Libby Smith, M.S. Program Director, Master of Science in Applied Psychology Psychology Department, Harvey Hall 470D

May 17, 2022

Dear Nasir,

Congratulations! You have been accepted into the 2022 Master of Science in Applied Psychology (MSAP) program cohort at the University of Wisconsin-Stout! Your strong credentials placed you among a select group of individuals who were accepted into the program. The purpose of this letter is to inform you of important and time sensitive information, so please read it in its entirety. If you would like to schedule a campus visit, please let me know!

Critical Update

In January 2022, the University approved a revision of the current program plan. This program will be implemented in Fall 2022, the term for which you have been accepted. Please review the attached document to view these important changes. We are confident that these changes will provide an improved educational experience for our students.

Program Acceptance

You may be receiving acceptance letters from multiple schools. I understand how stressful this can be – trying to make 'the decision'. I am more than willing to talk to you at any time to help you make the best decision for you. To officially indicate program acceptance, please just respond to this email.

Graduate Assistantships

To help pay for graduate education, we suggest you apply for a Graduate Assistantship (GA). To learn more about GA positions available to MSAP students, click here https://goo.gl/D43S1e

Once you have accepted, you will be eligible and notified of positions that will be available for the fall. An application for Psychology Department positions will be sent in late April. We anticipate having multiple 10-hour per week positions available.

Orientation, Registration & 1st Semester Courses

Orientation for your cohort will be held prior to the start of classes. During orientation we help get our MSAP students acquainted and registered. You do not need to worry about classes filling before then, as most required courses are reserved for MSAP students. Attached is a list and description of the courses you will be taking this fall, as well as the official Program Plan. The best part of the day is meeting your fellow students!

Dear Preetham:

Congratulations! Your application for general admission to graduate study in Applied Behavior Analysis for Fall 2023 has been reviewed and acted upon favorably. It is my pleasure to inform you of your conditional acceptance into the Graduate School of Education at Duquesne University, "Home of the Nation's Leading Teachers". The condition is pending performance in your first nine credits.

Please contact your advisor, Dr. Ann Huang, at (412) 396 – 1599 or via email (huanga2840@duq.edu) to schedule an appointment for initial advisement regarding your program of study in Special Education. Provisional admission to the Graduate Special Education Program is contingent upon your mandated attendance and successful completion of GSPE 500, Orientation to Special Education (0 credits). Students must attend the scheduled Orientation Course prior to attending classes. You will be notified of the Orientation date and time.

Your confidential Duquesne University Institutional ID number is D01851118. Over the next months you may be asked to provide this number to various student support departments at the University as you inquire about the services that are available. These services can include Admissions, Financial Aid, Computer Technology Services, etc. Please keep this letter on file or record your Duquesne University Institutional ID number in a safe location for future reference.

In order to reserve your seat in this year's class, a non-refundable enrollment deposit of \$250 is required.

Please confirm your decision to enroll by logging back into your Application Portal to complete your "Enrollment Response Form." When you accept your admission offer, you will then be directed back to your Application Portal where you will be able to submit your \$250 enrolment deposit.

Please refer to the description of the Graduate Programs in Special Education located at http://www.duq.edu/academics/schools/education/graduate-programs-education for additional information on the programs and the process and procedures for admission to candidacy. The handbook and other relevant documents will be reviewed at the orientation meeting.

Thank you for your interest in Duquesne University and in the School of Education. This will, it is hoped, be the beginning of a very rewarding professional experience for you.

Again, congratulations and welcome.

You have been assessed by the University as an international student for fee purposes. Tuition fees are subject to increase for each subsequent academic year. (Typically increases will be in line with UK inflation and of no more than 5%).

To release your CAS, (Confirmation of Acceptance to Study), you will be required to make a non-refundable* deposit payment, as detailed in your offer letter. Please note that the deposit rate in your letter applies to the academic year 2020/21 and is subject to change for students applying for deferred entry or commencing programmes in the academic year 2021/22.

Payment of your study deposit confirms your acceptance of this offer. The deposit is non-refundable* unless your application for a visa is refused by the UKVI (UK Visas and Immigration Service). If UKVI refuse your visa on the grounds of fraudulent documentation or deliberate deception, note that the University will not refund the deposit. Documentary evidence of visa refusal must be provided for a refund to be considered. Please note that an administration fee of 750 GBP will be retained by the University where a visa has been refused.

*Exceptions due to COVID19 for 20/21 intakes: The University of Salford understand the changing position of COVID19. Should any COVID19 issues affect your ability to continue with your application your tuition fee deposit will be refundable.

You will be required to make arrangements for payment of the tuition fee as a condition of your registration. Prompt Payment Discount (Paying in Full)

If you pay the full balance of your fees at, or before, registration you will qualify for a prompt payment discount of 3%. This is only applicable to self funded students. It does not apply to students who are funded by an employer or a government agency. The prompt payment discount will be applied to the remaining net fee for your programme, i.e. after any scholarship/bursary awards or other discounts have been deducted. Please note that the prompt payment discount applies to the academic year 2020/21. It is subject to change for students applying for deferred entry or commencing programmes in the academic year 2021/22.

The Instalments will commence one month after registration for five consecutive months and will be collected on the last day of the month from a debit/credit card. The Loyalty Discount will be applied to the remaining net fee for your programme at the point of registration. There are limits on whether Loyalty Discount can be combined with other scholarships and bursaries.

For further details please see: https://beta.salford.ac.uk/international/scholarships

Please note that if you subsequently withdraw from your programme of study, any bursary, discount or other award will be re-claimed in the calculation of refund/outstanding fees.

Discontinued and Changed Programmes

Programmes may need to be discontinued or changed where the University considers this to be reasonably necessary (such as where there is insufficient take-up to make a course viable) or because of circumstances outside the University's reasonable control. The University will give its applicants and students as much notice as possible of changes which affect them.

If a course is discontinued or substantially changed, students may withdraw from that course or (depending on availability) apply for another course. An appropriate refund will be made to students who withdraw because they cannot transfer to a suitable alternative course.

If the supply of any of the University's services is prevented or delayed because of circumstances outside the University's control then, although the University will take reasonable steps to avoid or minimise any disruption, it will not have any further liability.

The personal information provided by you as both an applicant and as a registered student will be held and processed by the University in accordance with its notification to the Information Commissioner and as required by the Data Protection Act 1998.

Financial Condition: Minimum pre registration deposit of £3000 (See conditions below):

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specialised above. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). If you have not received this email and wish to pay your deposit, please contact your agent who will obtain the 'Applicant ID' from the university.

To accept or decline this offer please reply to accepts@gre.ac.uk within 28 days to let us know. If you do not reply within 28 days, then we may be unable to guarantee your place, as it may be offered to another applicant. Please ensure that you include your Applicant ID in your response.

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at https://www.gre.ac.uk/finance/fees or by contacting international@gre.ac.uk

For Ds assessed as paying fees at the <u>international rate</u>, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI - X + 3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at http://www2.gre.ac.uk/current-students/regs/?a=1441173.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at https://www.gov.uk/browse/visas-immigration/student-visas

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link http://www.ukcisa.org.uk/

2

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are 'in London' and our Medway Campus is 'outside London'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January
