

**LITTLE FLOWER DEGREE COLLEGE  
UPPAL, HYDERABAD – 500039**

The Department of Statistics organised a fieldtrip for B.SC (MSCS & MSDS) students to Survey of India at 1.50pm on 28<sup>th</sup> Feb, 2024 on the occasion of National Science Day. The purpose of this fieldtrip was to help the students understand the theoretical concepts that have been taught and put into practice. Students understood the purpose of survey and the real-life applications of statistics. This trip provided the students with an opportunity to understand Objectives of Survey of India like Topological control, Mapping and production of political and physical map and printing etc.
