Annual Gender Sensitization Plan

Little Flower Degree College aims at increasing awareness and understanding of gender issues promoting equality and challenging discrimination. The college seeks to create an inclusive campus where students have equal rights, opportunities and conduct themselves with dignity and respect. Gender sensitisation in the college is a continuous process that requires ongoing education and empowerment.

Annual Gender Sensitisation Plan

- Raise awareness about the importance of gender sensitisation among students, faculty and staff through workshops, seminars and sessions.
- Address issues related to gender discrimination, Anti ragging and prevention of sexual harassment.
- Create a comfortable environment for discussing gender related issues and establish guidelines for usage of inclusive language.
- Encourage faculty to incorporate topics related to gender equality and diversity into the teaching discussions.
- Organise programs on cyber crime and security, self defence and gender based violence.
