THE TETRIS

The Tetris movie is about the story behind the creation and distribution of the iconic video game. Set in the 1980s, the movie follows Herk Rogers, a Dutch video game publisher, as he embarks on a quest to secure the global rights to Tetris. This pursuit quickly becomes a high-stakes battle involving multiple major companies, such as Nintendo, Sega, and Atari. Each vying for control over the game.

As Rogers navigates through the maze of negotiations and copyright disputes, the story unfolds during the tumultuous era of the collapse of the communist USSR. The plot introduces elements of KGB involvement and political intrigue, increasing the stakes.

Overall, the Tetris movie sheds light on the complex journey of one of the world's most popular video games. The blend of historical accuracy with artistic embellishments creates a memorable and entertaining portrayal of a significant chapter in gaming history.

SAVORING SUMMER: A SEASON OF SUNSHINE AND FUN

Summer is here, bringing warmth and brightness to our days. It's a time when the sun shines high in the sky, inviting us to step outside and enjoy its golden rays. During the summer, we can leave our jackets behind and embrace the freedom of lighter clothing.

One of the best things about summer is all the fun activities it offers. From splashing in the pool to building sandcastles at the beach, there's something for everyone to enjoy. Summer also brings delicious fruits like mangoes, watermelon, and berries, perfect for refreshing snacks on hot days.

But let's not forget to stay safe in the sun! Wearing sunscreen and drinking plenty of water are important to keep our bodies healthy and hydrated.

So, let's make the most of this sunny season by spending time with loved ones and creating memories that will last a lifetime. Summer is here, and it's time to savor every moment of it!

ĒK AADAT

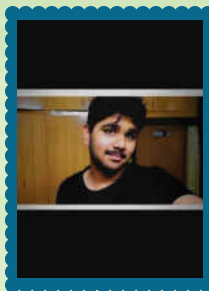

Ek aadat si hai
 Sab kuch theek hai kehne ki,
 Ek aadat si hai
 Sab kuch akele sehne ki,
 Ek aadat si hai
 Aansuon ko peene ki,
 Ek aadat si hai
 Dusro ko khush rakhne ki,
 Ek aadat si hai
 Sab kuch theek karne ki,
 Ek aadat si hai
 aise hi Zinda rehne ki,
 Ye aadat nahi hai
 haqeeqat hai akele rehne ki,
 Ye aadat aisi hai ki
 Sab begane lagte haj,
 Is aadat ke Saath?
 Hum akele hi ache hai,
 Ye aadat ab sudhar nahi payegi
 Ye aadat meri maut ke saath hi jayegi.

ज़िन्दगी यही है

सोचती हु मैं अक्सर, क्या ज़िन्दगी यही है?
जीवन आनंद लेने के लिए होता है, सहने के लिए नहीं।

कहने को तो सारी दुनिया ही अपनी है,
पर सच्चाई यह है कि-
इस दुनिया मे लोग बिना किसी मतलब के कोई किसी की परवाह करता ही नहीं है।

रिश्ते रह गए है बस नाम के दुनिया में
इससे फर्क नहीं पडना चाहिए,
बस यह याद रखना है कि वक्त सबका आता है।

अक्सर कहते है की,
हर दुःख हमे एक सबक सिखाता है, और हर सबक, इंसान को बदल देता है।

जिंदगी की दौड में, बस चाहिए थोडे देर.
खुद को खो देने से पहले, जरा जीने दे उसे।
जिंदगी यही है।।

Habit Loop

To expand one's vocabulary is a praiseworthy effort, with the potential to enrich both comprehension and expression.

A simple yet effective method for achieving this goal is the commitment to reading two pages a day, actively identifying and understanding unfamiliar words encountered along the way. By embracing this habit, individuals can gradually build a strong lexicon, enhancing their ability to articulate thoughts with clarity and precision.

RATATOUILLE" UN PLAT

FRANÇAIS

"Ratatouille, the iconic French dish, embodies both rustic simplicity and culinary sophistication. Originating from the Provence region, cette concoction végétarienne brings together a vibrant palette of Mediterranean flavors. Slices of eggplant, zucchini, bell pepper, and tomato are carefully arranged in une casserole, then slowly simmered with garlic, des herbes aromatiques like thyme and basil, and a generous drizzle of olive oil. This cooking process allows the vegetables to release their aromas and meld together in un festin de saveurs. Le résultat is a comforting dish, rich in flavor, evoking the sun and simple joys of home cooking. Ratatouille can be enjoyed on its own, accompagnée de pain frais for dipping into the flavorful sauce, or served as a side to meats or pasta. Its charm lies in its versatility and its ability to evoke un sentiment d'authenticité et de convivialité with each bite. Whether in the bustling streets of Paris or on a sunny terrace in Provence, ratatouille captures the very essence of traditional French cuisine. "Ratatouille" is also the title of a beloved animated film released by Disney and Pixar in 2007. The movie tells the story of a young rat named Remy who dreams of becoming a chef. It's a heartwarming tale of following one's passion against all odds, and it features themes of friendship, family, and the pursuit of excellence. The dish "ratatouille" plays a significant role in the film, serving as a symbol of culinary artistry and the power of food to bring people together. The movie gave widespread exposure to this dish around the world.

MOTHER'S DAY: A SYMPHONY OF GRATITUDE

As spring blooms, so does the love and appreciation for mothers everywhere.

Mother's Day is like a beautiful melody that fills our hearts with warmth and appreciation for the incredible women in our lives—our mothers. It's a day to celebrate their boundless love and unwavering support.

Instead of just gifts, let's create a symphony of gratitude for Mom. Let's compose moments together that are as unique and precious as she is—a picnic in the park, a day of pampering, or simply spending quality time together.

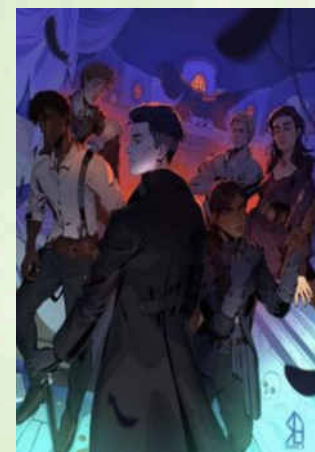

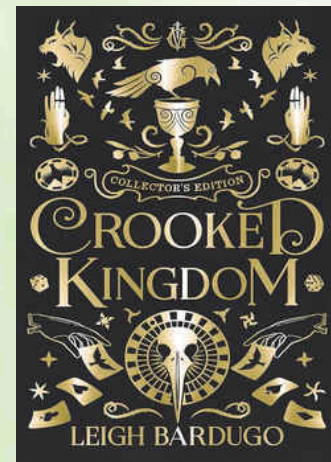

For every hug, every kiss, and every sacrifice, let's say, "Thank you." Let's honor the superheroes who lift us up when we fall and cheer us on as we soar. This Mother's Day, let's sing praise to the extraordinary women who make the world a brighter and more beautiful place with their love.

MUSICAL INSTRUMENT: FLUTE

- ❖ Flute is an Indian classical Hindustani and Carnatic wind instrument.
- ❖ It is also called Bansuri, is made of bamboo, and has six or seven finger holes.
- ❖ It is played by covering and uncovering fingers to create all seven notes, i.e., Sa,Ri,Ga,Ma,Pa, Da, and Ni.
- ❖ Changing scales in a flute is difficult because the sound is dependent on the air flow through the primary hole.
- ❖ According to Hindu mythology, Lord Srikrishna used to play this instrument to harmonize the gopis.
- ❖ The length of the flute varies from eight inches to two and a half feet.
- ❖ Long flutes have a mellow tone, and smaller flutes are high-pitched.
- ❖ The first ever flute that was found made of bone is between 35000 and 43000 years old.
- ❖ One of the renowned flute players in India is Pt. Hariprasad Chaurasiya, who has been awarded the Padma Vibhushan. Other popular flute players from Hindustani are Ronu Majumdar and Pannalal Ghosh, and from Carnatic are Dr. N. Raman and J. A. Jayanth.
- ❖ Flute is played not only in the regional countries but also in western countries, called Piccolo.
- ❖ It is used in solo performances and also with other instruments like the sitar, sarod, tabla, etc.
