Synocule Research Lab Private Limited is a leading chemical research company that specializes in the development of new chemical compounds for a wide range of applications. Their research covers a variety of areas including pharmaceuticals, agrochemicals, specialty chemicals, and materials science.

As an intern at Synocule Research Lab, you will have the opportunity to gain hands-on experience in various aspects of chemical research. The company offers a well-structured internship program that provides interns with the opportunity to work on real projects alongside experienced researchers and chemists.

During the internship, you will have the opportunity to participate in various research activities such as synthesis, purification, characterization, and analysis of new chemical compounds. You will also be involved in experimental design, data analysis, and interpretation of results. As a part of our internship, we successfully synthesized two compounds, namely 3,6 DCP and 2,6 bis(chloromethyl)pyridine.

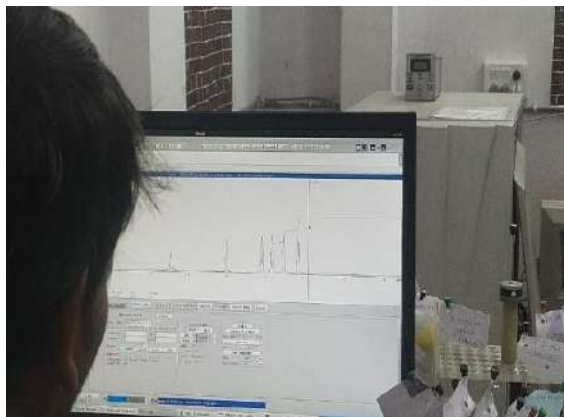

The company provides its interns with a well-equipped laboratory and state-of-the-art facilities that enable them to carry out their research effectively. Additionally, the company offers regular training sessions and workshops that help interns to develop their technical skills and improve their understanding of chemical research.

Apart from the technical skills, Synocule Research Lab also focuses on developing soft skills such as communication, teamwork, and problem-solving skills. The company encourages its interns to collaborate and share ideas with their colleagues and provides them with opportunities to present their work to the scientific community.

Overall, an internship at Synocule Research Lab Private Limited would be an excellent opportunity for anyone interested in pursuing a career in chemical research. The experience gained during the internship will be valuable in furthering your education and in seeking future employment opportunities.

We would like to express our sincere gratitude to Dr. P. Naveen Kumar, Technical Director at Synocule Research Labs Pvt. Ltd, Mrs. Rama, our Chemistry HOD, for providing us with this invaluable opportunity to undertake this internship. Her unwavering support, guidance, and encouragement throughout the project were instrumental in enabling us to complete the internship within the given time frame, and we are truly thankful for her mentorship and leadership.

## DEPARTMENT OF COMMERCE ACADEMIC YEAR-2022-23

### Internship at SPAR HYPERMARKET

**Name of the Event :** Internship at SPAR HYPERMARKET

**Title /Topic:** Marketing and customer Relations at SPAR HYPERMARKET

**Date:** 13th Sep 2022 -11th Nov 2022 (Two months duration)

**Venue:** Max Hypermarket Pvt Ltd -Secunderabad, Nacharam

**Participants:** B.Com students from second and Final years

**No. of Participants:** 12 Students

<b>Objective</b>	To Provide students with an opportunity to put into practice skills they have learned in academics .
<b>Outcome</b>	Students gained firsthand experience, professional opportunities and personal growth, knowledge and skills with entrepreneurs as well as how to ask questions and gain a better understanding of businesses not only in the co-working space, but also others in the market.

### Internship Programme Overview:

The Internship at SPAR HYPERMARKET, titled "Marketing and Customer Relations," was conducted over a period of two months, from 13th September 2022 to 11th November 2022. Hosted at Max Hypermarket Pvt Ltd in Secunderabad, Nacharam, the programme provided a conducive environment for experiential learning in the retail sector.

### Participant Profile:

Twelve enthusiastic B.Com students from both second and final years actively participated in the internship programme. Their diverse backgrounds and academic experiences contributed to a rich and dynamic learning environment.

**Internship Focus Areas:** The internship primarily focused on two key areas: Marketing Strategies: Participants were exposed to various marketing techniques and strategies employed by SPAR HYPERMARKET to attract and retain customers. They gained insights into market research, product positioning, promotional activities, and digital marketing initiatives.

**Customer Relations:** Students learned the importance of fostering positive relationships with customers to enhance their shopping experience and build brand loyalty. They engaged in hands-on activities such as customer interactions, feedback collection, and complaint resolution, thus developing essential communication and interpersonal skills.

## Internship Activities:

During the internship, participants were involved in a range of activities, including:

- Shadowing experienced professionals to observe day-to-day operations and decision-making processes.
- Assisting in the planning and execution of marketing campaigns and promotional events.
- Conducting market surveys and analysing consumer behaviour to identify trends and preferences.
- Interacting with customers to understand their needs and preferences, and providing personalised assistance.
- Collaborating with team members to brainstorm innovative ideas for improving customer satisfaction and loyalty.

## Learning Outcomes:

**Practical Experience:** They gained hands-on experience in applying theoretical concepts learned in the classroom to real-world business scenarios.

**Professional Opportunities:** The internship provided students with exposure to the retail industry and potential career paths, thereby broadening their horizons and enhancing their employability.

**Personal Growth:** Participants developed essential soft skills such as communication, teamwork, problem-solving, and adaptability, which are crucial for personal and professional success.

**Knowledge and Skills Enhancement:** They acquired a deeper understanding of marketing principles, customer relationship management strategies, and the dynamics of the retail market.

**Conclusion:** The Internship at SPAR HYPERMARKET proved to be a valuable learning experience for the participating students, enabling them to bridge the gap between theory and practice and gain insights into the intricacies of marketing and customer relations in the retail industry. The programme not only equipped students with practical skills and knowledge but also instilled in them a sense of confidence and professionalism that will serve them well in their future endeavours.

We hereby establish a Memorandum of Understanding with regard to Research Internship Program facilitating the acceptance of students of Little Flower Degree & PG College as Research Interns by Adelbert Innovation Research Private Limited. The terms of the Program are as specified below.

1. The Research Internship Program is named as "BIOEXCELLENTIA 2022"
2. The Program is online in nature and the period of internship shall be 3 months.
3. Classes shall be conducted by subject experts/scientists coordinated by Adelbert Innovation Research during evenings on Saturdays and Sundays only.
4. The total fees for the Program is 750/- and fees once paid is non-refundable.
5. Dr. Gomathi K., HOD, Department of Zoology shall be the Co-ordinator for "BIOEXCELLENTIA 2022"
6. The Research Interns shall be provided with the study materials, an Internship Certificate, a Letter of Recommendation and a Letter of Appreciation as well as mentoring support and career development guidance

This Memorandum of Understanding is valid for 12 months, effective from the date that it is signed by both parties. Two copies of this Memorandum of Understanding are to be prepared, each to be signed by the two parties, Adelbert Innovation Research Private Limited and Little Flower Degree & PG College, Uppal. One copy is to be retained by each party.

## MOU PROGRAM IN COLLABORATION WITH ADELBERT INNOVATIONS PVT LTD, KERALA

**Name of Dept.: Zoology**

**Event name: Certificate and internship for 30 hours**

**Title: Bioexcellencia 2022-23**

**Date & Time of Event: July 2022 - Dec 2022**

**Venue: Online Google meet**

The **Department of zoology** organised certificate and internship program **Bioexcellencia 22-23** in collaboration with **Adelbert Innovations pvt ltd, Kerala**. This 30-hour program was organised by both the organisations under MOU collaboration. 23 students from BZC and BTMC III and II years and other colleges from India also enrolled for this program. It was conducted in online platform Google meet, in the week ends by both the institutions. Resource persons from various scientific backgrounds were invited as special speakers, the student's interaction was followed.

Dr. Rajiv Giroti, Director of Central Forensic Science Lab, Hyderabad, delivered lecture on DNA profiling in criminal investigation. Dr. Joseph, Daniel, Assistant Professor from St. Joseph's College, Kadalur delivered on Microbial Diversity. Dr. Gomathi Kapali Assistant Professor, Little Flower Degree College, Hyderabad delivered on Auto immune diseases. Videos of lab work, scientific research was also included in the program. Young researchers, Phd scholars and PG students also participated as resource persons to share their knowledge.

The overall outcome of the session was to provide information about the research and advancement in the field of various branches of Zoology, to inculcate the scientific interest among the under graduate students.

The screenshot shows a Google Meet interface. On the left, a presentation slide titled "Criminal Casework" is displayed. The slide text reads: "Targeted sequencing of forensically relevant STR and SNP loci empowers generation of leads, even on cold cases. With NGS, crime laboratories can address hundreds of markers in a single test. This lets labs develop a more thorough, detailed profile from degraded, mixed, and limited DNA samples." Below this, it says "Forensic mtDNA Analysis" and "Because mtDNA is found in higher copy number per cell than nuclear DNA, it can survive environments where nuclear DNA does not, and can be a powerful tool for human identification. NGS provides deep coverage to extract genetic data from small forensic mtDNA samples." On the right, the Meet interface shows a grid of participants, including Veda Chakraborty, Adilbert Interns, Supriya Raut, Hic zeology, and Sanjaya Gupta. A list of people is also visible on the far right.

The screenshot shows a Google Meet interface. On the left, a presentation slide titled "DR. V.P. Gangadharan, DR. V.P. Gangadharan" is displayed. The slide features a grid of images of Dr. V.P. Gangadharan and a central image of a man in a pink shirt. Below the images, it says "DR. V.P. Gangadharan, DR. V.P. Gangadharan" and "Images may be subject to copyright. Learn More". On the right, the Meet interface shows a grid of participants, including Adelbert Interns, Karthika G Nair, DEVIKRISHNA GOP..., KARAN KARIA, Joy Persis, Prathishan Kaur, Suryasatish Kumar, SANDESHI KAJ, and Adelbert Bengaluru. A list of people is also visible on the far right.

Respected Madam,

Hope you are doing well,

We wish to let you know that Adelbert Innovation Research invites young, motivated students & researchers to join the **3 months online Research Internship Programme** to foster their potential in analytical techniques, gain vast scientific knowledge and inculcate a scientific temperament to excel in research.

Kindly see the brochure as attachment along with this mail.

**The total fee for 3 months is INR 1000/ USD 15****We are onboarding on 1st May, 2022 and offboarding on 31st July, 2022.**

Technical sessions /lectures by Scientists and subject experts will be conducted on Saturdays and Sundays afternoon/evenings.

We humbly request you to share the info with the students and researchers of your Organization.

Please feel free to contact +91 9846044591 or **Whatsapp +91 8304819243** for more queries.

We look forward to collaborate with your Institution in this Programme. Kindly guide us if that is feasible.

Seeking your wishes &amp; support in our humble endeavour.

With kind regards,

Research Director,

Adelbert Interactome,

Adelbert Innovation Research

Cochin - 682 015, Kerala, India

Dear Mam,

Warm greetings, Hope you are doing well.

Kindly see the Revised MOU as attachment along with this mail.

Thank you for your gracious support.

With best regards,

Raji Pillai,  
Research Director  
Adelbert Interactome Wing

Greetings from Little Flower Degree & PG College, Uppal, Hyderabad.  
Thank You mam for your gracious support in conducting such academic programs. We are very happy to extend a MOU with your Institution. I shall follow it and expedite the necessary steps to start our Internship Program for the students.

With regards

Dr. Gomathi. K, HOD, Dept. of Zoology  
Little Flower Degree & PG College, Uppal, Hyderabad

27 May 2022 at 12:11

Warm greetings from LFDC,

Dear madam, I had talked to our Vice principal and incharge of MOUs, we are very happy to extend MOU with your prestigious Institution. As per requirement for NAAC, the MOU should be signed in a Bond paper. I am sending the first page of the MOU with our logo and information, kindly procure a Rs. 100/- bond paper and send the required information and duly signed. The paper which you had sent shall be our first communication and the date on the MOU can be 26th May 2022. The written matter shall be the same as per your document dt 26th May. If you could send us the soft copy, we will send our MOU by post and you can also send your MOU by post. Now our staff are on vacation, monday college is reopening, if you could send the details, we will proceed with the formalities on monday.

With regards  
Dr. Gomathi.K

Respected Madam,

Hope you are doing well.

We wish to let you know that Adelbert Innovation Research invites young, motivated students & researchers to join the **3 months online Research Internship Programme** to foster their potential in analytical techniques, gain vast scientific knowledge and inculcate a scientific temperament to excel in research.

Kindly see the brochure as attachment along with this mail.

**The total fee for 3 months is INR 1000/ USD 15**

**We are onboarding on 1st May, 2022 and offboarding on 31st July, 2022.**

Technical sessions /lectures by Scientists and subject experts will be conducted on Saturdays and Sundays afternoon/evenings.

We humbly request you to share the info with the students and researchers of your Organization.

Please feel free to contact +91 9846044591 or **Whatsapp +91 8304819243** for more queries.

**We look forward to collaborate with your Institution in this Programme. Kindly guide us if that is feasible.**

Seeking your wishes & support in our humble endeavour.

With kind regards,

Research Director,

WRITTEN TEST - INTERNSHIP

NAME:- Dhiya Babu

DATE:- 16/11/2022

CLASS/GROUP:- BA-3 Pol Sci

DEPARTMENT OF LIBRARY SCIENCE

1. What is your <sup>vision</sup> for the future of libraries?

Make it more accessible to people, so that it would be easier to gain new information and also ~~to~~ increase their love for books.

2. What is your interest to develop the library?

At times, library give us information that is more relevant to the subject and ~~has~~ been ~~proof~~ checked. I want people to realise that this information is ~~readily~~ readily available and they don't need to gravitate towards

3. How will you utilize the opportunity given in your internship to develop the library? false information

I will understand how the management of library works and how it can be improved to make it easier for people to receive information and also make it easier to classify the books for librarians.

4. Give a brief information about family

I am the only child in my family. My mom works as a teacher. My dad works part-time at Reliance after he met with an accident a few years back that restricts him from working for a long amount of time. I come from a lower middle class family.

Don't worry, we are there to support you.

**LITTLE FLOWER DEGREE & PG COLLEGE**

**UPPAL, HYDERABAD-39**

**LIBRARY & INFORMATION SCIENCE**

**Conducted-Report**

Event: Internship for final year students of all streams.

Topic: Library Management System

Date:

Venue: Library

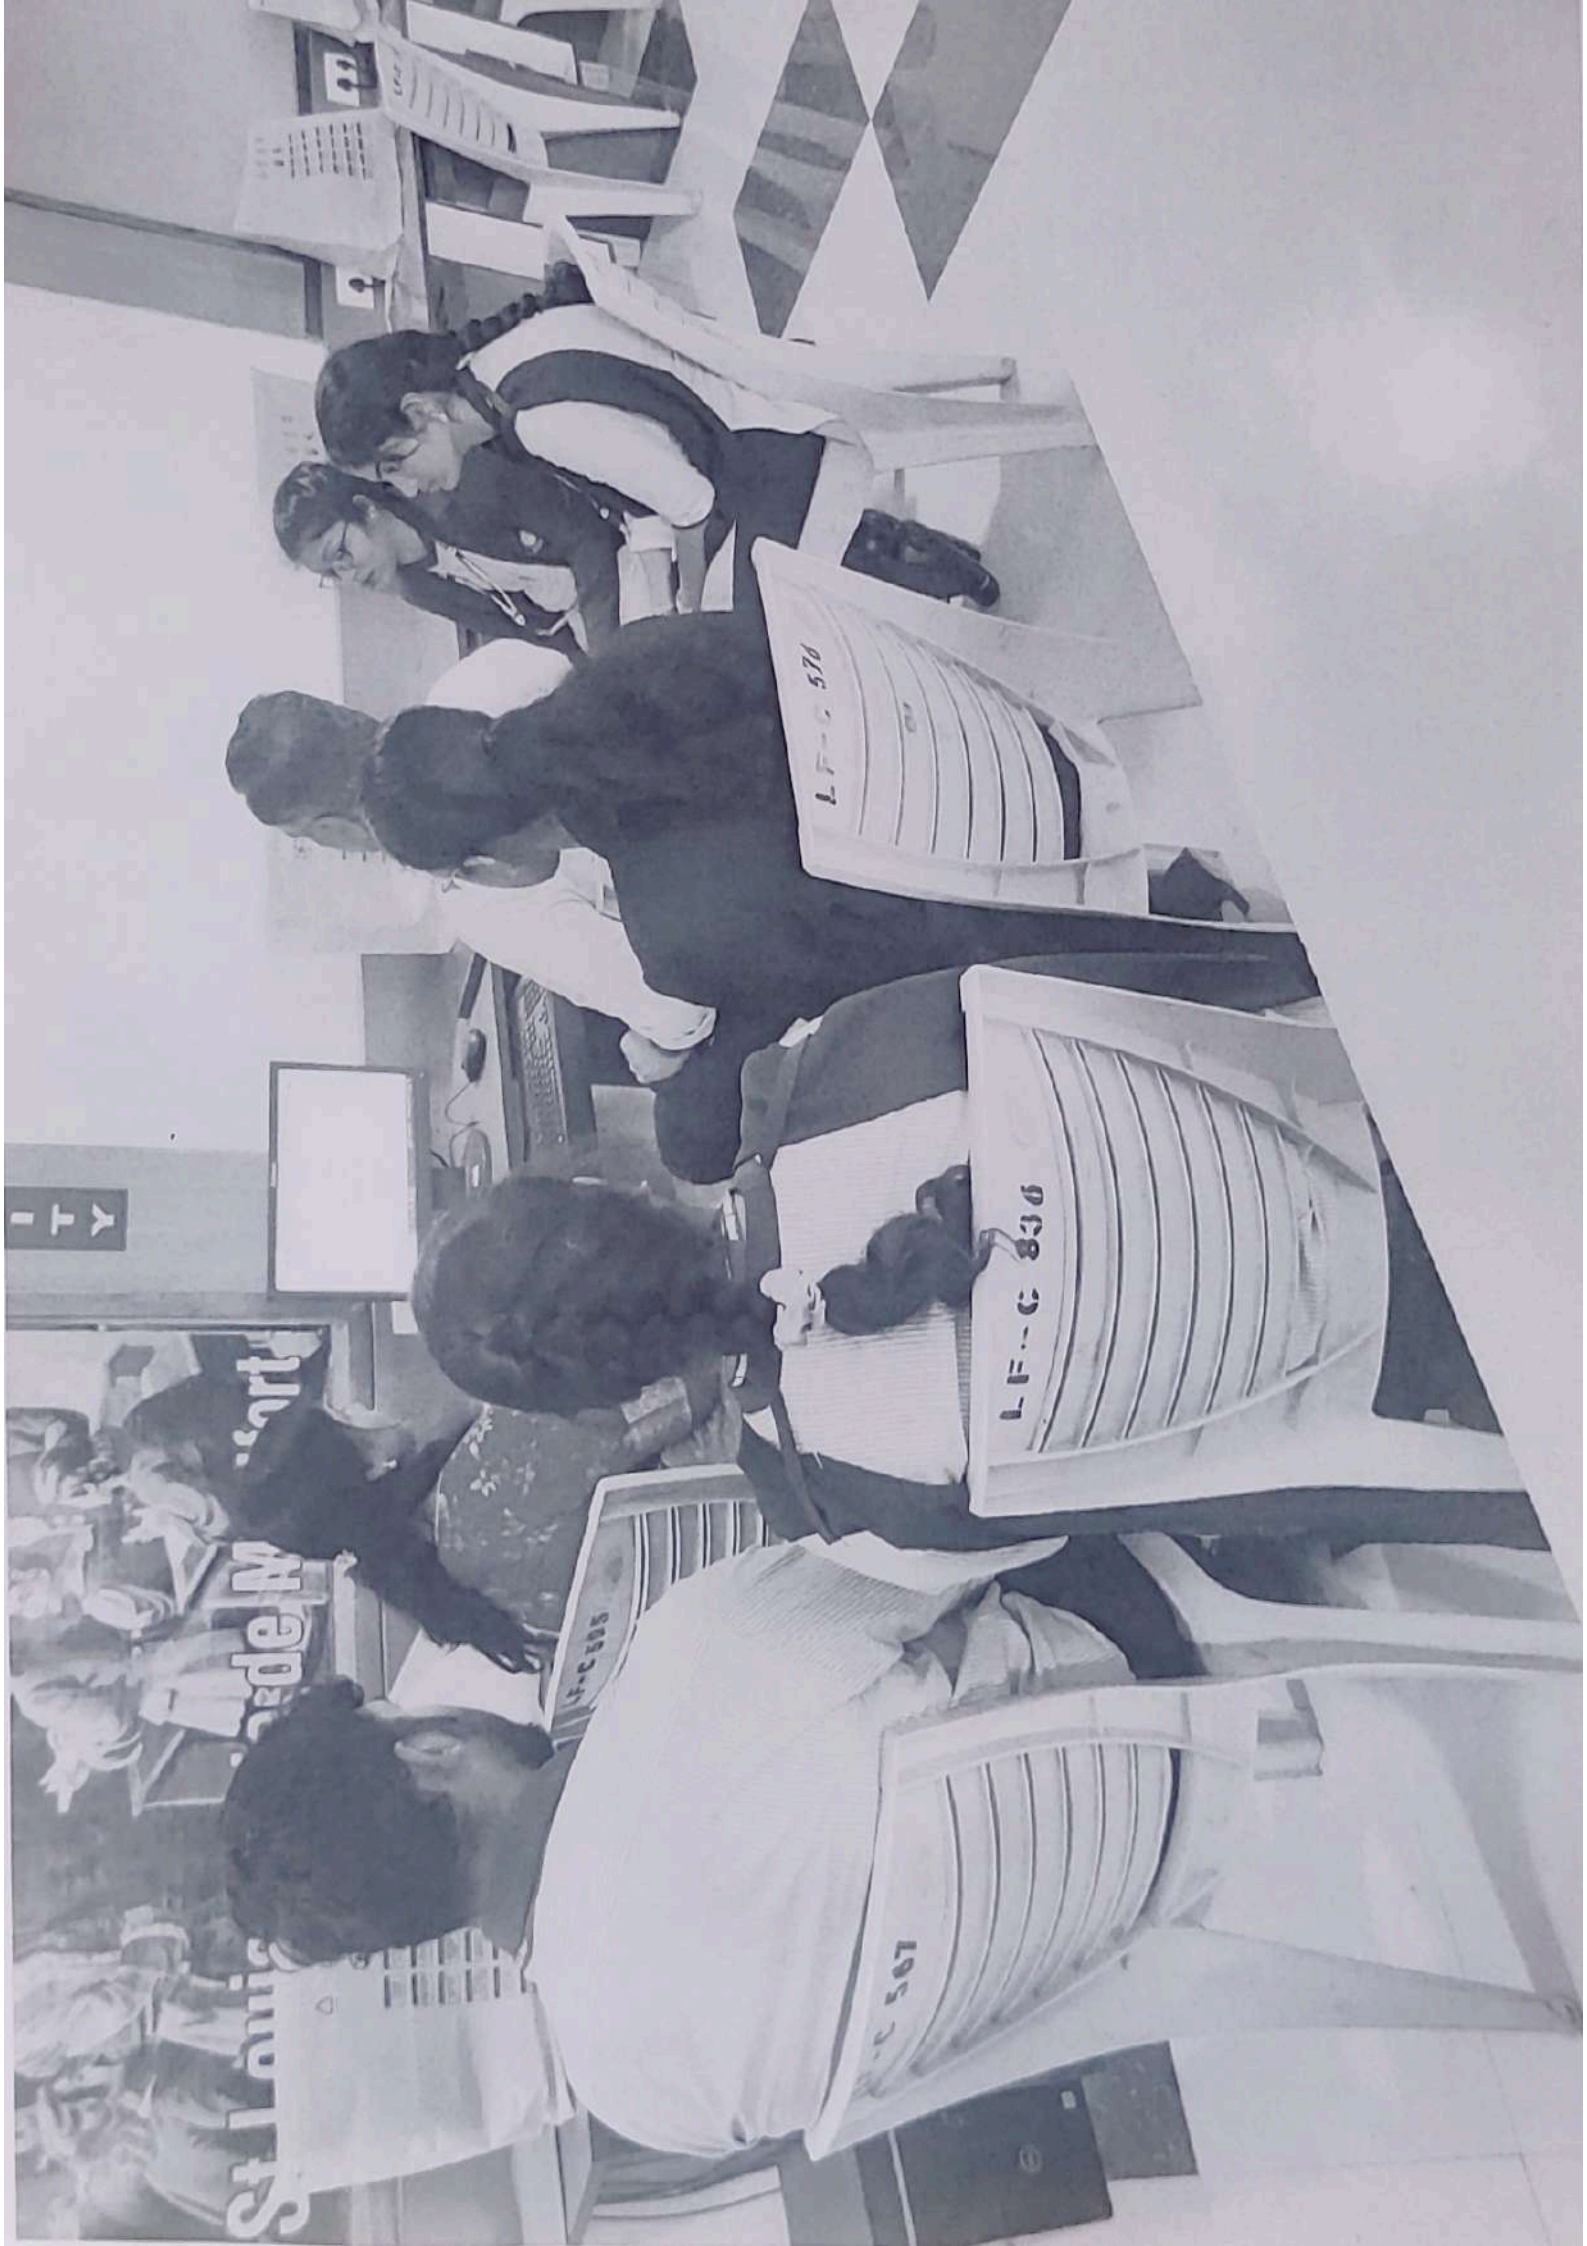

The primary objective of the internship program was to provide students with hands-on experience in developing and implementing Library Management System (LMS) students were expected to gain practical insights into the challenges faced by libraries and the role of technology in addressing them. It is paid internship where students developed with confidence & working enthusiasm with practical experience, where the opportunity is given to only 2022-2023 outgoing batch, many students registered but it was management decision to take only 5 students as it is paid internship, test was conducted & also few parameters were considered to decide the students.

Learning Outcomes: Students enhanced their technical skills by learning to design, develop, and implement a functional Library Management System, through interaction with librarian and observation of day-to-day operations, students gained a comprehensive understanding of the various processes involved in managing a library, including cataloguing, circulation, and user services.

By actively engaging with library staff and patrons, interns developed a deeper appreciation for the role of libraries in facilitating access to information, promoting lifelong learning, and supporting academic and research endeavours.

Overall, the internship provided students with a valuable opportunity to apply theoretical knowledge in a practical setting, preparing them for future careers in library and information science or related fields.

WRITTEN TEST - INTERNSHIP

NAME:- S. Alekhya

DATE:- 16/11/22

CLASS/GROUP:- BBA Final year

DEPARTMENT OF LIBRARY SCIENCE

1. What is your <sup>vision</sup> for the future of libraries? <sup>It improves the interpersonal skills such as communication, even though some don't prefer coming library, libraries should still exist so it has become a custom for schools & colleges.</sup>

As technology has taken place of books & periodicals in the form of e-books & e-magazines, My vision for future libraries are even though technology has advanced, one would like to prefer to read books peacefully in silence and not through gadgets which spoil our eyes.

2. What is your interest to develop the library? <sup>This helps students to increase in their skills to improve.</sup>

I would more likely love in managing the things so as to develop my skills, so my interest is to develop by helping the students to find their required resources & decorating the library, so, it can attract our college students rather than going to <sup>any other</sup> library.

3. How will you utilize the opportunity given in your internship to develop the library?

Library is a place where the different types of books and periodicals are available, so I would like to utilize this opportunity in the betterment of improving my skills such as managing and segregation of books and maintain a record of them and also take care and helping the students in finding their resources. In this way, I would like to develop the library in more segregation according to the need and maintain the records properly at time.

This decreases the chance of losing the books & helps in proper maintenance. As I have organised many events in my family, I would love to organise the library in attractive way so that students prefer coming & read the books, in return which improves their skills & abilities.

## Paid Internship - Report (2022-2023)

**Objective:** The objective of the paid library internship is to provide college students with hands-on experience in library operations, fostering professional skills, confidence, and a commitment to lifelong learning.

**Introduction:** Libraries serve as more than just repositories of books; they are vibrant hubs of learning, research, and community engagement. Recognizing their pivotal role in shaping students' academic and professional growth, libraries have begun offering paid internships to degree college students. These internships aim not only to provide practical experience but also to develop confidence and readiness for the professional world. This report delves into the significance and outcomes of such internships in fostering confidence among outgoing students.

**Importance of Paid Internships:** Paid internships in libraries offer a unique opportunity for students to bridge the gap between theoretical knowledge gained in classrooms and real-world applications. By immersing themselves in library operations, interns gain valuable insights into information management, research methodologies, and user services, it helps socio-economic backgrounds, ensuring equitable access to experiential learning opportunities.

The selected & finalised students are five in number, they are from different streams of final year

1. B. Yamini, BA-III
2. V. Sai Adarsh, MECS-III
3. J. Sneha, BBA-III
4. Dhiya Babu, BA-III
5. P. Akshitha, BCOM-CA-III

The students are paid 2,000/-Per head per month, which supported them financially & develop confidence.

**Building Confidence:** One of the primary objectives of library internships is to student's self-assurance and professional skills. Through hands-on tasks, such as assisting patrons, cataloguing materials, or organizing events, interns develop a sense of ownership and responsibility. Beyond confidence-building, library internships equip students with a diverse set of professional competencies essential for their future careers. They learn effective communication skills through interactions with library staff. In addition to personal and professional development, library internships facilitate meaningful engagement with the broader community. Library paid internships represent a potent vehicle for empowering degree college students, not only through skill acquisition but also by nurturing confidence, professionalism, and a commitment to lifelong learning. By investing in such programs, libraries play a pivotal role in shaping the next generation of informed and empowered leaders. As students transition from interns to professionals, they carry with them the invaluable experiences and lessons learned, enriching both their personal and professional lives.

Learning Outcomes: Students will gain practical knowledge in information management, research assistance, and community engagement, while developing communication skills, critical thinking, and adaptability for future careers.

## REPORT ON

### CLINICAL INTERNSHIP - HOPE TRUST

**OBJECTIVE** The Department of Psychology conducted a clinical internship program from 16 th February, 2023 to 11 th March, 2023. The Internship was conducted from 2.00 pm to 4:00 pm. 15 Students of M.A Psychology of first year took an active part in the internship.

The **objective** of the field trip was to give practical exposure to various counselling, addiction, mental health issues and their management.

Clinical internship programs are ideal for the students of Post Graduation. This programs will make them acquainted with the basics of counselling, addiction and mental health issues and their management.

In the 14 days of Internship program students were introduced to the program and a role play was conducted to make them aware of the counselling Psychologist. Students were introduced to inclusive diversity with 6 C's of inclusive leaders and 8 essential components of inclusive, 6 steps of building an inclusive workplace and grounding technique. Students were introduced with case history taking techniques.

Characteristics of addiction, risk factors and treatment patterns. Interaction of students with deaddict patients and the hardships faced by them and interventions helped them to proceed in the process were briefed.

Students were also exposed to different questionnaires used and learnt their scoring and interpretation as a part of the program.

Importance of counselling and skills required such as observational skills, motivational interviewing, attending skills and assertiveness and types of aggressions to be encountered by the counselling psychologist were also made aware to the students.

An exposure to Attachment styles and language of love and quality of marital relationship was provided to the students.

An overview of anxiety disorders, cognitive behaviour therapy and other relaxation techniques was also made acquainted to students. Students were issued a certificate after completing a test to assess their learning skills related to internship.

**Outcome:** The students learned many things about Counselling and different techniques, Assessments and required skills as a practicing counselling Psychologist with practical exposure to addiction and de-addiction and clients who have overcome the addiction process was provided along with certificate

## REPORT ON

### CLINICAL INTERNSHIP - HOPE TRUST

**OBJECTIVE** The Department of Psychology conducted a clinical internship program from 01 st June, 2023 to 01st July, 2023. The Internship was conducted from 2.00 pm to 4:00 pm. 03 Students of M.A Psychology of first year took an active part in the internship.

The **objective** of the Clinical Internship was to give practical exposure to various child developmental disorders, diagnosis and their management.

Clinical internship programs are ideal for the students of Post Graduation. This programs will make them acquainted with the basics of child developmental disorders across their lifespan and different diagnostic criteria including assessing IQ.

In the 30 days of Internship program students were introduced to the program and learnt about clients presenting with various disorders of development. Their were introduced to different common neurodevelopmental disorders and their affect on the growth and development of the child along with proper occupational therapy to make child adept with the required skills

Characteristics of autism, Attention deficit Hyperactivity disorders were briefed along with practical presentation of clients were introduced to the students.

Students learned to draw a family tree to assess the risk of genetic predispositions for different disorders and identified means to depict future trends of progression of disorders along with the probability of prevalence of the same.

Students were also exposed to different questionnaires used and learnt their scoring and interpretation as a part of the program for assessing the IQ of the child presenting to clinical examination.

Importance of counselling and skills required such as observational skills, motivational interviewing, attending skills and assertiveness and types of aggressions to be encountered by the counselling psychologist were also made aware to the students.

Students were issued a certificate after completing a test to assess their learning skills related to internship.

**Outcome:** The students learned many things about Child developmental disorders, Assesments and required skills as a practising counselling Psychologist was provided along with certificate.

## INTERNSHIP FOR MEDIA CORNER COMMITTEE

### 2022-23

**Topic:** Videography, Photography and Editing

The Objective of this internship is to provide students with hands-on experience in implementing the media corner. The primary goal is to provide interns with practical skills in photography and videography editing, ensuring that they are proficient in industry-standard software and techniques.

Interns have the opportunity to work on live projects under the guidance of experienced mentors, allowing them to apply their skills in real-world scenarios.

Beyond technical skills, Media Corner Committee aims to support interns in developing soft-skills such as communication, teamwork, and time management, essential for success in any professional environment. Our internship provides students with hands-on experience in photography and videography editing, equipping them with the skills and knowledge needed to thrive in the dynamic world of visual media.

**Technical Training:** Interns receive training in industry-standard editing software such as Adobe Photoshop, Lightroom, Premiere Pro, and After Effects, ensuring they are proficient in both photo and video editing techniques.

### Conclusion:

At the Media Corner Committee, we are proud to play a role in shaping the next generation of visual storytellers. Through our photography and videography editing internship program, we are committed to providing students with the tools, guidance, and opportunities they need to thrive in this exciting and ever-evolving field.

The Interns are also awarded with their respective certificates and Stipends as a contribution towards their work.
