About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/test-takers/general-test/scores/understand-scores.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Management Aptitude Test and Test Scores

- The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- All scores and percentile below figures are reported after rounding off to the nearest whole number.
- Personal data is as reported by the candidate.
- The AIMA has taken due care while uploading the Score Card. However, in case of any inadvertent error, the AIMA reserves the right to rectify the same at a later stage.
- Normalised scores across multi session papers are based on the relative performance of all those who appeared for the examination. The raw marks obtained are transformed into Normalised Score. For detailed procedure on Normalised Score , please visit website <https://resources.aima.in/event-uploaded-file/mat-score-and-its-interpretation.pdf>

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/test-takers/general-test/scores/understand-scores.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

IMPORTANT INFORMATION FOR ALL INTERNATIONAL STUDENT SCHOLARSHIP INFORMATION

Congratulations, your application for a CQUniversity International Student Scholarship has been successful!

Subject to you remaining enrolled in full time study in the course and intake listed on this Letter of Offer and meeting the terms and conditions of the International Student Scholarship, this scholarship entitles you to a 25% reduction on your course tuition fees for duration of your studies.

The International Student Scholarship will remain in force if all tuition and additional fees/costs are paid in full each term in accordance with CQUniversity policy. If you do not pay all fees applicable to your studies each term, or have a MAP 3 condition placed on your enrolment or your enrolment is cancelled, or you fail to comply with the conditions of your student visa, your scholarship will be withdrawn. If you cancel your studies at CQUniversity prior to completion of your studies as per the Letter of Offer, and/or transfer to a different Education provider, you may be liable to repay the International Student Scholarship fees for each term that has been completed. If your offer of admission to CQUniversity lapses or you request a deferment of commencement term, the award of the International Student Scholarship will also lapse and a new application will need to be submitted. If you decide to defer your admission at the University, the eligibility for the scholarship will be reassessed at the time.

The Scholarship is not redeemable for cash and it can be withdrawn with 10 days written notice should you breach any of the terms and conditions. If you are advised that CQUniversity is withdrawing this scholarship, you have 10 days to appeal the decision.

Please note: The International Student Scholarship's Terms and Conditions may be changed at any time and if this occurs the University will provide 20 working days written notice to all current Scholarship recipients. For any queries relating to the terms and conditions of this scholarship, please contact the Student Experience team at your campus.

OVERSEAS STUDENT HEALTH COVER (OSHC)

If you are applying to study as a student visa holder, the Australian Department of Home Affairs requires that you have Overseas Student Health Cover (OSHC) for the entire duration of your student visa. OSHC is health insurance for international students that helps to cover medical costs while studying in Australia. This means that the OSHC insurance must commence from approximately one month (4 weeks) prior to commencement of term and must be in effect until you leave Australia or move to a non-student visa subclass. CQUniversity's preferred OSHC provider is Bupa Australia and you are provided with an Advantage OSHC Policy. The OSHC amount included in your offer is estimated on your expected visa duration. You will be required to finalise payment of any variation to this amount when you arrive on campus to enrol. If you plan to arrive prior to the start of your OSHC cover, you must immediately contact your health insurance provider to request that the cover starts earlier. This may mean that there are additional costs. If you intend to study on another temporary resident visa subclass (not student visa), please ensure you have adequate health insurance that meets the conditions applicable to your visa. Bupa Australia offers [Overseas Visitor Cover \(OVC\)](#). Please note: Bupa Australia OSHC or OVC schedule fees are subject to change. Policy details can be found at: [Bupa Australia](#). For full exclusions, limitations, waiting periods, terms and conditions please read the Bupa Australia [Policy Document](#).

Your safety is our top priority. For any OSHC policies scheduled through CQUniversity (from 01 May 2023), students will have the added benefit of membership to student safety support service provided by Bupa Australia - powered by Student Parachute at no additional cost to provide our students with 24/7 on-demand support. Once you have commenced at the University, you will be able to access this support via the Student Parachute app where a team of trained professional staff are ready to respond to your safety and well being needs, anywhere in Australia.

TUITION FEES

Fees are determined by CQUniversity annually and are subject to change. The fees that are payable in future years will be those that have been approved for that calendar year and may be different to those listed in your offer letter. Your offer letter lists the indicative annual fee (for two academic/study terms) and the offer acceptance deposit fee payable when you accept your offer. Commencing students will be charged the relevant tuition fees as per the approved schedule for that year, and fees may increase each year. Units from a different discipline area will attract tuition fees at the applicable rate: this may increase/decrease your annual tuition fees. The other non-tuition fees applicable for the course are outlined in the CQUniversity Handbook

<https://handbook.cqu.edu.au>

** Please note that the fees mentioned in the acceptance table are the minimum standard deposit payable and are an indicative figure that is required to obtain the Confirmation of Enrolment (COE). Students will still need to meet the Genuine Temporary Entrant (GTE) criterion which includes the Financial Assessment prior to finalisation of Acceptance of Offer.

BIOSECURITY ENHANCEMENTS - ARRIVING INTO AUSTRALIA

Australia has strict requirements on the food, plant materials or animal products that can enter or leave the country. From 01 January 2021, student and temporary work visa holders may have their visa cancelled at the point of entry to Australia if they do not comply with this legislation. More information can be found [here](#).

Where possible, I agree to use the University's internal grievance and dispute resolution procedures to resolve any dispute or grievance which I may have. Further information regarding the University's grievance and dispute resolution procedures can be found at

<https://www.cqu.edu.au/policy/all-policies>

I understand that if I do not commence my studies with CQUniversity Australia for any reason, or breach a condition of this agreement or my student visa, or the University is unable to offer my course of study, that refunds are only payable under limited circumstances upon receipt of a fully documented and complete Refund Request form and in accordance with the legislated timeframes and the refund policy in effect at the time of lodging a request for refund. A copy of the current policy is attached to my offer for reference.

I understand that this is a requirement under the International and Domestic Anti-Money Laundering Legislation that the University will refund monies only to the account or credit/debit card where the original payment was made from. If I am the recipient of government sponsorship or an education loan, I acknowledge that refunds may only be paid to my sponsor or loan institution (unless the sponsor or loan institution acknowledges otherwise).

I have read the refund policy and I understand that full refunds (i.e. 100% of the tuition fees paid) are only applicable if CQUniversity withdraws my offer or is unable to provide the course or where I am able to demonstrate compassionate/compelling circumstances that prevent me from commencing my studies. Partial refunds i.e. an administrative charge of 5% or \$500 will apply if my student visa application is refused (unless visa refused on account of fraudulent documents in which case no refund will be approved). If I cancel my studies at any time after census date, I understand and agree that I am still liable for any outstanding fees that remain unpaid.

I understand and agree that if I transfer provider or cancel my course prior to the completion of my course/s as per my letter of offer and confirmation of enrolment/s then I will be required to repay in full all waived administrative fees (if applicable) and/or all CQUniversity scholarship amounts (if student is a recipient of a CQUniversity Scholarship) from each term enrolled and studied as per the International Student Scholarship and International Student Scholarship - Regional Terms and Conditions and the CQUniversity Refund Policy.

Further information regarding the CQUniversity refund policy can be found at:

<https://www.cqu.edu.au/policy/all-policies>

I understand and agree that by signing, or otherwise clicking acceptance of this agreement, I am entering into a legally binding agreement between myself (the student) and CQUniversity for the duration of my studies.

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/test-takers/general-test/scores/understand-scores.

This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Overall Band Score

Overall		6.5	Competent User	The test taker has an effective command of the language despite some inaccuracies, inappropriate usage and misunderstandings. They can use and understand fairly complex language, particularly in familiar situations.
Test	Score	Your result explained		
Listening	7.5	<p>Test takers at Band 7.5 can typically follow extended speech and understand detailed instructions to complete tasks, including some involving complex ideas. They can identify ideas, attitudes, opinions or purposes which are implied by the speaker but not directly stated. They can easily understand meaning, including references within and between sentences, without having to process individual words and structures. They can understand a wide range of vocabulary, including some idiomatic, technical, and academic language, even when the language and ideas are complex.</p>		
		<p>Test takers at Band 5.5 typically deal reasonably well with straightforward factual and opinion-based texts. They are able to use their vocabulary knowledge to create meaning, but mostly within sentences rather than across sentences. They can understand directly stated information, opinions and arguments, and some implied meanings. They are generally able to extract key words from texts, and have a limited ability to synthesize concrete information and make inferences.</p>		
Reading	5.5	<p>Test takers at Band 5.5 typically deal reasonably well with straightforward factual and opinion-based texts. They are able to use their vocabulary knowledge to create meaning, but mostly within sentences rather than across sentences. They can understand directly stated information, opinions and arguments, and some implied meanings. They are generally able to extract key words from texts, and have a limited ability to synthesize concrete information and make inferences.</p>		
		<p>Advice to improve your score</p> <p>Listen to current affairs and documentary programmes, or online talks, without pausing or repeating the recording. Try to remember as much as you can, including new words, main ideas, specific points, and their relationship to each other. Afterward, reconstruct what you've heard. How much are you able to reconstruct? Listen more and try to increase the amount that you can reconstruct. When speakers don't directly say what they mean, we use strategies to guess their meaning. What are some of these strategies that you use in your own language? Use the same strategies to understand them in English.</p> <p>Try to read different types of texts, including some academic ones in your subject area. When reading, use different strategies to help you. For example, decide which parts need to be read carefully and which parts can be read more quickly or not at all. You can also try to make predictions based on the title or what you have already read, or guess the meaning using surrounding words and sentences. Re-read until you are confident that you understand the opinions and arguments. You might also want to identify the clues that tell you about important points, what the writer's attitude to the topic is, or where the writer is moving on to a different point.</p>		

Speaking	6.5	<p>Test takers at this band can typically speak at length, although they are sometimes less clear or fluent because of repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally well linked, but with some errors. They have enough vocabulary to discuss topics clearly and at length, although there are often errors, and they can usually paraphrase well. They can use simple and complex grammar structures but with limited range. There may be frequent grammar errors, particularly in more complex structures, but language is usually easy to understand. Pronunciation can be clear and effective, but there may be problems. They are usually easy to understand, although words may be unclear at times.</p>	<p>Talk to other English speakers about more abstract topics or more difficult current topics. Keep the discussion going for as long as possible. At the same time, try to express your ideas as accurately as you can, using the best words you know. Many of your ideas will also require the use of complex grammatical structures. If you're using several simple sentences, try to join them up in a way that makes your point clearer. Listen (and read) in English more to help you pick up natural and idiomatic phrases. When listening, note the rhythm and also the words that the speaker stresses. Is your rhythm similar? Are you putting the stress on the right words?</p>
Writing	6.0	<p>Test takers at this band can typically address all parts of the question, some more fully than others. (AC) They can give an overview. (GT) The letter has a generally clear purpose; the tone is sometimes not consistent. Key features and bullet points are covered. The point of view and main ideas are relevant but the conclusion(s) may be unclear. Some details might be irrelevant or wrong. Test takers can arrange their ideas logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.</p>	<p>Practice writing to give information and make arguments. Make sure you cover all the points that need to be covered, providing supporting ideas and details. Reread your work and see if you can make your points clearer. Is the ordering of your ideas logical? Sometimes, rearranging them can make things clearer. You can also try joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.</p>

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Management Aptitude Test and Test Scores

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/test-takers/general-test/scores/understand-scores.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).
