Proposed Plan for Establishment of Innovation Lab

Little Flower Degree College proposes establishing an innovation Lab on the college campus. The facilities proposed to be supplied in the Innovation Lab will be extremely beneficial to students and professors for the creation of innovative products, ecosystems, entrepreneurial assistants, and the filing of any intellectual property rights

Objective:

- To foster Innovation and creativity.
- To Improve the quality of knowledge, performance and productivity.
- To encourage students to share innovative ideas.

The following is the requirement for the establishment of innovation Lab:

1. A dedicated room assigned for the purpose of Innovation.
2. Power and Lan connections.
3. Software: ICATIA/ENOVIA/SIMULIA/DELMIA/3DEXCITE/SOLIDWORKS
4. Appointment of one mentor from the industrial background.
5. High speed printer.
