Uppal, Hyderabad

Respected Rev. Brother,

Subj: Request permission to purchase library software

This is to bring to your kind notice that the Department of Library Science would like to inform you about the intention to purchase library automation software. After detail enquiry I found the ISLIM -Library Automation software, suitable for the latest update of the library.

An employee related to the ISLIM Software came to the college and gave a demonstration on the benefits and usage of the Software.

I would humbly request to give permission for the ISLIM soft ware to be installed in the library.

The proposal and the quotation for the software, I have attached for your kind consideration.

Thanking You,

Yours sincerely,

Mrs. Sudha Reddy
(Librarian)

Backup Procedure for MS SQL Server

Refer SettingUpBackupProcedure_iSLIM.docx for setting up the backup procedure for the first time on a server

1. Start iSLIM.
2. Click on 'UTL' module.
3. Ensure that a 'Backup' button is displayed under UTL module.

4. Click 'Backup' button to start Backup application.

5. Provide primary backup path. It is a folder path on database server where backup is to be taken.
6. Select day from dropdown. By default it is current day. For each day of a week, there is a separate backup file. Therefore, at most there will be seven backup files. So, if backup is taken on last Wednesday and again day is selected as Wednesday then it will overwrite earlier backup file. E.g. *iSlimBkupWed.bak.*
7. Click on 'Backup Now' button to start iSLIM database backup.
8. Once the backup process is complete, following backup information gets displayed :

Algorhythms Consultants Pvt. Ltd.

Primary location where backup file is created. ———————→ Backup Details

Backup completed successfully at c:\iSLIMBackup\iSlimBkupWed.bak

Previous backup location. ———————→ Previous backup location c:\iSLIMBackup\iSlimBkupFri.bak

Previous backup size   529977344 bytes

Size of previous backup, current backup and difference in size. ———————→ Current backup size   529976320 bytes

Difference   -1024 bytes

Click to download backup on local machine. ———————→ Download Backup

9. Ensure that, at the selected backup location/path, a backup file is created as
   <path>\iSlimBkup<day>.bak
       e.g. C:\iSLIMBackup\iSLIMBkupTue.bak.

10. Date of Last Backup taken is shown on the iSLIM home page.

LICENCE AGREEMENT FOR THE USE OF SOFTWARE

Please read the following TERMS and CONDITIONS carefully. Opening the package containing CDs implies your acceptance of the TERMS and CONDITIONS mentioned below.

ALGORHYTHMS Consultants Pvt. Ltd. (LICENSOR) AND THE LICENCEE (whose name appears on the package having the software on the CDs, etc) have agreed that the LICENSOR'S grant to the LICENCEE of the right to use and possession of this software shall be subject to all the TERMS AND CONDITIONS mentioned below.

LICENCE TO USE:

Algorhythms hereby grant you a non-exclusive paid-up license to use the software contained in the CDs supplied to you hereinafter termed Algorhythms Software-under the terms and conditions set in this agreement. All Algorhythms software are supplied in directly executable form, and you may load them on your computer for your use. You may copy the software for backup in support of your use of the software.

THE LICENCE IS TO THE ORGINAL LICENCEE ONLY AND IS NOT TRANSFERABLE. IF YOU TRANSFER POSSESSION OF ANY ORINGINAL (OR COPY) OF THE ALGORHYTHMS SOFTWARE TO ANOTHER PARTY, YOUR LICENCE IS AUTOMATICALLY TERMINATED. YOU MAY USE THE SOFTWARE ON A NETWORK OF COMPUTERS TO MAITAIN COMPUTERISED COLLECTION OF A SINGLE LIBRARY OR GROUP OF LIBRARIES OF YOUR ORGANISATION AS STATED IN THE ORDER DOCUMENT.

LICENCE FEE:

The licence fee paid by you for the LICENCE TO USE ALGORHTYTHMS SOFTWARE IS NON-REFUNDABLE UNDER ANY CIRCUMSTANCES.

YOU MAY NOT ENGAGE IN, NOR PERMIT THIRD PARTIES TO ENGAGE IN, ANY OF THE FOLLOWING:

A. Providing or permitting use of or disclosing the software to third parties.
B. Providing use of the software in a computer service business, network, timesharing, multiple CPU or multiple user arrangements to users who are not individually licensed by ALGORHYTHMS.
C. Making alterations or copies of any kind in the software (except as specially permitted above).
D. Attempting to disassemble, decompile or reverse engineer the software in any way.
E. Granting sub-licenses, lease or other rights in the software to others.
F. Making telecommunication data transmission of the software.

OWNERSHIP OF THE SOFTWARE

The Licensee shall have the 'Right to Use' the software supplied by ALGORHYTHMS, however ALGORHYTHMS shall at all times retain the ownership of the ALGORHYTHMS SOFTWARE recorded on CDs and/or any other media(e.g. disks, card, cartridge, etc) on which the original and other copies may subsequently exist. This LICENCE IS NOT A SALE OF Licensee's copy or any other subsequent copy.

No part of the software (other than for the specific purpose of internal backup storage as mentioned in the manuals) may be copied, duplicated, or reproduced by any means whatsoever either through a single machine or multiple interconnected systems. No part of the related documents including the USER MANUAL(S) may be copied, in part or whole, by any means whatsoever.

LIMTED WARRANTY:

Though efforts have been taken to produce software of the highest quality ALGORHYTHMS software is supplied on ' AS IS ' basis without warranty of any kind, expressed or implied including without

limitation, implied warranties of merchantability or fitness for a particular purpose. Neither ALGORHYTHMS nor its Dealer shall be held responsible for any loss, cost, or expense incurred in the use of, repair to or servicing of the software. All specifications of the software as mentioned in the manual are subject to change (without notice) in actual SOFTWARE supplied to the LICENCEE.

LIMITATIONS OF LIABILITY:

Neither ALGORHYTHMS nor anyone else who has been involved in the design, development, production, or distribution of ALGORHYTHMS software shall be liable for any direct, incidental or consequential damage, such as but not limited to loss of anticipated profits or benefits resulting from the use of the software.

CD REPLACEMENT:

Since the CD(s) on which ALGORHYTHMS software is supplied is not manufactured by ALGORHYTHMS, ALGORHYTHMS does not offer any warranty that the CDs are free from defects. On the other hand, in the event that any of the CDs supplied by ALGORHYTHMS becomes unusable, ALGORHYTHMS shall deliver a new copy of the software. For this, you must fill in and return the enclosed Customer registration Form, and the original CD(s) supplied to you. All cost towards packing posting and forwarding will have to be borne by you. This is valid for a period of 60 days from the date of delivery.

DATA PRIVACY

Although ALGORHYTHMS takes precautions — including administrative, technical, and physical measures — to safeguard your data which is part of SLIM database or handed over to us for processing against loss, theft, and misuse; you are requested to remove or encrypt information sensitive to your business before handling over the data to us.

INTERFACING WITH EXTERNAL DATA SOURCES

SLIM software provides interfacing (using standard published APIs) with copy cataloguing sources. The data displayed in SLIM is as fetched from these sources.
Please note that the policies of these sources are subject to changes and it may be necessary to incorporate these changes to continue use of the application. E.g. you may need to
– Register your organization with these sources. Our team will always be available to provide the required support.
OR
– Pay periodic subscription amount whenever necessary.

Any violations of the TERMS AND CONDITIONS of the LICENCEE will automatically cancel the LICENEE AGREEMENT and require all software supplied by ALGORHYTHMS (Along with all CDs cartridges, cards subsequent copies etc.) to be returned by the LICENCEE to ALGORHYTHMS.

JURISDICTION:

All disputes are subject to the Pune Jurisdiction.

CONFIDENTIALITY AND RESTRICTIONS ON USE:

YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, UNDERSTOOD IT AND AGREE TO BE BOUND BY ITS TERMS AND CONDITIONS. YOU FURTHER AGREE THAT IT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN US WHICH SUPERSEDES ANY PROPOSAL, OFFER OR PRIOR AGREMENT, ORAL OR WRITTEN, AND BY ANY OTHER COMMUNICATIONS BETWEEN US RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT.

Kind Attn:- Ms. Sudha Reddy

Dear Sir/ Madam,

Sub: Automation of your library using iSLIM -
Web-based Library Management system

With reference to your inquiry about **web-based** library automation system, we take the opportunity to introduce our latest product iSLIM for your kind consideration.

What is iSLIM?
We, at Algorhythms, are committed to bring the advantages of the latest technology to our customers. As a part of this endeavor we have now released iSLIM library management software based on web platform. iSLIM offers remarkable features to cater to the requirements of managing libraries in the 21st century.

iSLIM includes all the features to automate library staff functionality related to Cataloguing, Circulation, Acquisition, Inventory, Reporting. For library members, iSLIM provides a portal to search in-house collection as well as external resources. Following services are offered with iSLIM :

1. Data conversion from existing system
2. Barcode labels format customization
3. Library card Format customization
4. Onsite Training
5. One year support from our helpdesk

SLIM

iSLIM software is available in modules. Please refer the iSLIM brochure for list of iSLIM modules. This quotation covers iSLIM basic modules.

Standing behind our product!

> Configuration settings
> Implementation support
> Data Conversion (charged extra)
> Remote training / Refresher courses
> Support by Email, Chat, Phone
> Visits by Support engineers (charged extra)
> SLIM Users' Meet organized every year
> SLIM User group formed for SLIM community

Thanking you,

For Algorhythms Consultants Pvt. Ltd,

Mrs. Lakshmi Mishra
