

LITTLE FLOWER DEGREE COLLEGE UPPAL, HYDERABAD - 39

The Department of Statistics, Little Flower Degree & PG, College, Uppal in collaboration with Mercy college, Palakkad, Kerala, organised a Webinar on "Career Prospects in Statistics" on 16/02/2024 at 10:30am - 12:30 pm in P21 seminar hall for LF Students and Google Meet platform for others. The objective of the webinar is that students should know the opportunities of statistics in various fields. The Guest speaker was Mr. Rahul Assistant Advisor, RBI, Kerala. Mr. Rahul spoke about growing demand for statisticians in today's world, applications of Statistics in various fields like healthcare, finance, marketing, agriculture, educational institutions etc. The webinar also emphasized the importance of continuous skill development and staying abreast of the latest tools and methodologies in statistics. Participants were encouraged to embrace lifelong learning to remain competitive in the ever-evolving job market. Additionally, the webinar served as a source of inspiration and motivation, with success stories and career journeys of established statisticians inspiring attendees to pursue their goals with confidence and enthusiasm.
