Internal Complaints Committee (Women's Cell)
PAHAL - An Awareness Session (2024-2025)

On 15th October 2024, an awareness session was held at Montfort Hall, Little Flower Degree College, Uppal, organized by the Internal Complaints Committee unit of Women's Cell in collaboration with Bharat Serums and Vaccines Ltd. The session focused on critical health issues faced by women, specifically anaemia, breast cancer, and other common health concerns. Dr. Rajini, an experienced specialist in women's health, was invited as the chief speaker for the event. The awareness session was an immense success, with over 250 girl students and Faculty of LFDC attending and actively participating in the event.

International Women's Day Celebrations (2024-2025)

Report on Week-Long International Women's Day Celebrations

In celebration of International Women's Day, the Women's Cell of Little Flower Degree College organized week-long events from 3rd to 8th March 2024. The celebration aimed to empower women, raise awareness on key health issues, and provide a platform for women entrepreneurs. A variety of activities were organized to engage and educate students, staff, and the local community. The events were centered around self-defence, entrepreneurship, health, and personal empowerment.
