## Academic year 2023-24

### Report

**Name of the program:** Educational tour.

**Date:** 16-10-2023 TO 23-10-2023

**Venue:** DELHI, JIM CORBETT, NAINITAL

**Participants:** Students from all Courses

The Educational Tour Committee organized a week-long educational tour for the students from 16/10/2023 to 23/10/2023. As it was an educational tour, it was decided to visit places that would help students learn, experience and understand. Three staff members accompanied the students. This trip allowed us to experience the vibrant culture of the capital city, explore the wilderness of Jim Corbett, and unwind in the serene hills of Nainital. Places visited in Delhi include historical monuments, its street food delights and shopping in the magnificent market of Carol Bagh. In Jim Corbett National Park we experienced and enjoyed the exhilarating Jungle Safari. Jim Corbett National Park emphasizes responsible tourism and conservation efforts, making it a perfect travel destination for Nature enthusiasts. The final leg of our journey was in Nainital-a charming hill station nestled in the Kumaon foothills of the Himalayas. In Nainital we enriched the beauty of Naini lake, Naina devi temple and our students also took part in marvellous adventures like Paragliding, Rope way, Boating and many more....

Our journey through Delhi, Jim Corbett National Park, and Nainital was a diverse and enriching experience. We were able to immerse ourselves in India's history, admire its wildlife, and find solace in the serene hills. This mesmerizing trip left us with lasting memories and a deep appreciation for the cultural and natural treasures of Northern India.
