, Principal and Mr. M. Bheem Reddy, chairman inaugurated the program and addressed the gathering and explained about the importance of blood donation and encouraged students to come forward and donate blood at least once in a year which could save 3 lives. Mr. M. Prashanth, NSS Programme Officer handed over 61 units of blood to Ms. Swarnalatha, Councillor and team of MNJ (Mehdi Nawaj Jung) Cancer Hospital. The team gave appreciation certificates to students who volunteered to donate blood and the college for their initiative and collaboration. The team promised that they would donate the collected blood to the poor and needy cancer patients.

National Unity Day

In our college, we celebrated RashtriyaEktaDiwas (National Unity Day) by remembering the Sardar Vallabhbhai Patel, Iron Man of India his marvelous efforts in making India unite and also the struggles, pain he faced during Indian Freedom movement. Keeping in this view NSS UNIT organized Rastriya Ektha Diwas rally from LFDC to Habsiguda. The rally was started by the Rev. Bro. Vincent Reddy principal, LFDC and P. Jayanthi Vice- Principal, LFDC along with Mr. Prashanth, NSS Program Officer and his volunteers. In this rally volunteers gave the slogans and carried pluck cards which stated about the importance of the day. After this pledge was administered by the Principal to the NSS Volunteers and they promised that they will be the part of making India as unite.

Essay writing competition on the occasion of Indian Constitution Day

LFDC NSS Unit organized an essay writing competition on the topic "Philosophical Foundation of Indian Constitution" on occasion of "Indian Constitution Day". Constitution Day, also known as 'Samvidhan Divas', is celebrated in our country on 26th November every year to commemorate the adoption of the Constitution of India. On 26th November 1949, the Constituent Assembly of India adopted the Constitution of India, which came into effect from 26th January 1950. The Ministry of Social Justice and Empowerment on 19th November 2015 notified the decision of Government of India to celebrate the 26th day of November every year as 'Constitution Day' to promote Constitution values among citizens.

The objective of conducting the program was to create awareness on the Indian Constitution. Students from different streams participated in the event.

Aids Day Rally

LFDC NSS UNIT organized a rally on the occasion of World AIDS Day i.e. on 1-12-2022, from Little Flower Degree College to Habsiguda. The main objective of the program was to create awareness on AIDS.

The Theme of World AIDS Day 2022 is "ROCK THE RIBBON", which aims at stopping new cases of HIV securing the rights of the people with HIV and fighting HIV stigma and discrimination. Rev.Bro.G.Vincent Reddy, Principal and Mrs.P.Jayanthi Reddy, Vice Principal started the rally, The program was headed by Mr.Prashanth,NSS Programme officer. NSS Volunteers prepared pluck cards and gave slogans to create an awareness on AIDS.

Swachabarath Camp

LFDC NSS UNIT Volunteers participated in Swacha Bharath Programme at Osmania University. The objective of conducting this Swacha Bharath Programme was to create awareness on the cleanliness in the premises. The program was inaugurated by the Vice Chancellor Prof.D.Ravinder. NSS Volunteers from different college participated in this event and NSS programme officers divided the NSS volunteers in to different teams, Our College cleaned the premises of Tagore Auditorium inside and outside. Osmania University NSS cell provided refreshments to all NSS volunteers and we made this program has grand success.

13th National Voter's Day Rally

LFDC NSS UNIT organized a rally on the occasion of National Voter's Day i.e. on 25-1-2023, from Little Flower Degree College to Uppal. The main objective behind the celebration is to encourage, facilitate, and maximize enrolment of new voters. The program was inaugurated by Mrs.P.Jayanthi Reddy, Vice Principal. The program was headed by Mr.Prashanth, NSS Programme officer. NSS Volunteers prepared pluck cards and gave slogans to create awareness on National Voter's Day.

The day has been celebrated since 2011 across the country to mark the foundation of the Election Commission of India, i.e. 25th January 1950.

Mrs.P.Jayanthi Reddy, Vice Principal administered the National Voter's Day pledge.

The theme for this year's NVD is 'Nothing Like Voting, I Vote for Sure'."

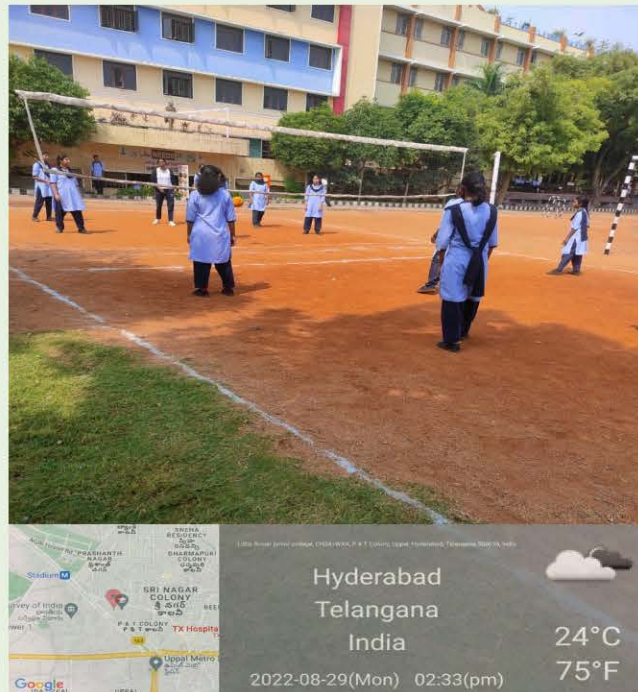

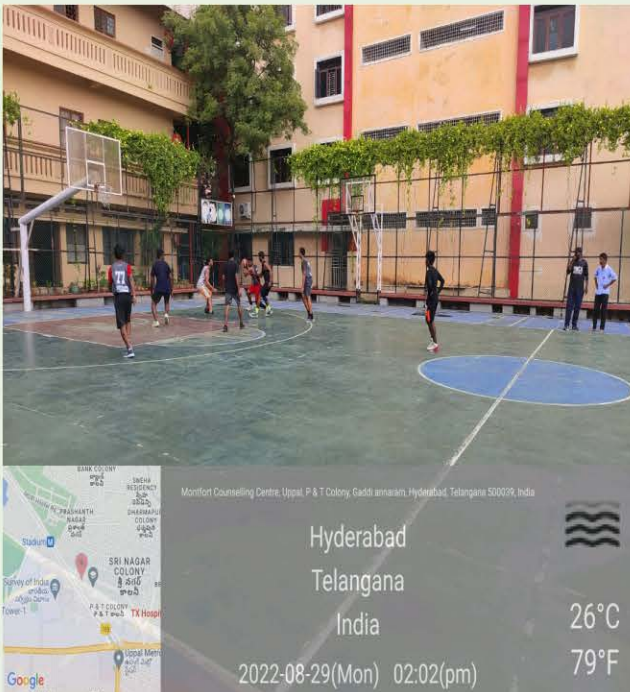

Simple Yoga Asanas for Beginners

The Dept. of Physical Education conducted a session cum workshop for the students of LFDC on 29/7/2022 at 9:30 am in Montfort Hall. This session was conducted by Mr. Karunakar, a reputed yoga instructor working in Little Flower School.
